

I've never
felt like this
before...

How strange... I'm
feeling a bizarre
sense of
excitement...

Sign: Tomei group office

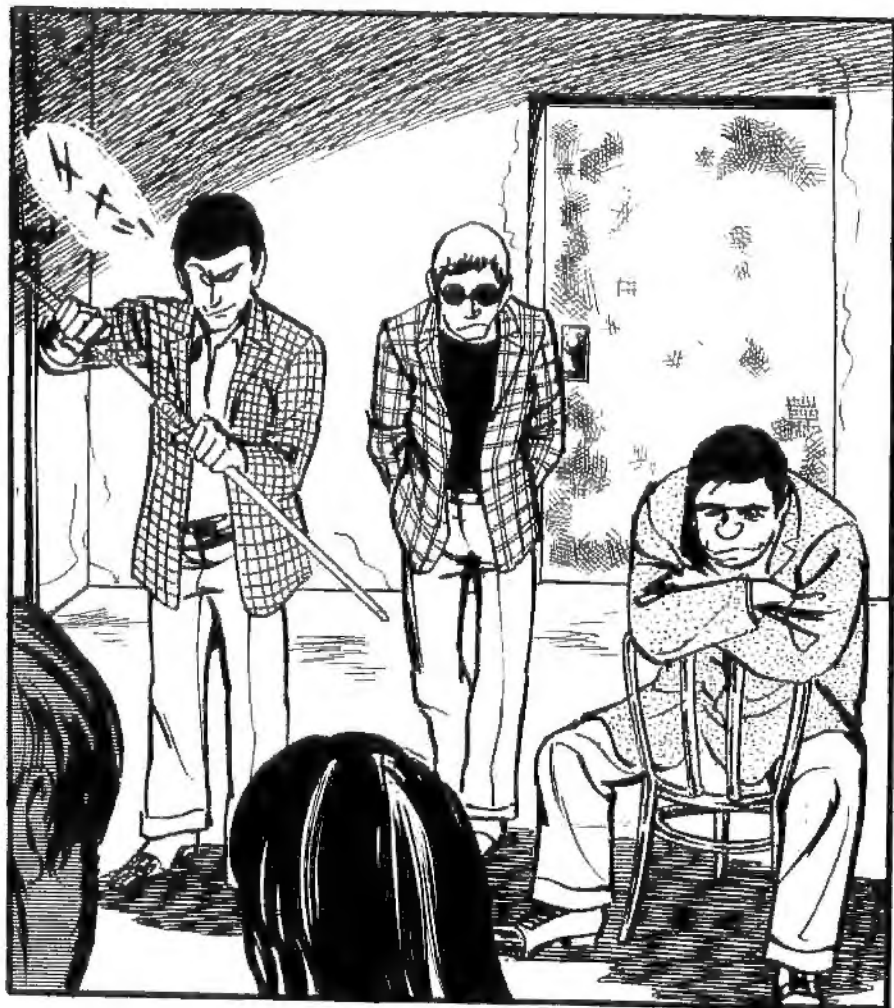

How about
him? You
seen this
guy before?

Hehe
he...

It's true! This boy and I
don't have anything to do
with Inumaru...

Hehehe

...

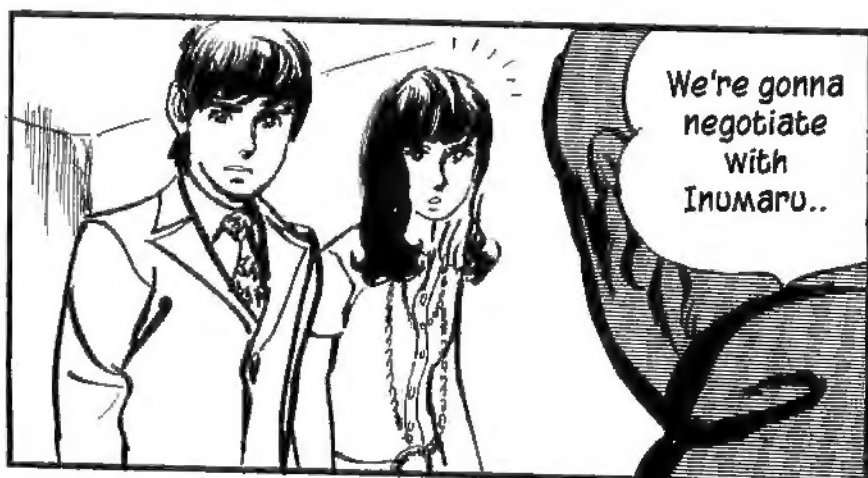

You can
at least
tell us that!

Hey, what did
you kidnap
us for?

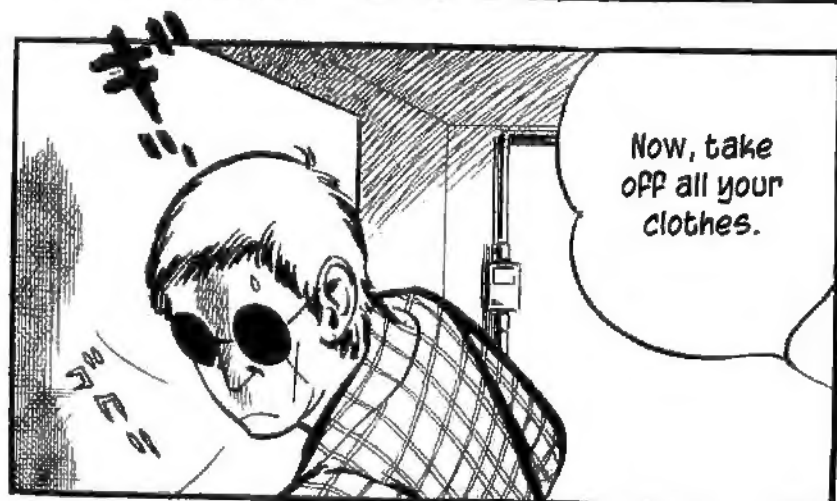

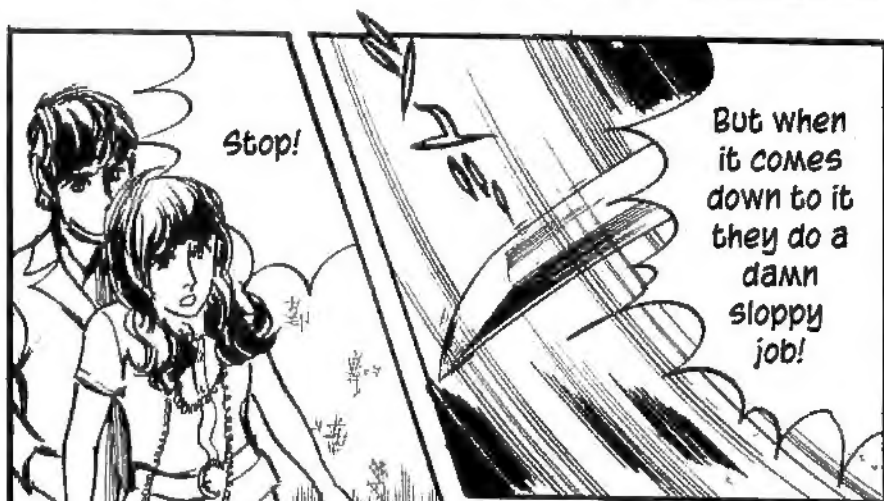

Because we can't
just sit by and let
him invade our turf!

We're gonna
negotiate
with
Inumaru..

But in return, don't
lay a hand on this
kid. He really has
nothing to do with
Inumaru.

Yeah! Start the
strip show,
already!

Quit yapping
and start strip-
ping! I'm going
numb here!

I got it. Just
get that
away from
me, and I'll
strip...

That's
en-
ough.

Hehehe...
Just
giving you
a hand!

I don't care whatever I
do from now on! It
won't be my fault!
Spider-Man can do all
he likes...

I've been desperately
trying to resist the
urges of violence! But I
can't take it anymore!

Hold it...
Punch him
with this,
it'll really
misshape
his face.

Looks like
you want
some pain!

Fuck-
ing
brat!

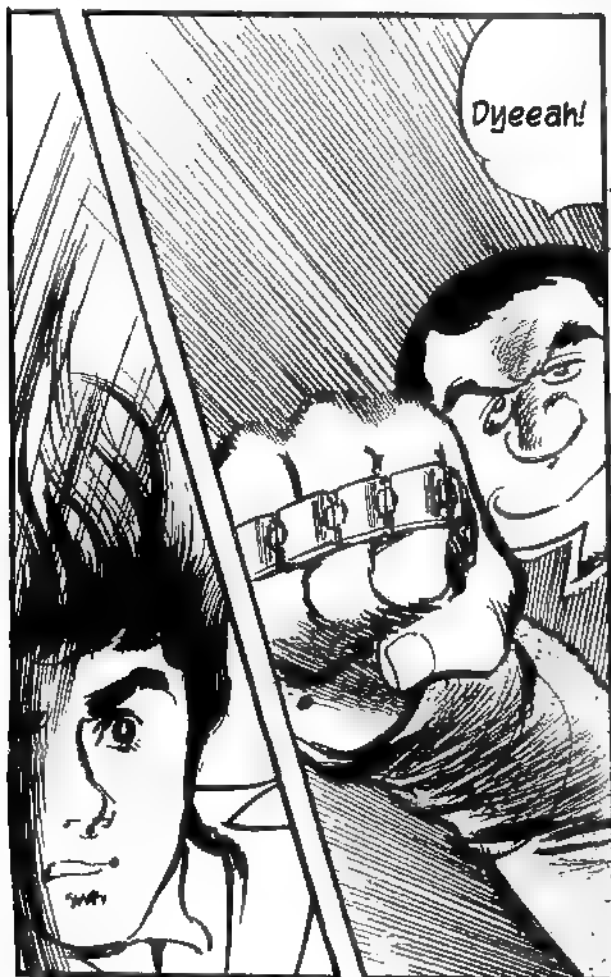

Apologize, or
you'll be
killed!

Yu, no!

Too
late!

So much it'll
make a plastic
surgeon run for
his money.

Dyeeah!

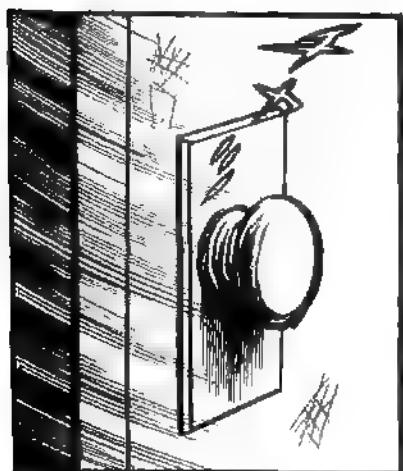

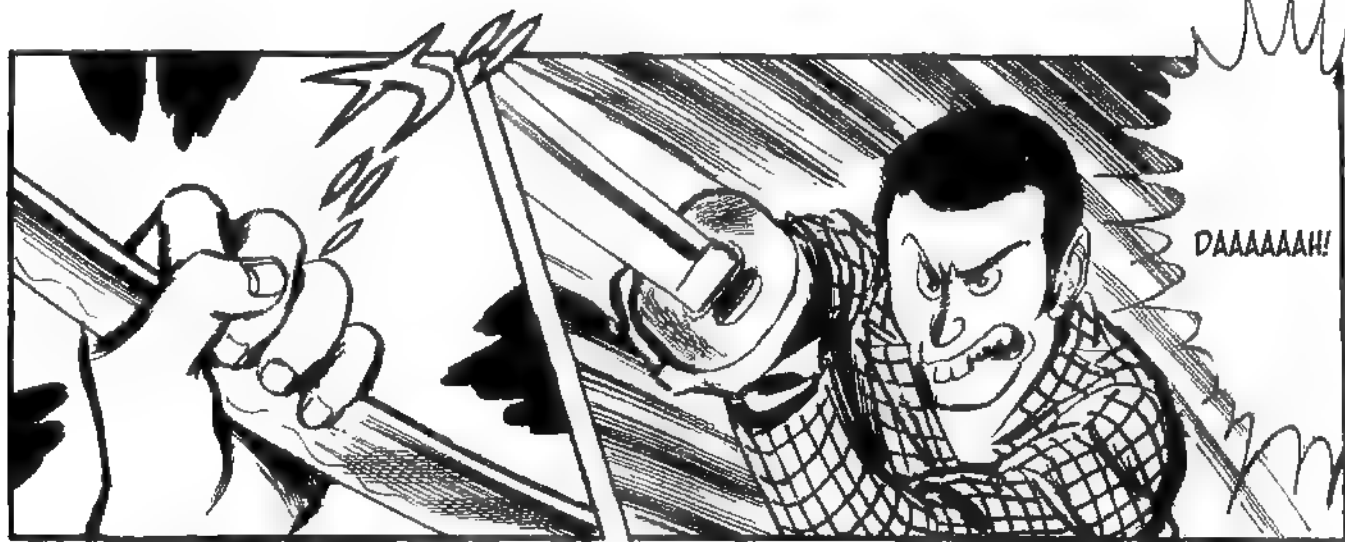

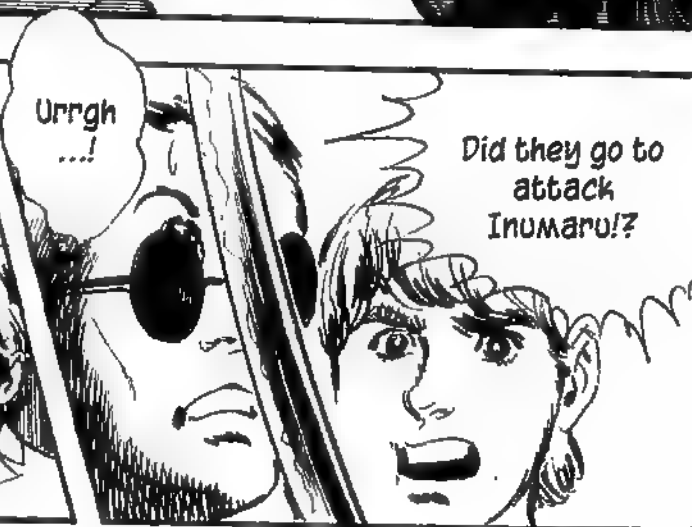

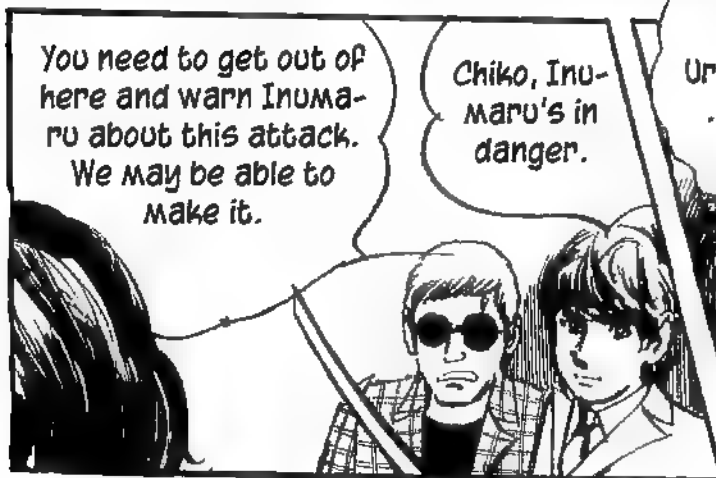

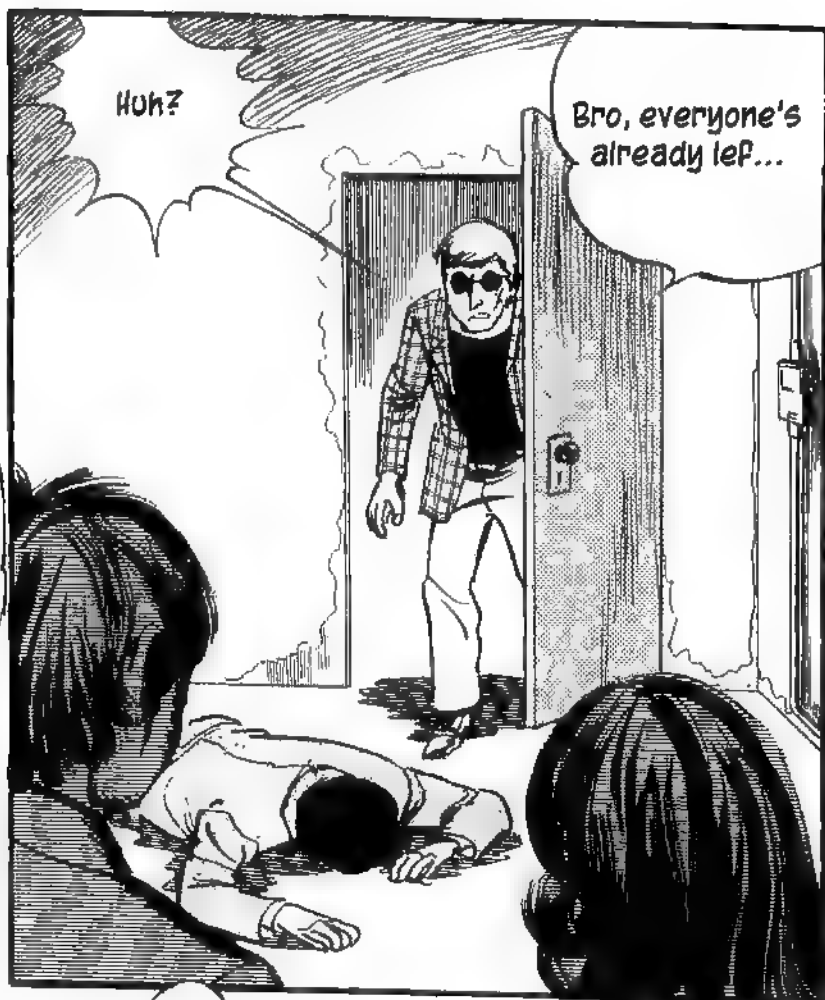

AIEEEEEEE!

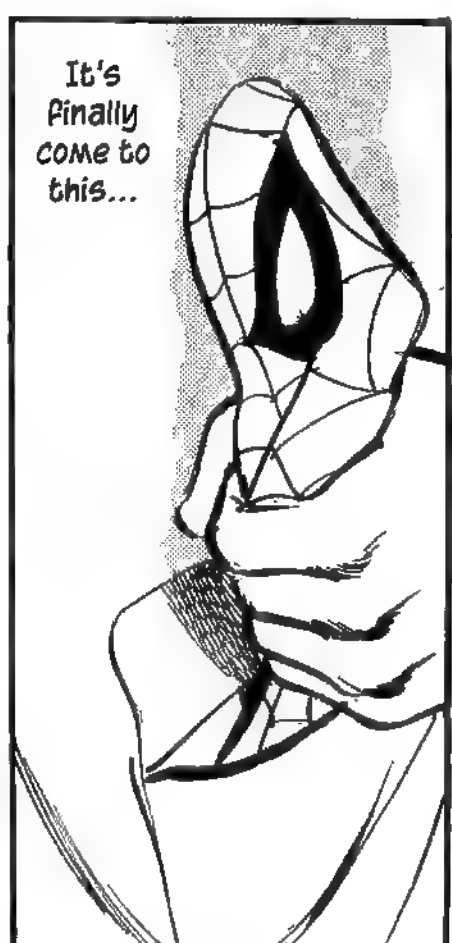

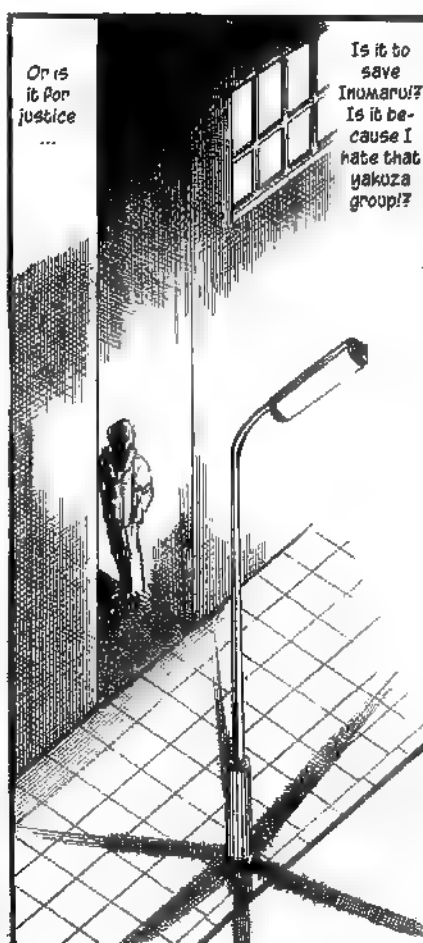

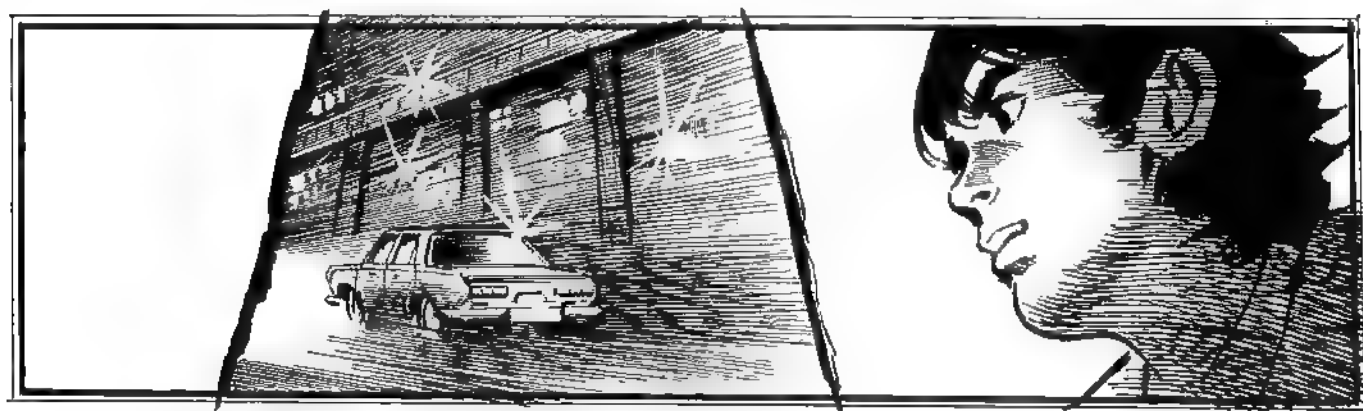

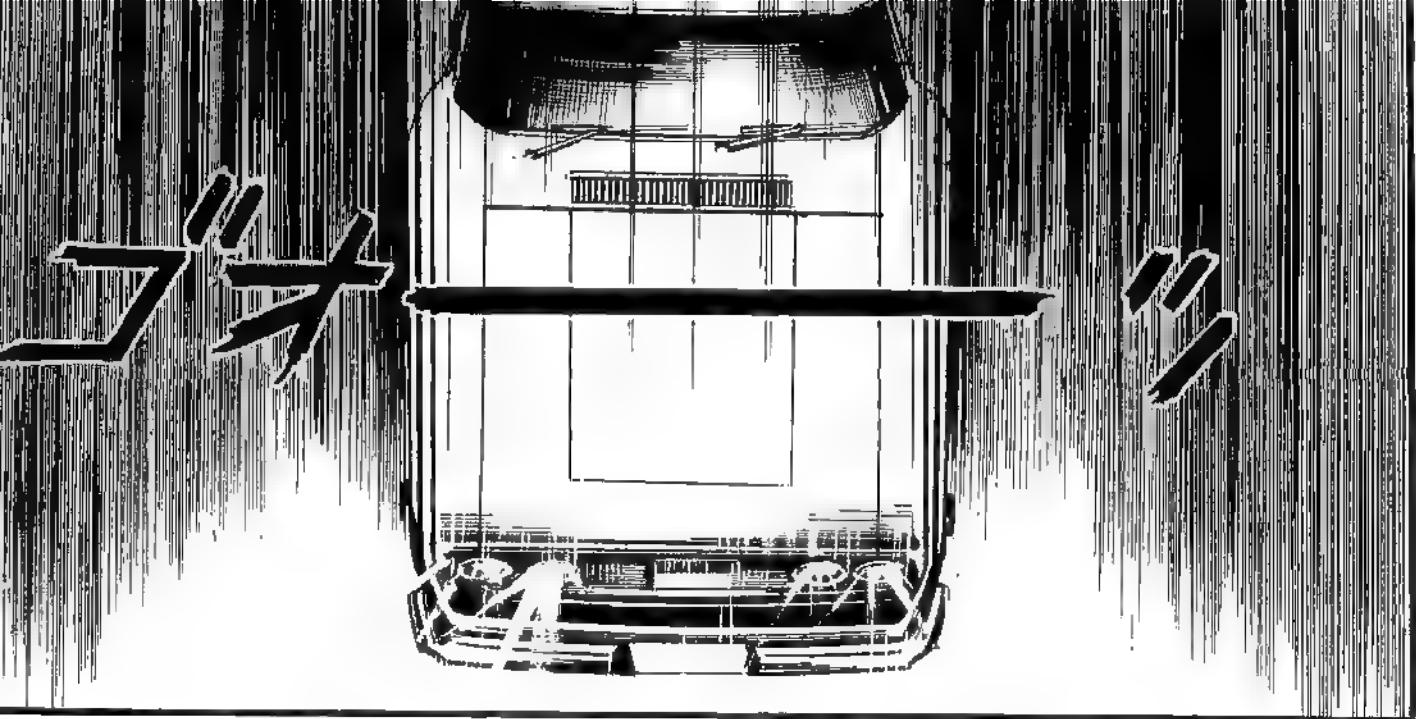

I'll beat your
face in so
bad, even the
ugliest bitch
would look
away!

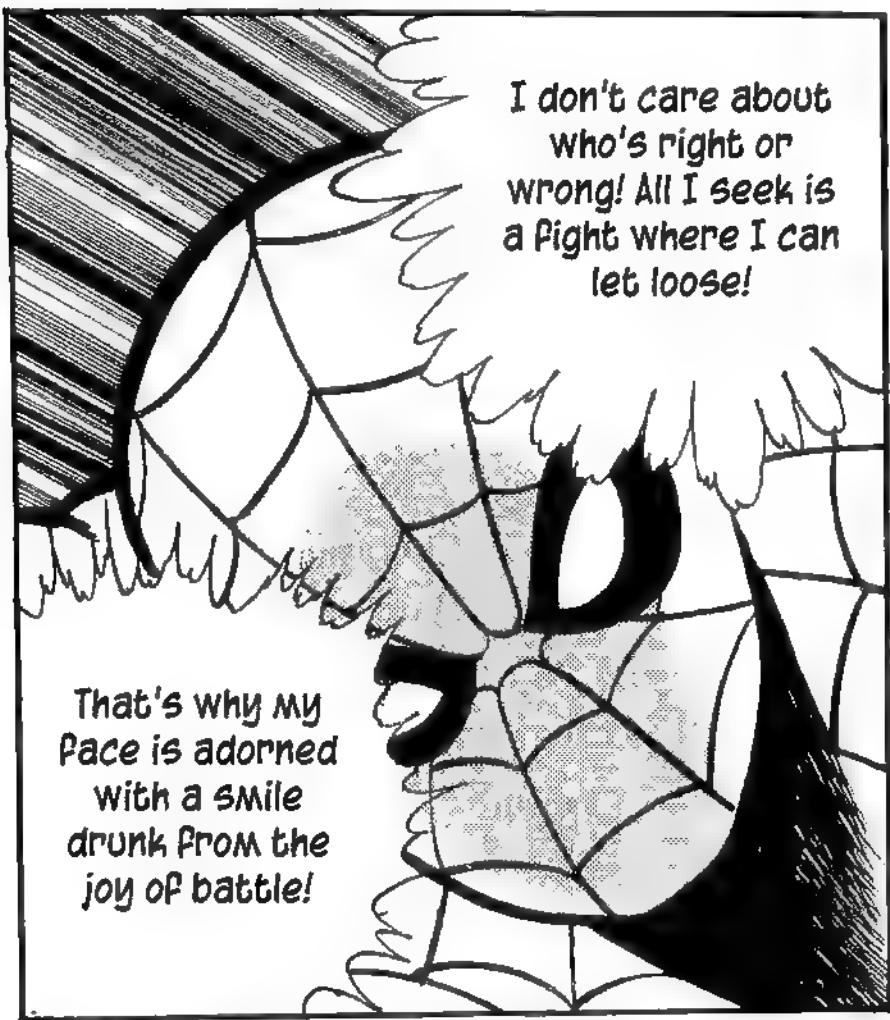

I am Free!

I'm the reincarnation of
the ancient heroes
blessed by the gods!

I am strong! I'm a
hero! I'm a
superhero!

Hahahaha! I am
Spider-man!

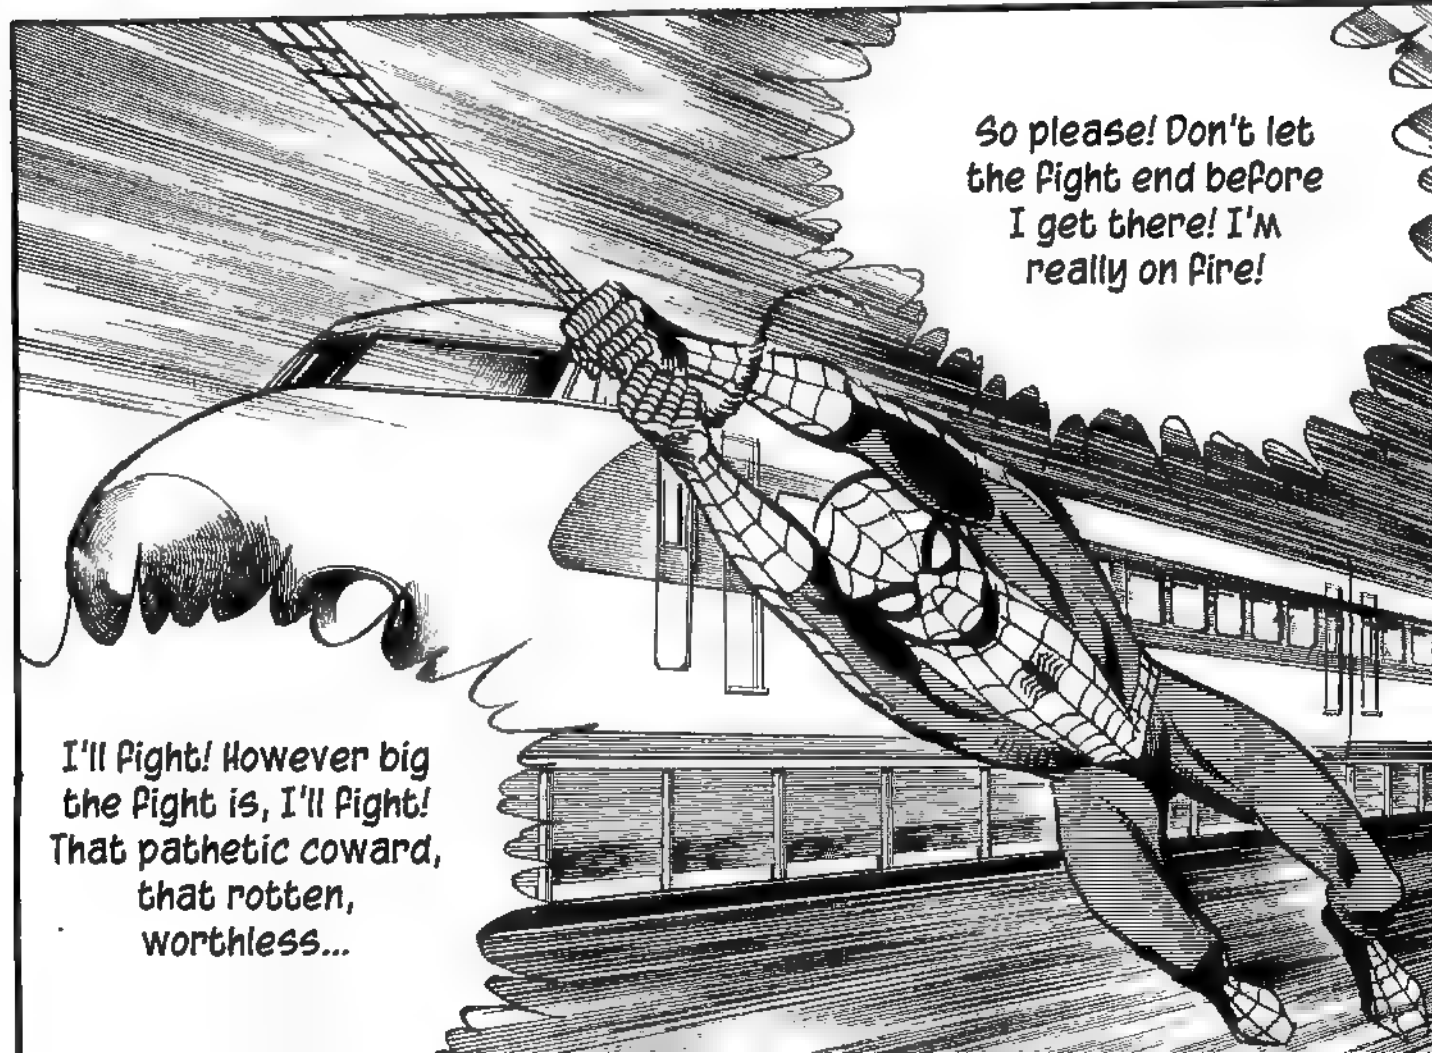

I don't care about
who's right or
wrong! All I seek is
a fight where I can
let loose!

That's why my
face is adorned
with a smile
drunk from the
joy of battle!

I am a fighter
that rushes
to the near-
est battle-
ground!

So please! Don't let
the fight end before
I get there! I'm
really on fire!

I'll fight! However big
the fight is, I'll fight!
That pathetic coward,
that rotten,
worthless...

This is my time
to shine!
Spider-man's
the true hero!

Middle-class
honors student
Komori Yu can
piss off!

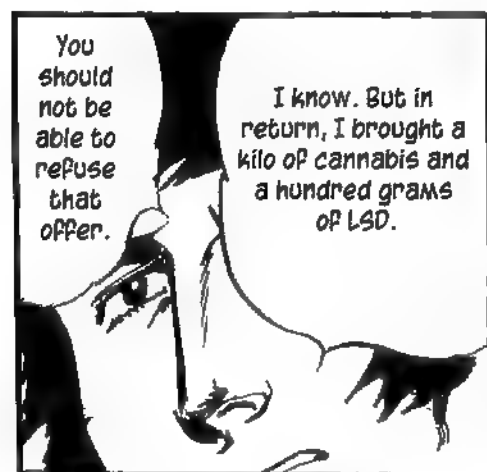

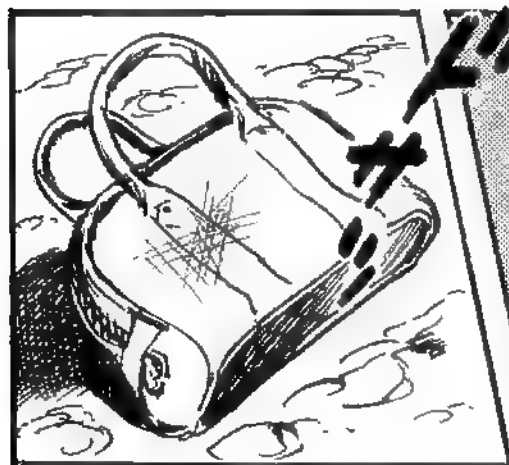

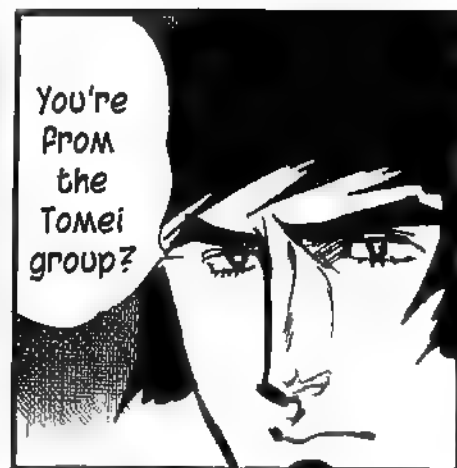

Where are
they making
the trade!?

They plan to
kill Inumaru
once they
have the
money!

T...The Tomei Group is
demanding ten million
yen as ransom for
you and Chiko... And...

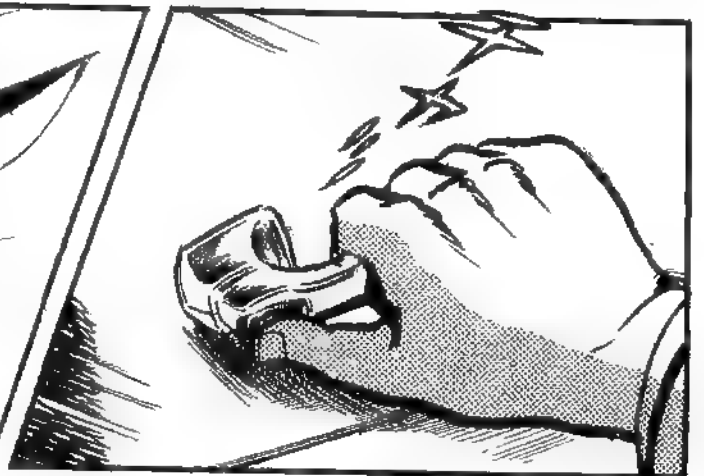

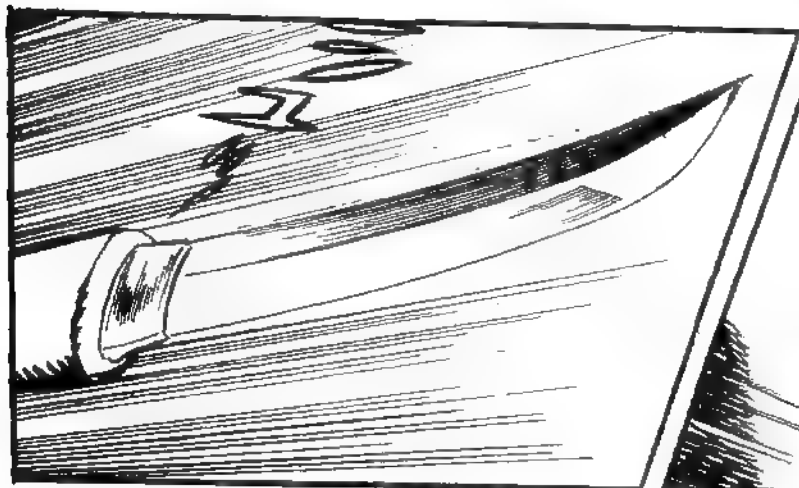

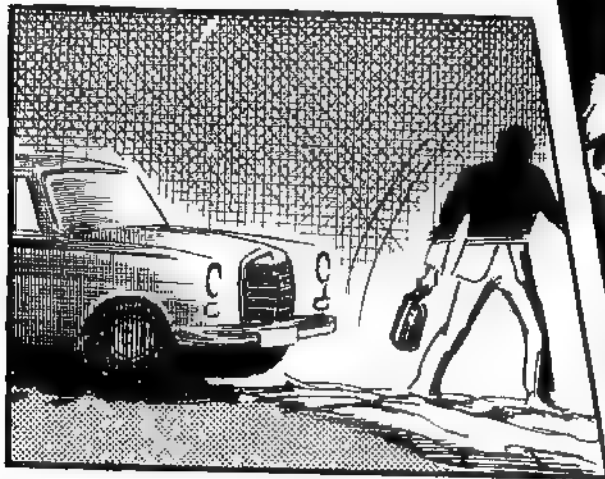

I know. But in return, I brought a kilo of cannabis and a hundred grams of LSD.

I brought two million yen. That's all I have.

What!?

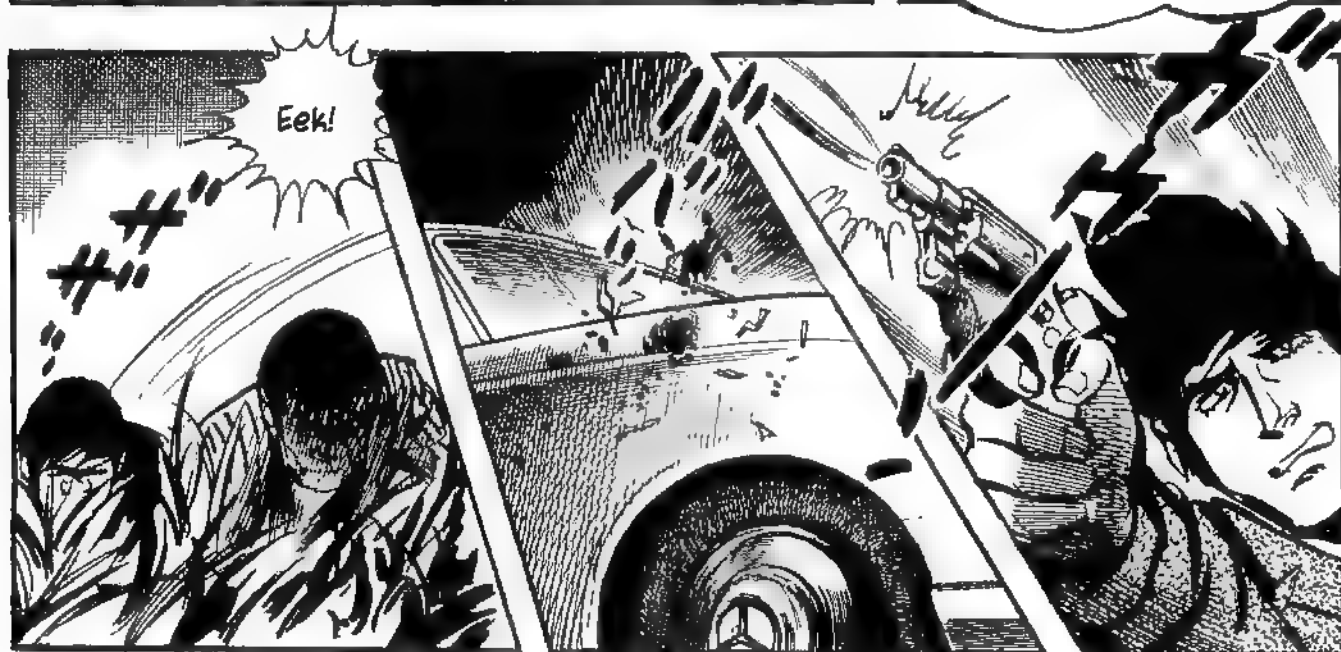

I'm not that naïve. Why would I be afraid of you guys that turned to cowards after the pigs' yakuza hunts?

You think you can cut me up with your dull knives? You gotta be kidding me!

You may have more guys, but they're all small-fry! If you fail to kill me, that'll be a real disgrace to your boss in the big house!

Eek!

Even if I kill two or three of you, I'm only going to juvy! If you're fine with that, then come at me!

Hahahaha! Take that, cowards!

Hehehe...now isn't this a sorry sight!?

What're you all doing on your hands and knees? Taking a piss?

There's nothing to be afraid of.

He's only got five more bullets. He can't hit a thing in this darkness.

Throw rocks at him!

Bash him with a rock!

You...

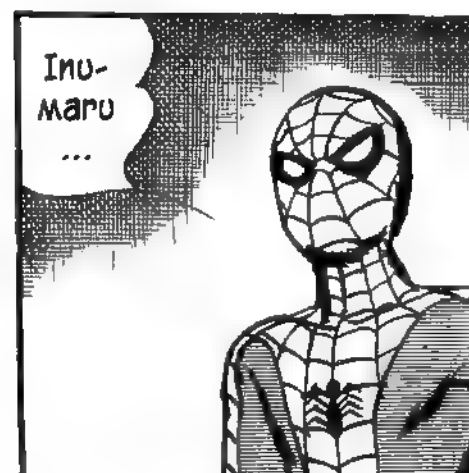

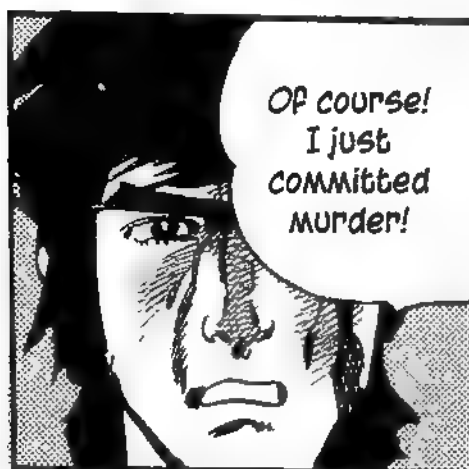

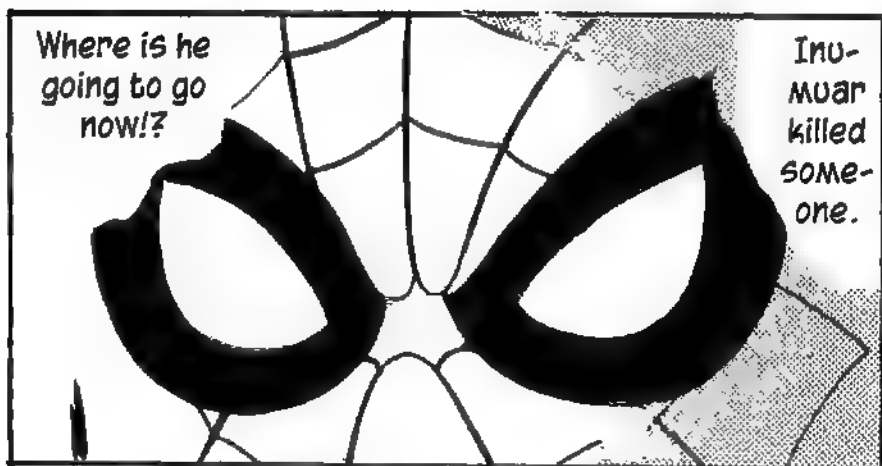

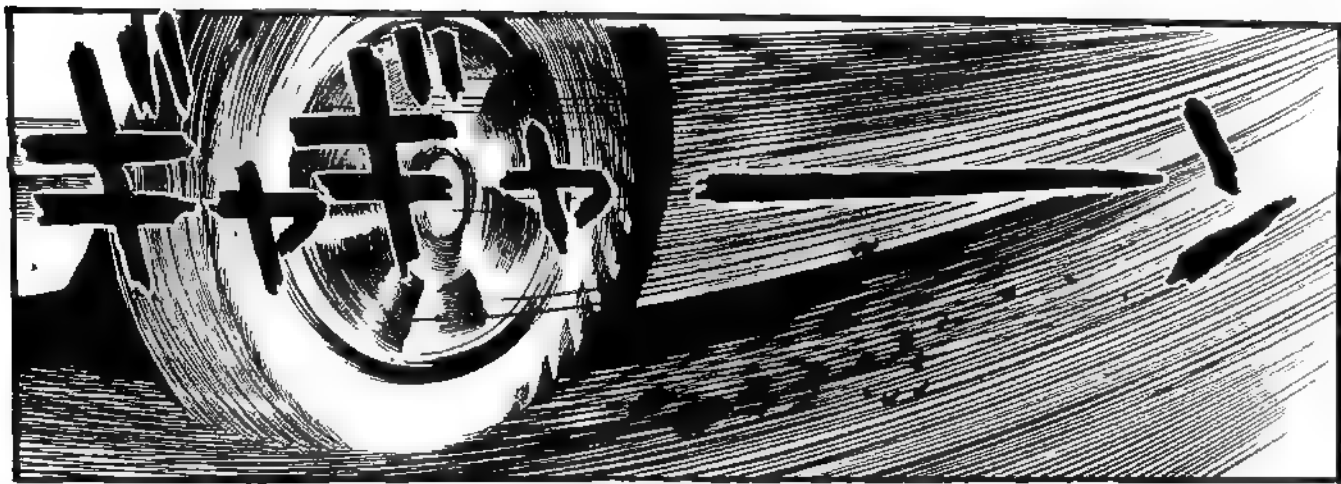

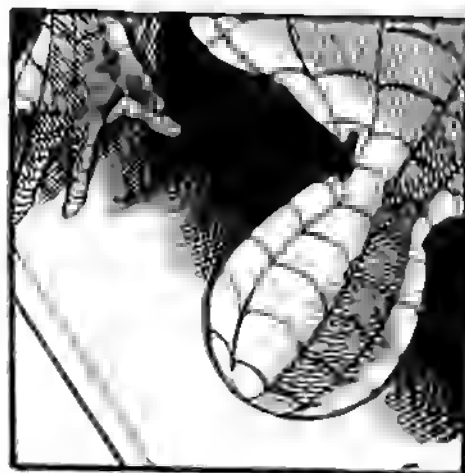

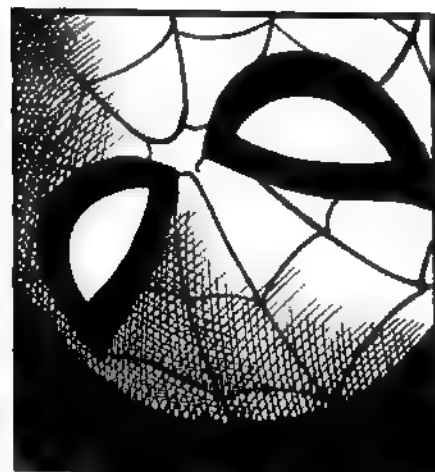

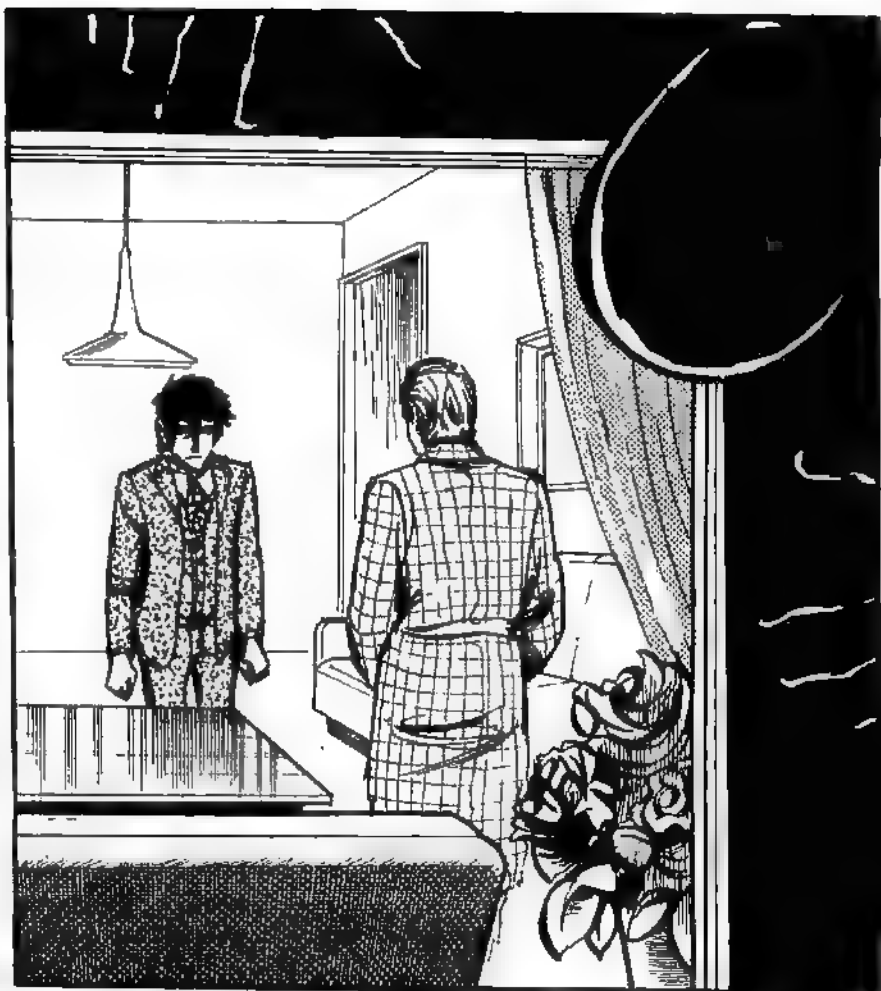

Where is he
going to go
now!?

Inu-
muar
killed
some-
one.

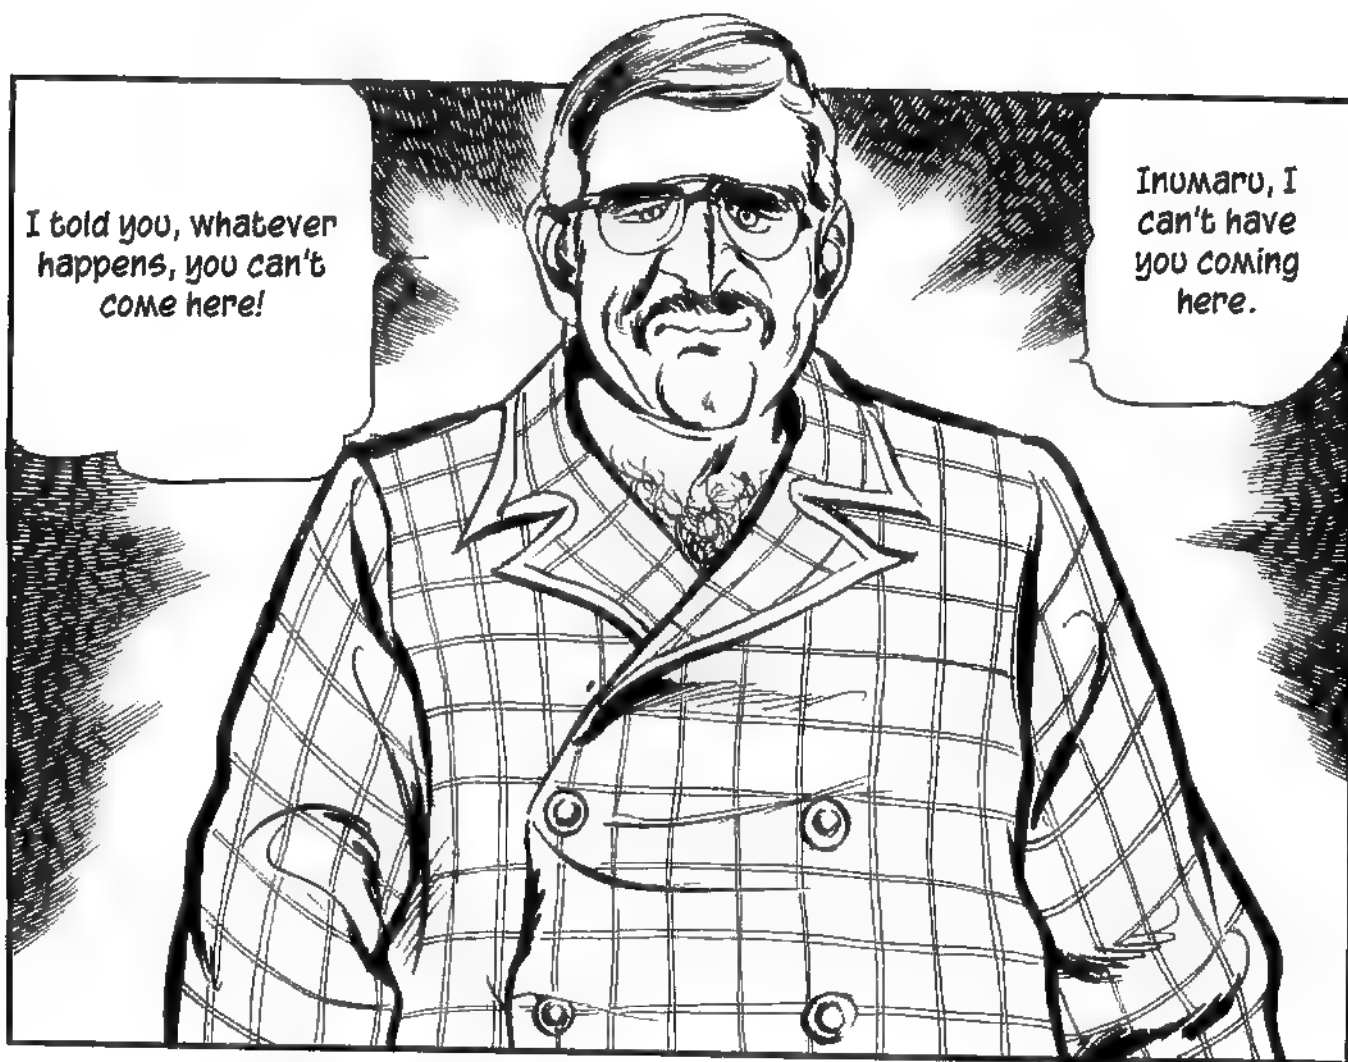

He's reached
this luxurious
corporate
house in
Harajuku...

And
now,
near
dawn
...

After that, Inumaru
stole car after car,
and broke through
the police perimeter
into the city...

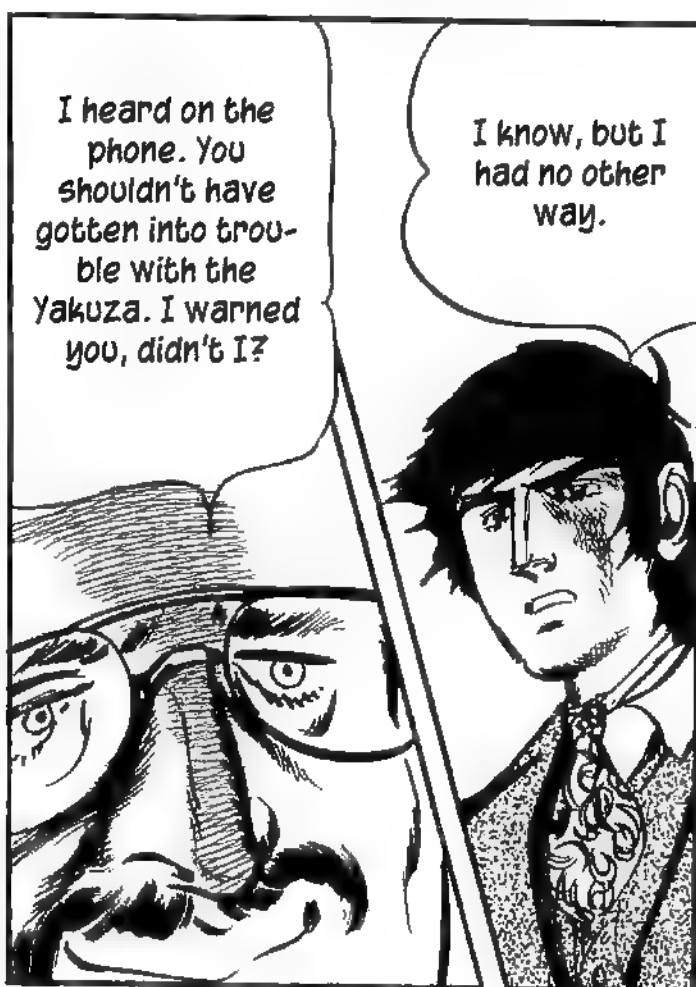

I told you, whatever happens, you can't come here!

Inomaru, I can't have you coming here.

But Mr. Kager, my friend was gonna get killed! I had no time to talk to you!

I heard on the phone. You shouldn't have gotten into trouble with the Yakuza. I warned you, didn't I?

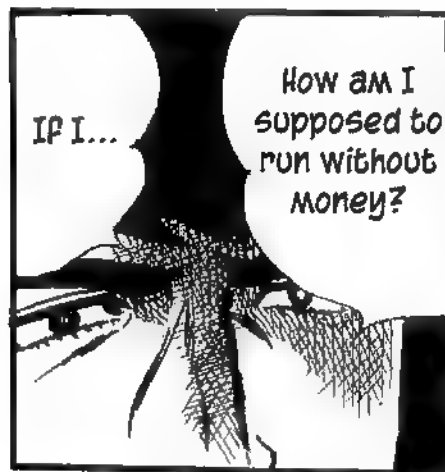

I know, but I had no other way.

Your friend?

Then run, In-
umaru. But I
won't give
you money.

IF I...

How am I
supposed to
run without
money?

I have to
run away!

Don't you
get it,
Mr. Hager!?

Hehehe... I don't
care about that! You
caused a big loss
for me! And now you
want money? The
answer's no!

Oh, if the
Japanese police
come here, I'll tell
them I know
nothing!

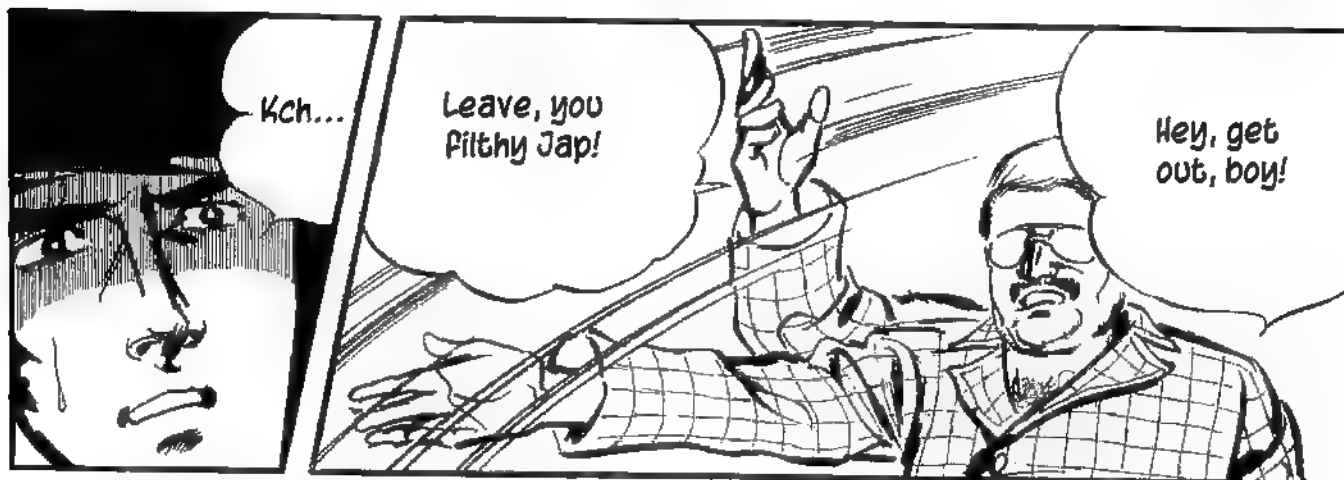

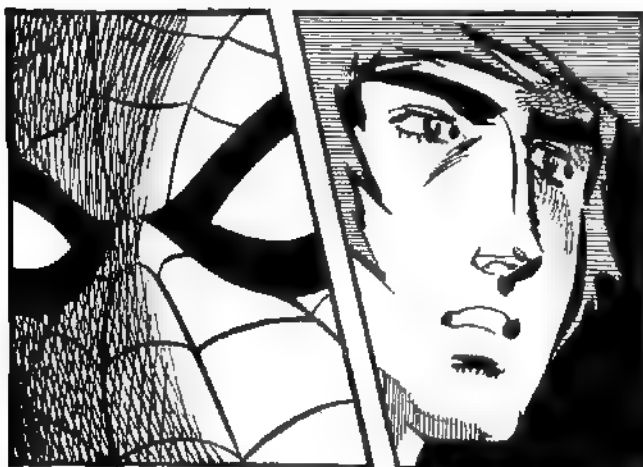

IF I get caught by the
pigs, you'll be on the
hook too, Hager!

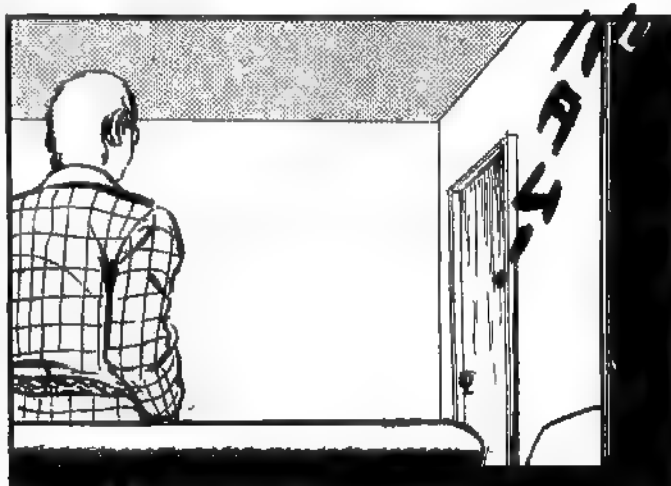

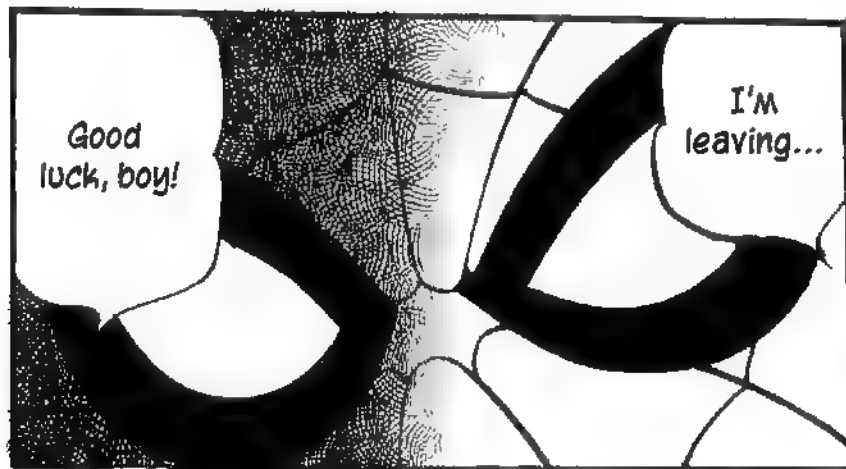

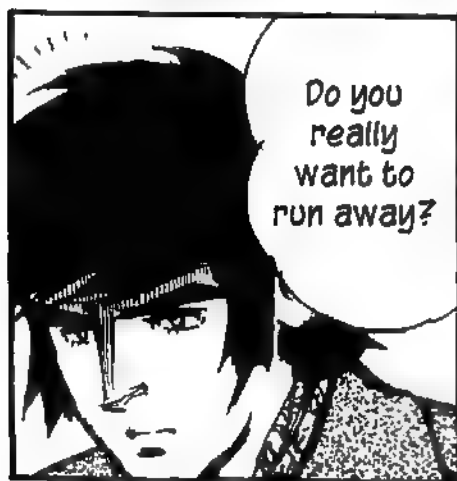

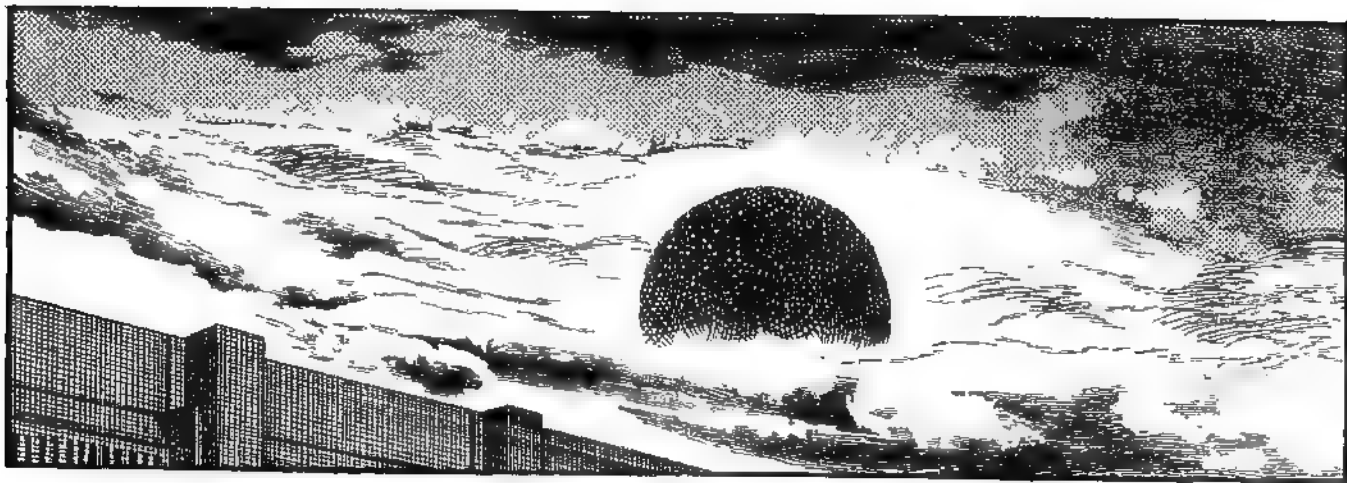

I can say goodbye
to Japan whenever
I want... And
someone from
America will come
in my place.

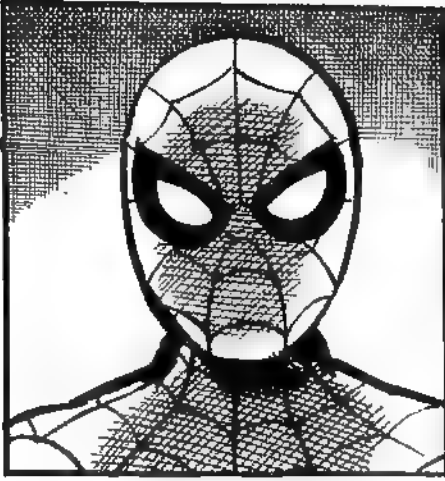

"The Jap boy
Inumaru? Never met
him." They have
no proof,
so I'm Pine.

What
are you
doing
here...?

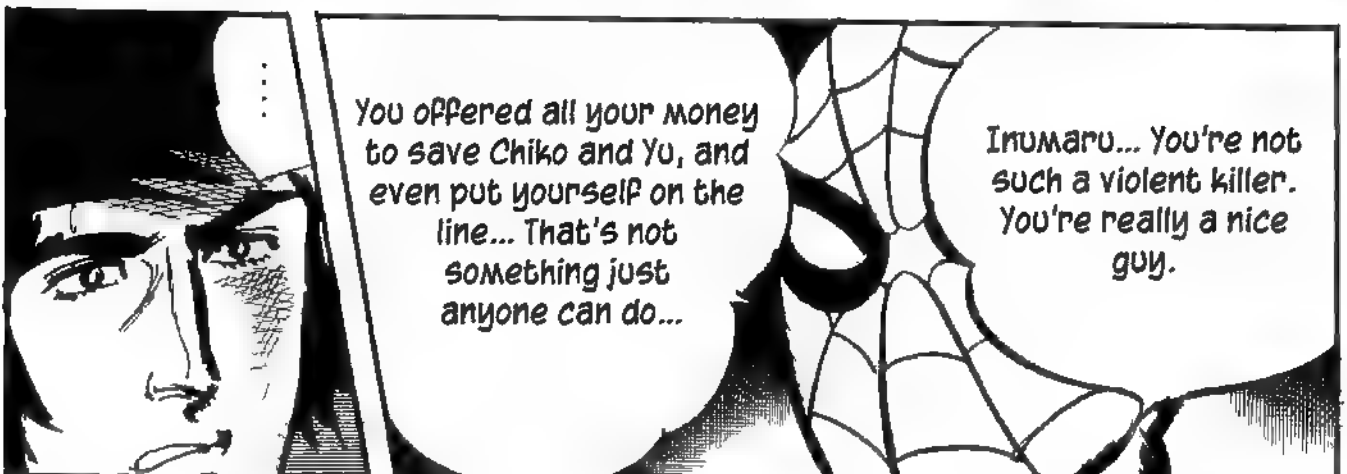

What?
You
again
...?

I'm not gonna
let the police
get me! And I'll
kill anyone in
my way!

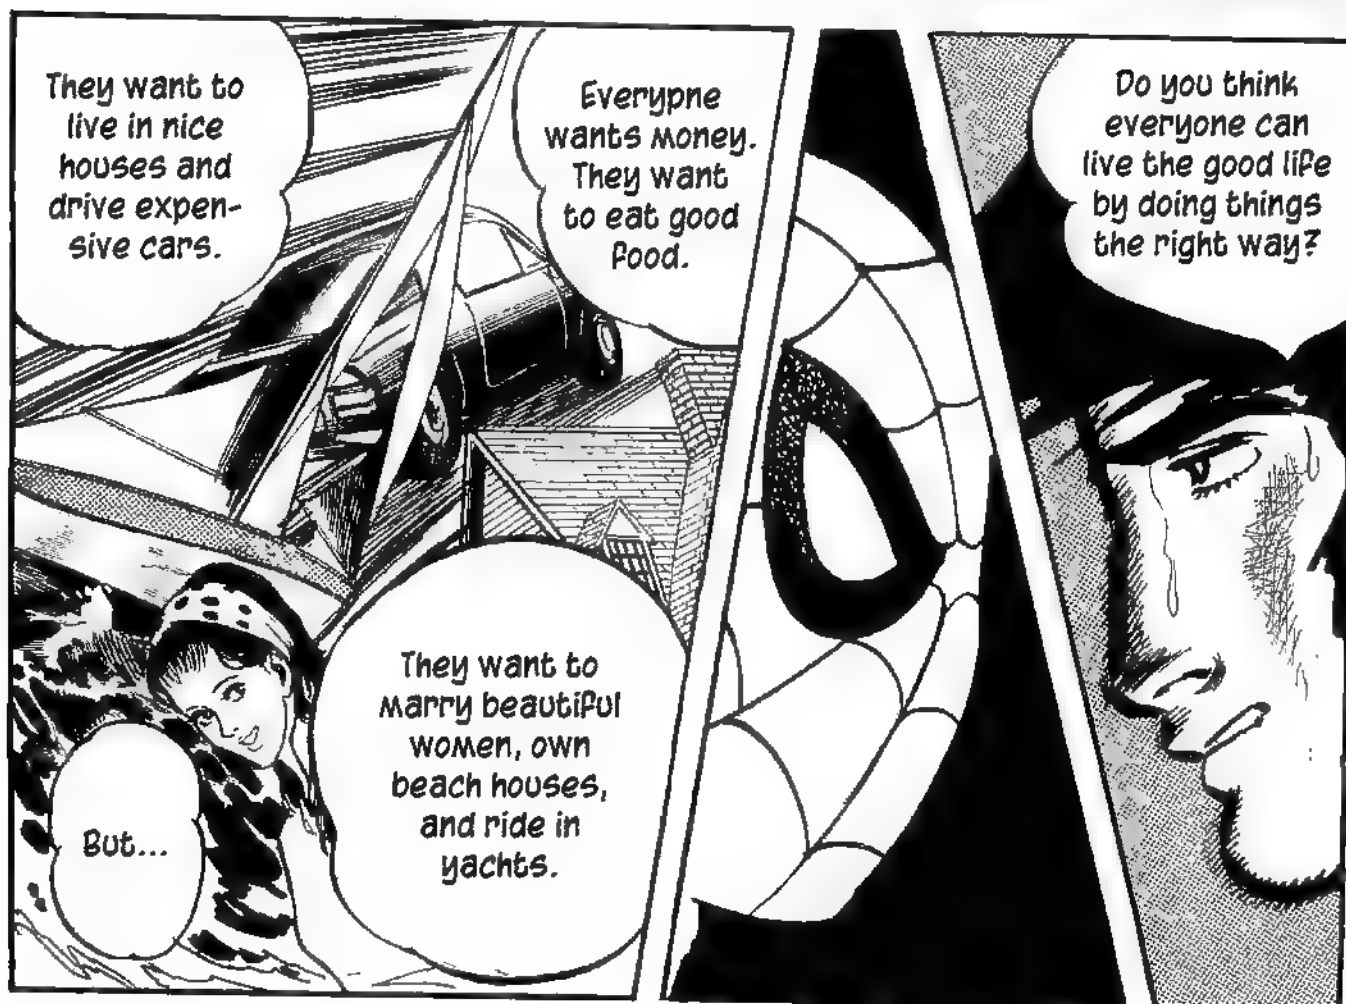

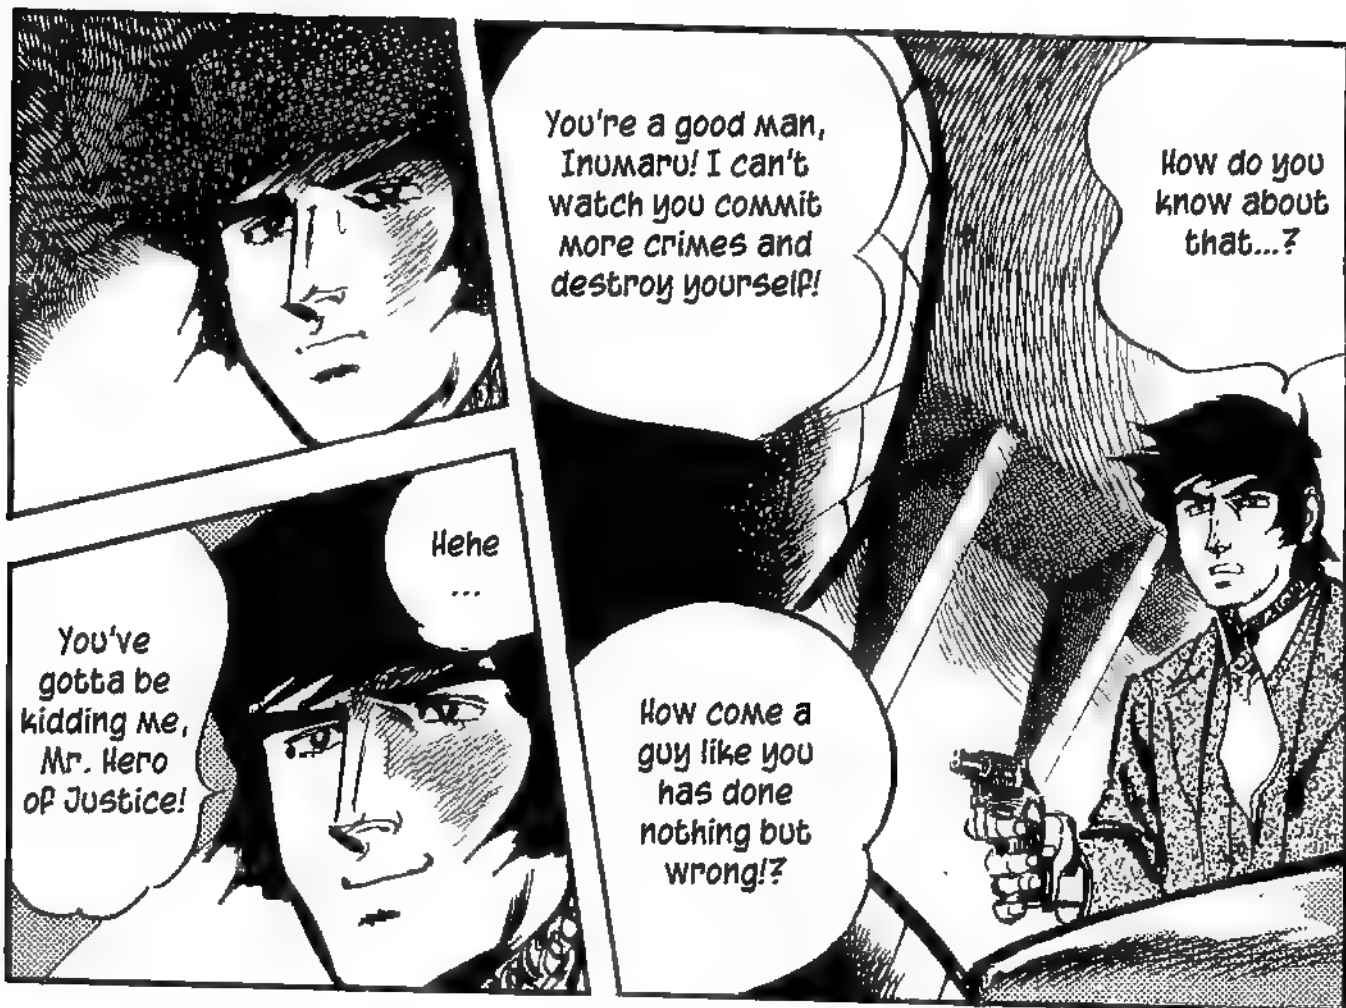

Yeah,
I sure
do!

Do you
think you
can run
away?

You offered all your money
to save Chiko and Yu, and
even put yourself on the
line... That's not
something just
anyone can do...

Inuyasu... You're not
such a violent killer.
You're really a nice
guy.

I don't want to be a pathetic loser! I'll rise to the top with all my knowledge and strength!

They're all cheap businessmen who can't even get a decent home! Am I supposed to be satisfied with that?

Just look at everyone living an honest life!

All those losers complain and fill themselves with frustration because they can't do anything on their own...

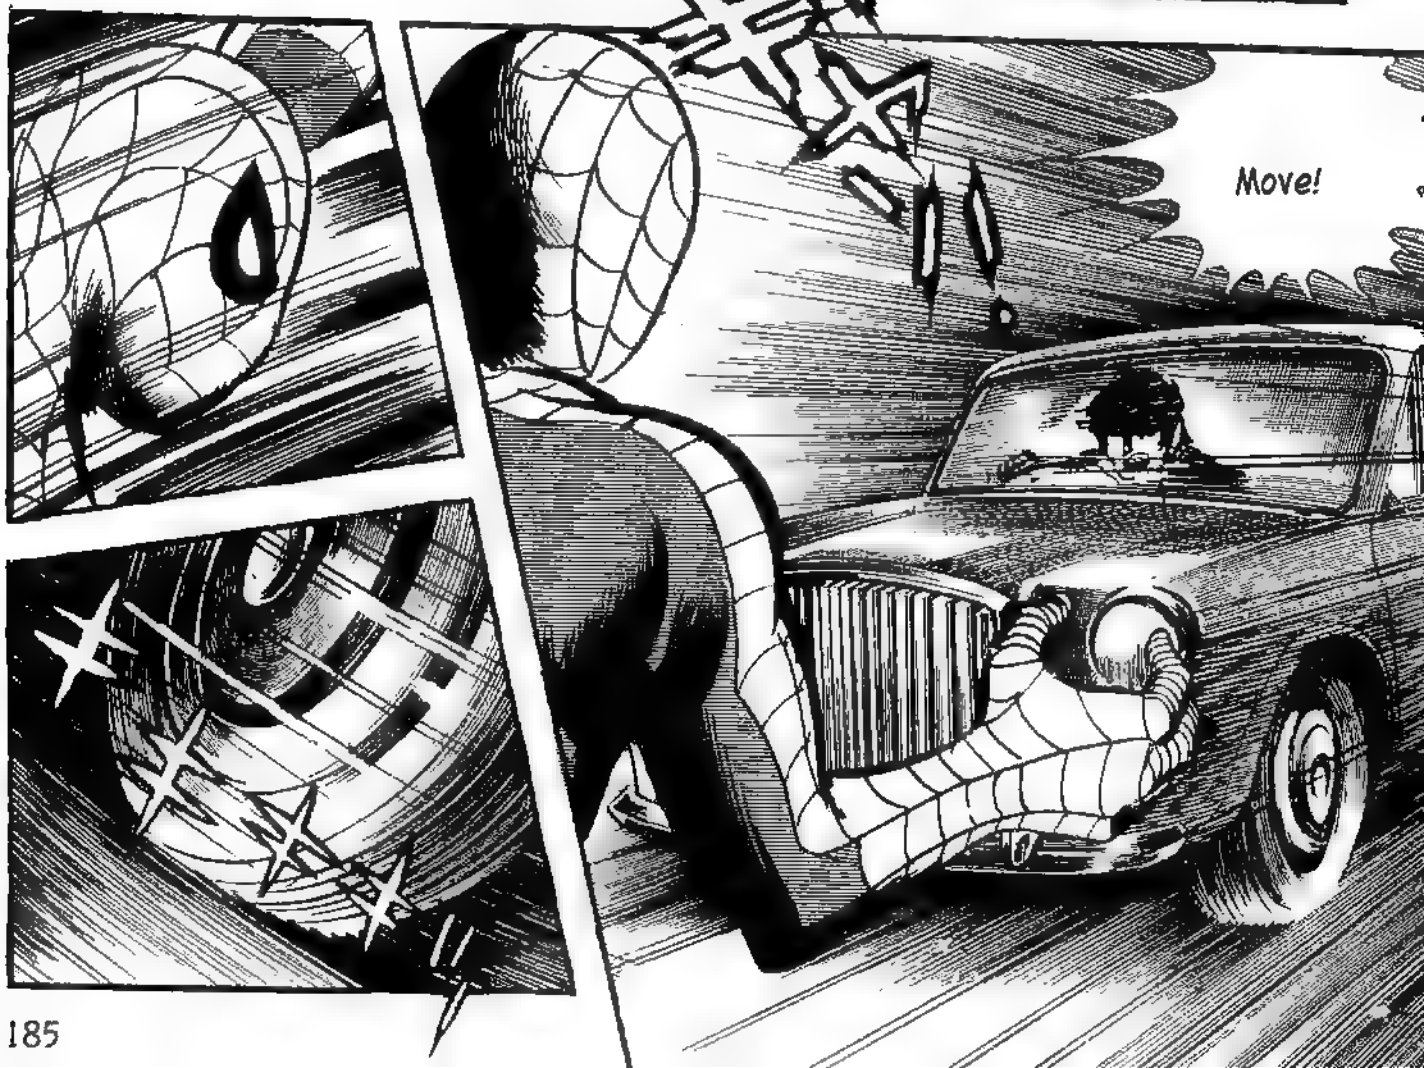

But not me! I don't care if I become a villain, as long as I become a winner!

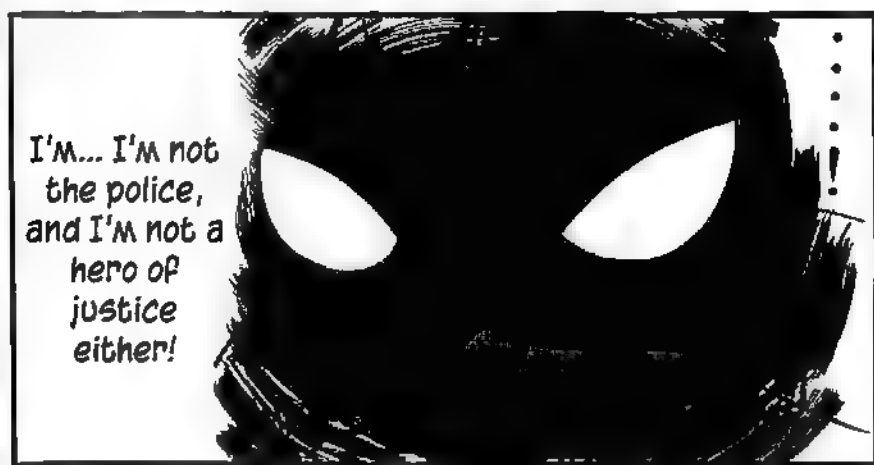

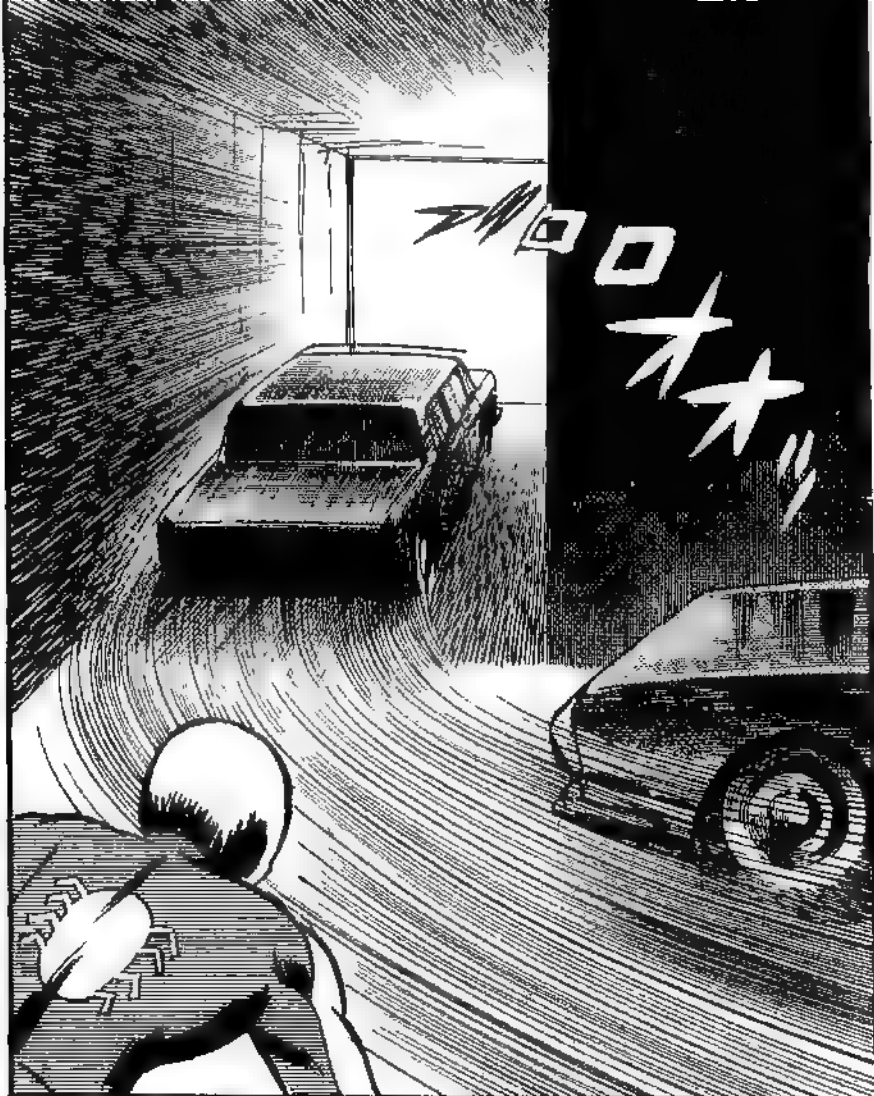

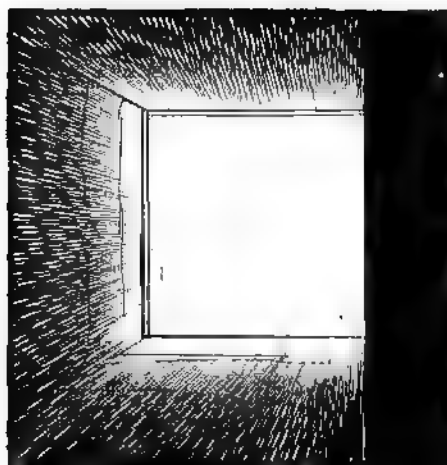

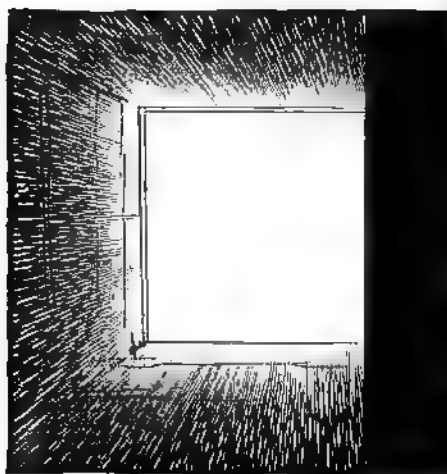

Are you sure all you want is to fulfill your desires?

...I'll do it! I'll run away! And I'll start over! I won't let the pigs catch me!

I'm... I'm not
the police,
and I'm not a
hero of
justice
either!

Should I have
stopped him from
travelling the
road to self-
destruction!? I
don't know!

Should I... Should I have stopped
Inumaru!?... He murdered someone to
save Chiko and I! How am I supposed to
pay him back for his friendship!?

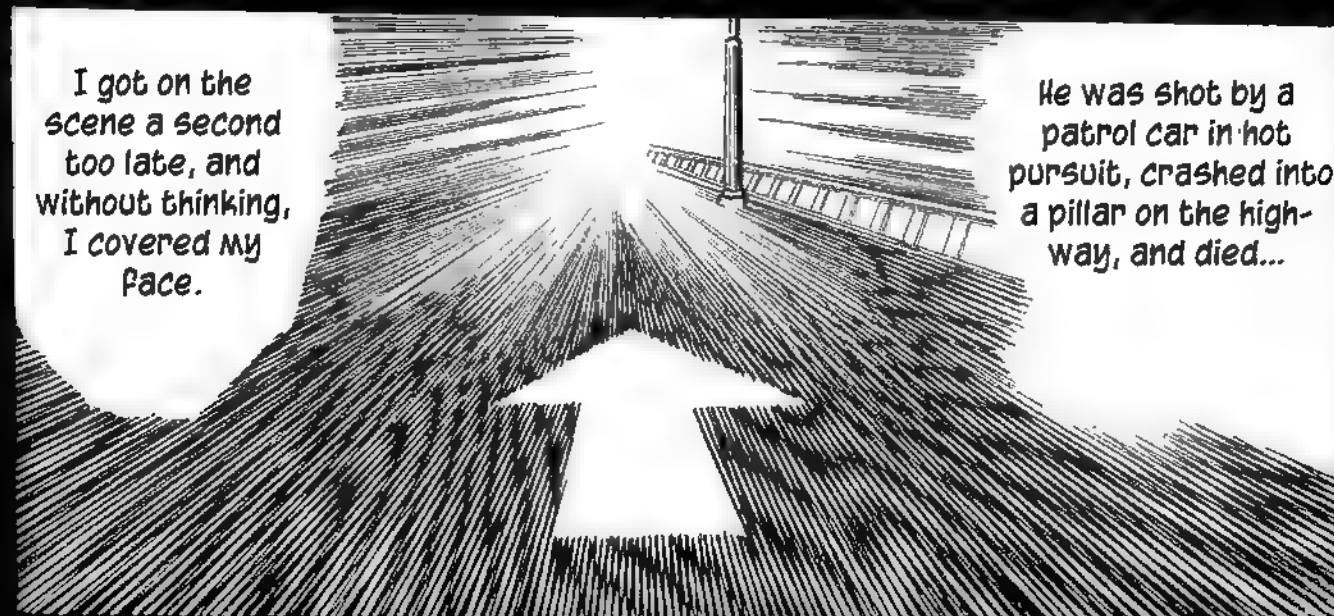

Minutes
after he left
the dark
parking lot...

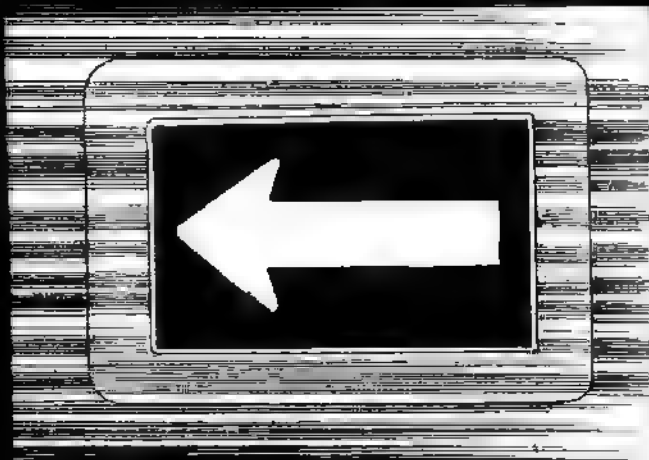

But... My
hesitation
got
Inumaru
killed!

I got on the
scene a second
too late, and
without thinking,
I covered my
face.

He was shot by a
patrol car in hot
pursuit, crashed into
a pillar on the high-
way, and died...

His head
was
covered
in
blood!

Inumaru
was
thrown
onto the
road out
the open
door and
died!

Not even
the super-
hero Spider-
Man!

I could
not have
saved
Inumaru!

This was
a man
who was
defeated
by the
weight of
his own
desires!

Or
was
it
...?

Was it
because
he was
telling
the
truth?

It was
all be-
cause I
couldn't
argue
with him!

But
something
was
wrong!

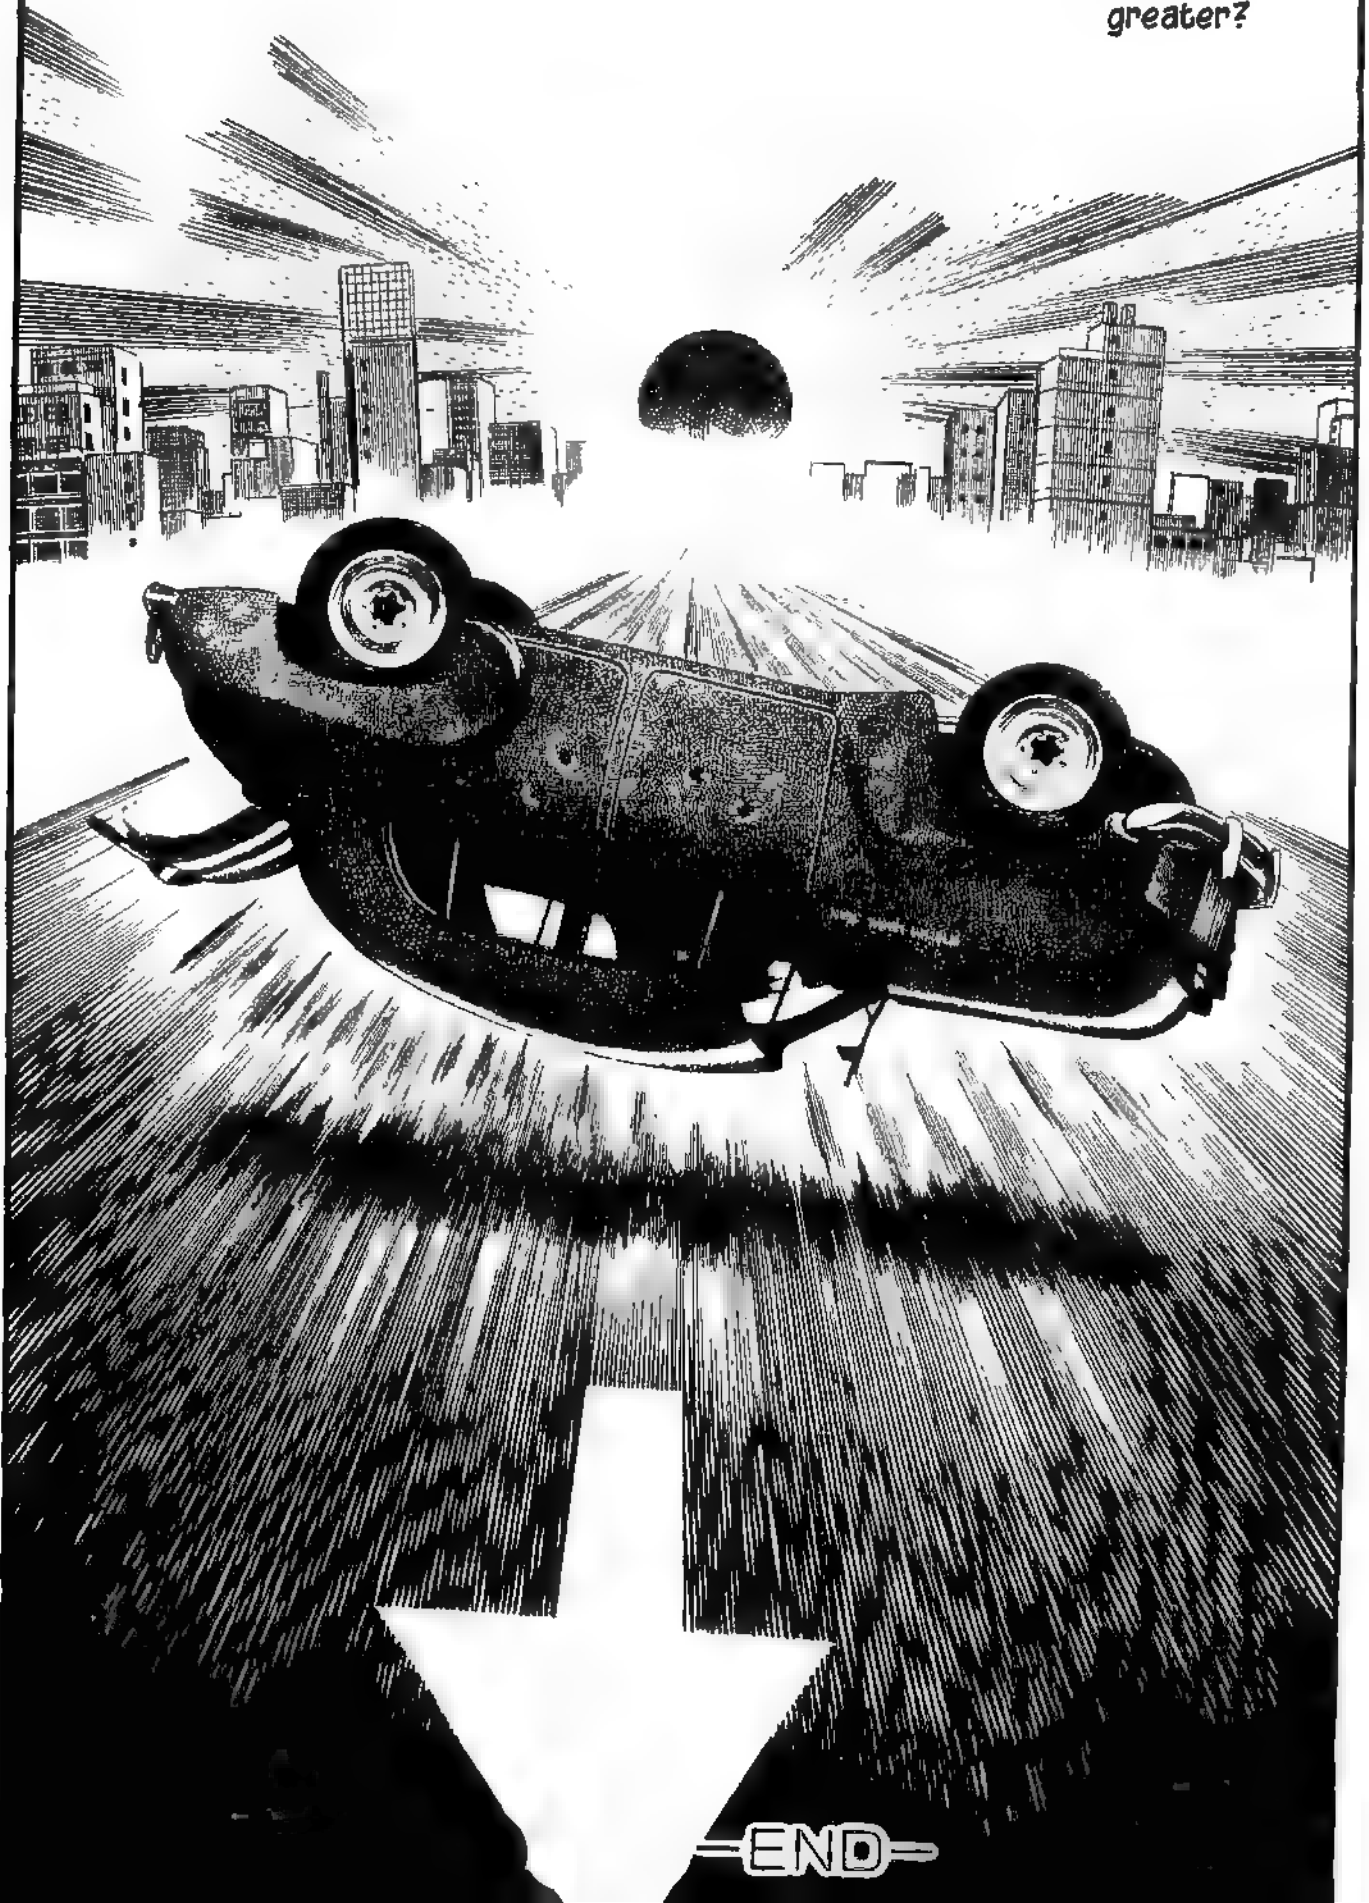

You were
a wonder-
ful young
man!

Inumaru!
You had
a manly
heart!

We are
all lost
children!

I am the same as you! We
both lost sight of what we
should offer our souls
towards! Somebody, any-
body, tell me what it is!

Inumaru, couldn't
you have offered
your young and
wonderful soul to
something
greater?

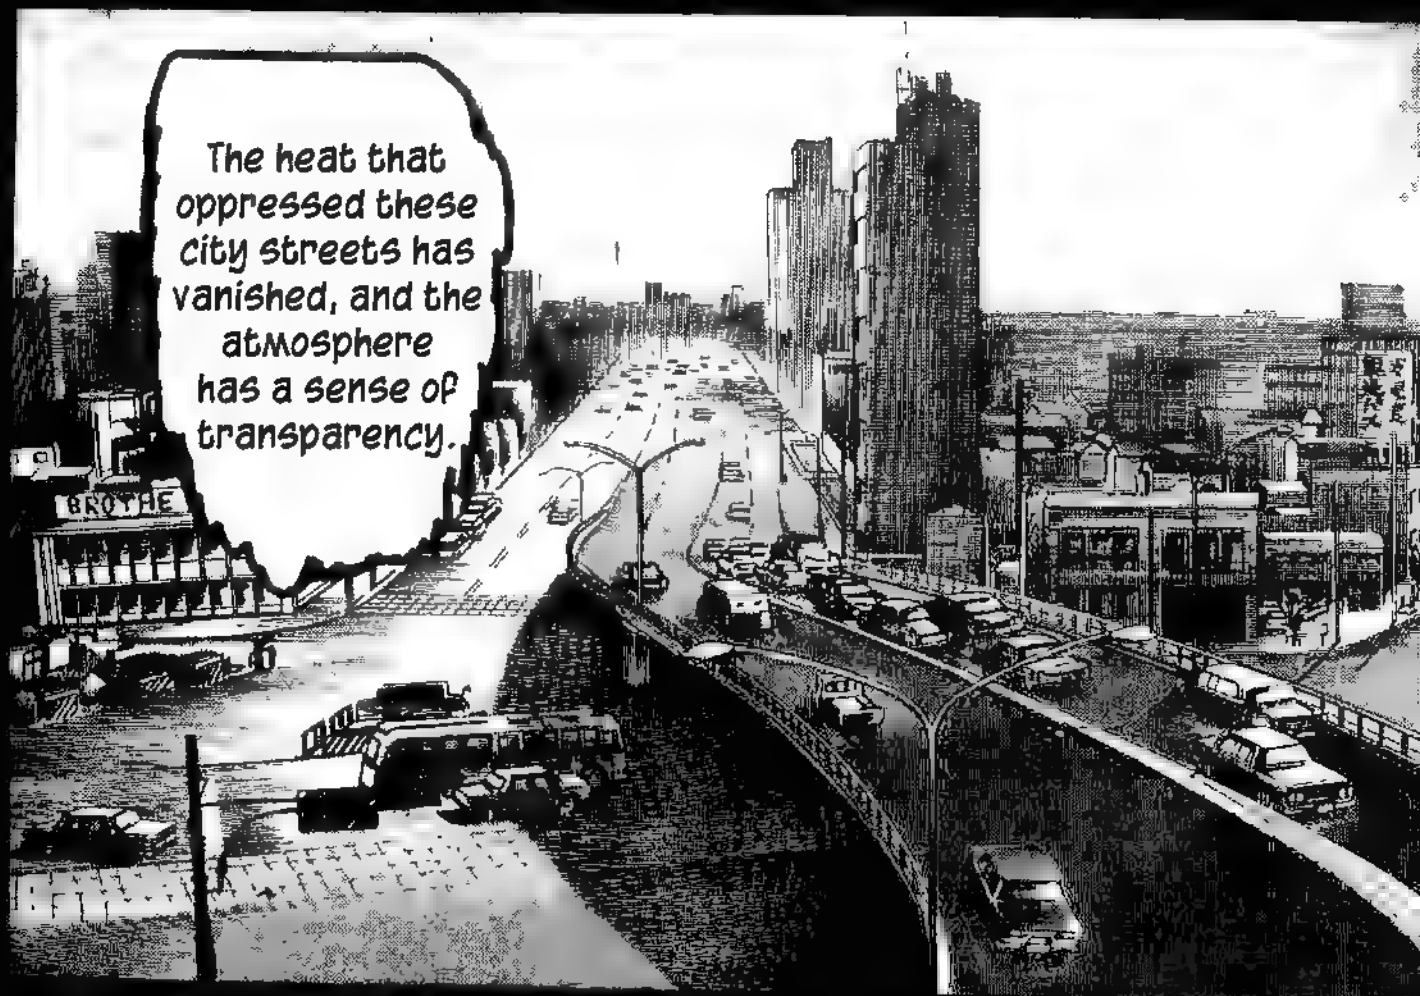

—END—

The heat that
oppressed these
city streets has
vanished, and the
atmosphere
has a sense of
transparency.

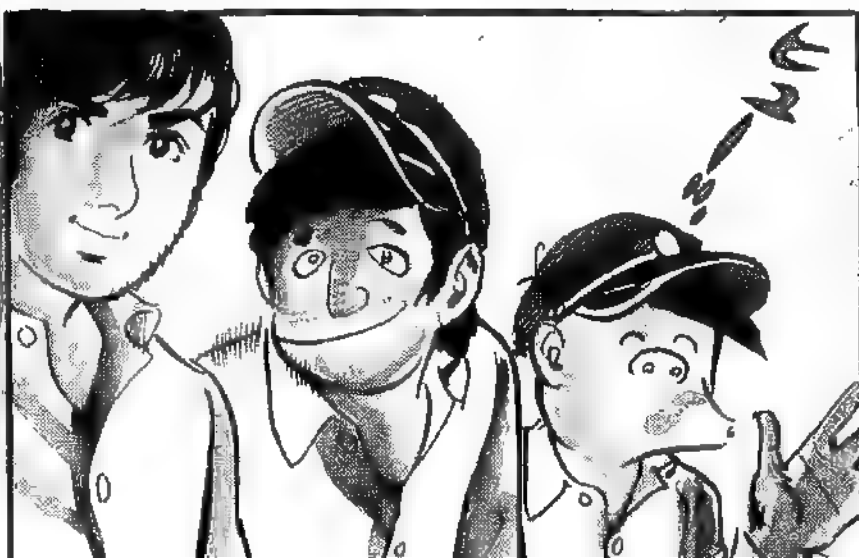

The Flowers of
autumn in the
flower beds in
the station
square were
competing for
the most
beautiful
color...

That's right...
It happened on such
a calm autumn day,
as I was coming
home from school
...

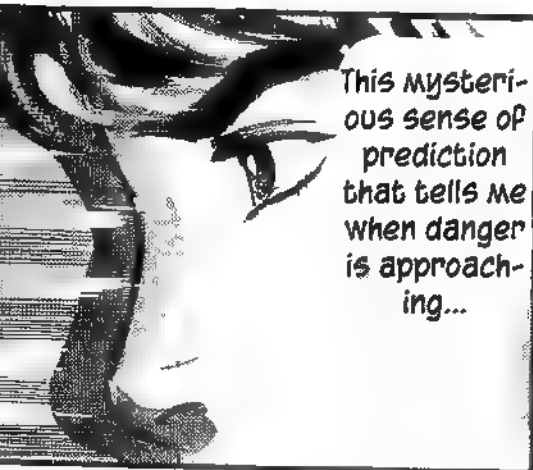

My
Spider-
sense is
really
tingling!

What's
going on!?
Why do I
feel uneasy
for no rea-
son?

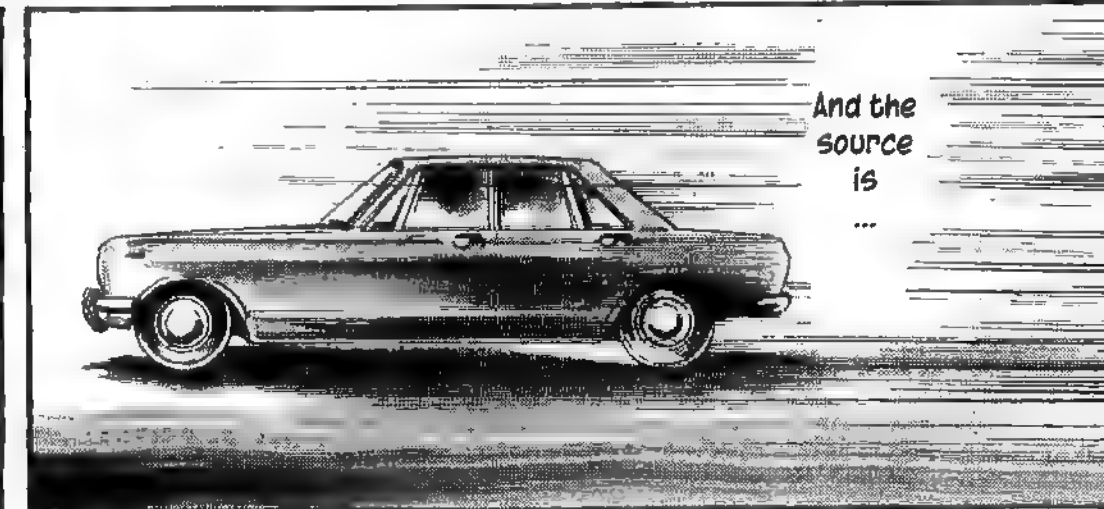

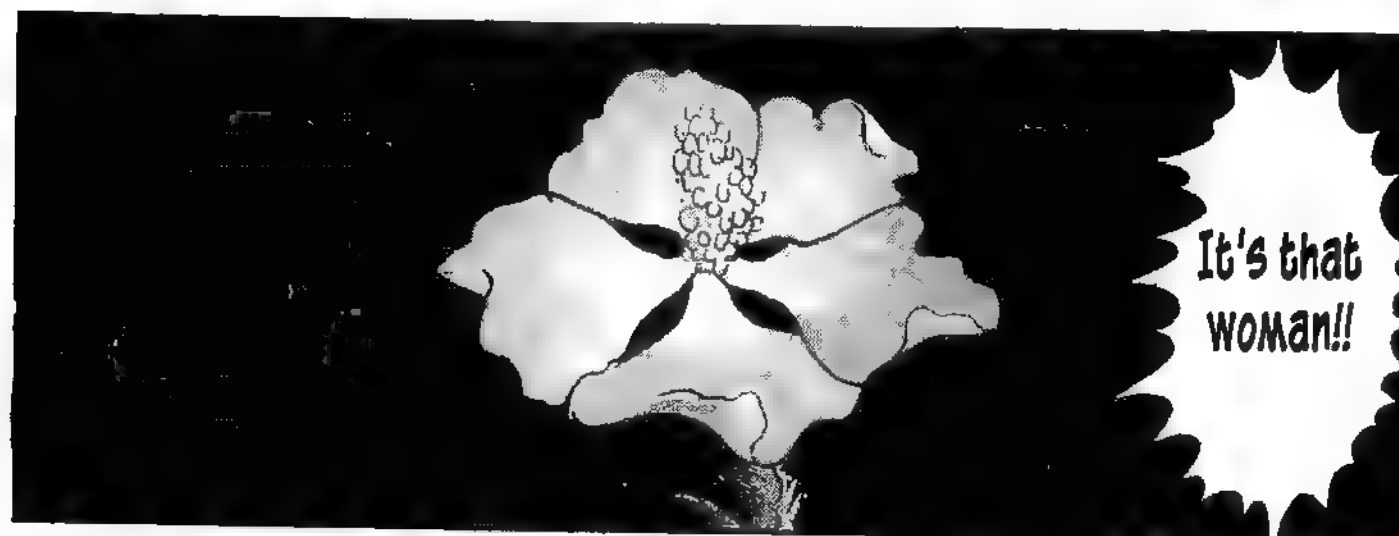

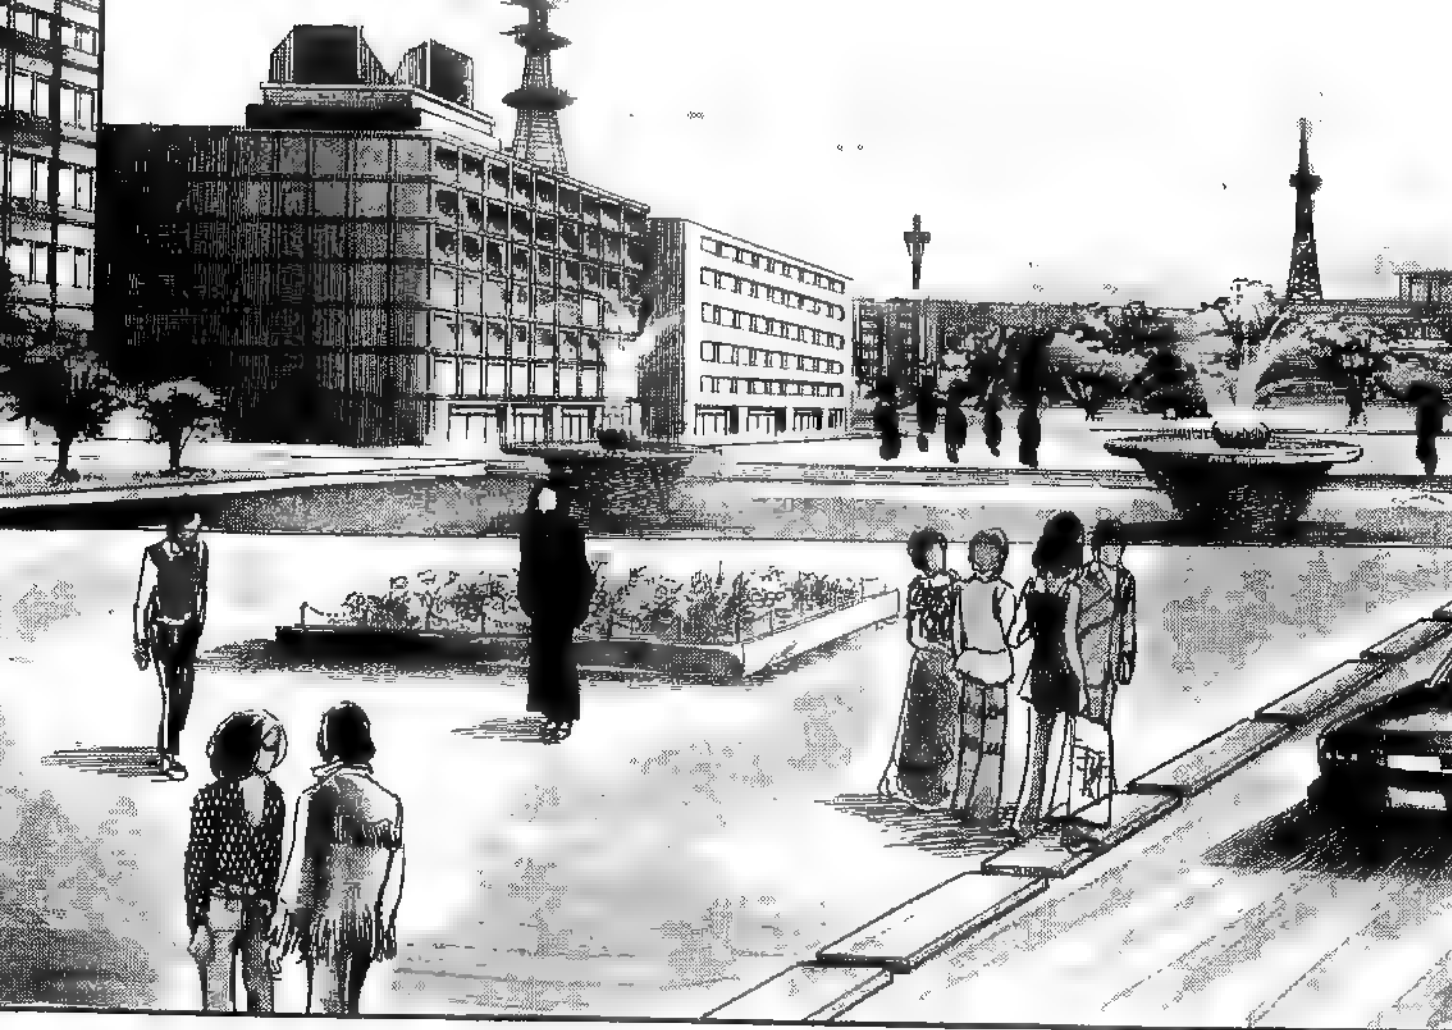

This mysteri-
ous sense of
prediction
that tells me
when danger
is approach-
ing...

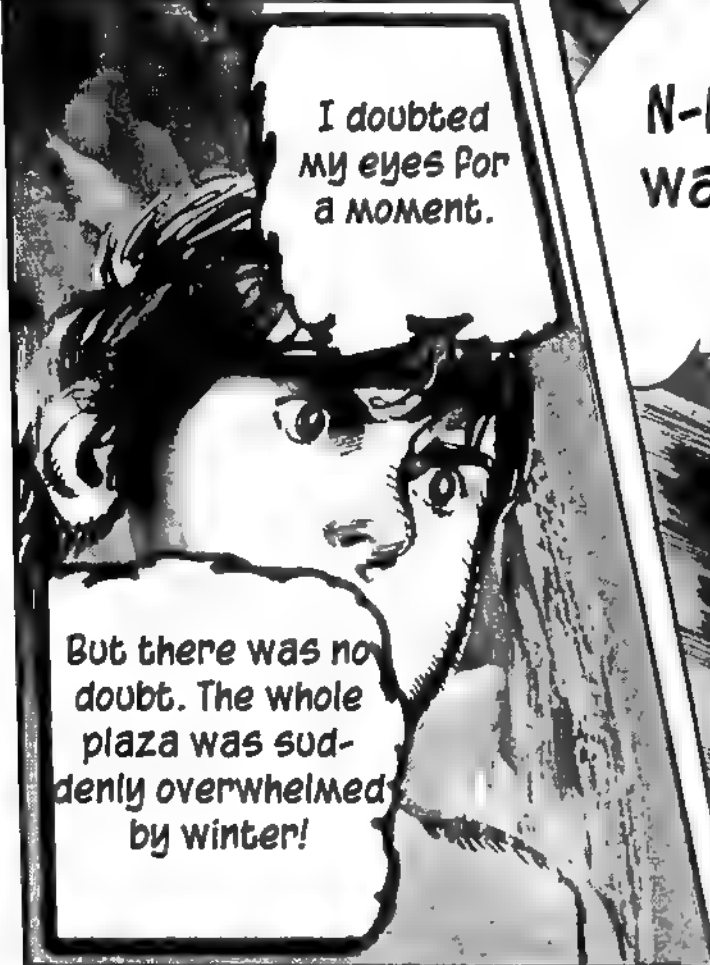

is over-
whelming
me!

I doubted
my eyes for
a moment.

N-No
way!

Huh!?

But there was no
doubt. The whole
plaza was sud-
denly overwhelmed
by winter!

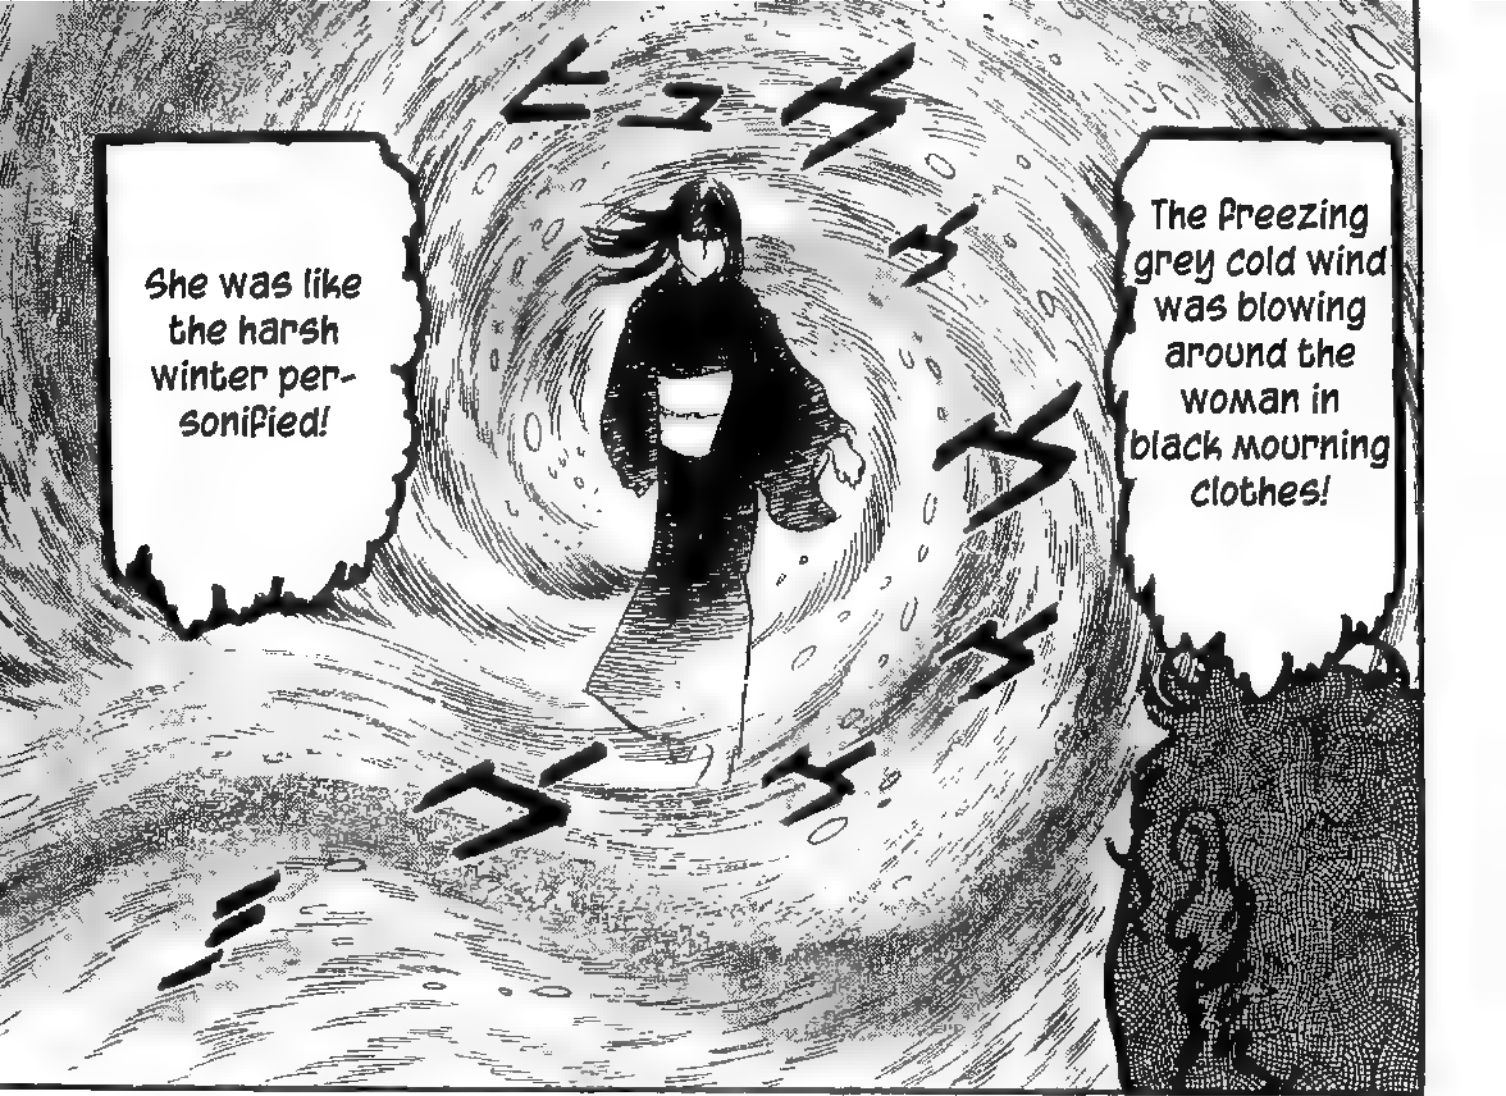

And it was just
like mid-winter,
with everything
painted grey!

And the Flow-
ers in the
Flowerbed
lost their
color and
wilted.

The Pountain
Froze into a
perfect arch
in Mid-air...

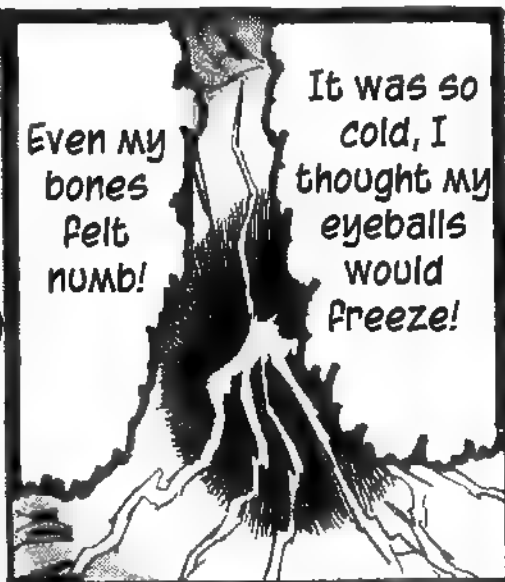

She was like
the harsh
winter per-
sonified!

The Freezing
grey cold wind
was blowing
around the
woman in
black mourning
clothes!

Was there some kind of fis-
sure to another dimension
where she was standing,
where the winter of the North
Pole was seeping through...?

It
crossed
the
domain
of hallu-
cinations
and
became
physical
pain...

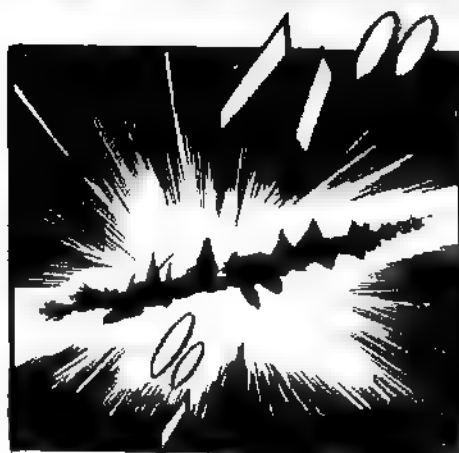

Even my
bones
felt
numb!

It was so
cold, I
thought my
eyeballs
would
freeze!

The cold air,
as sharp as
razor
blades,
whipped
around me!

But...
My body
was as
numb as an
icicle. I was
as stiff as
frozen fish.

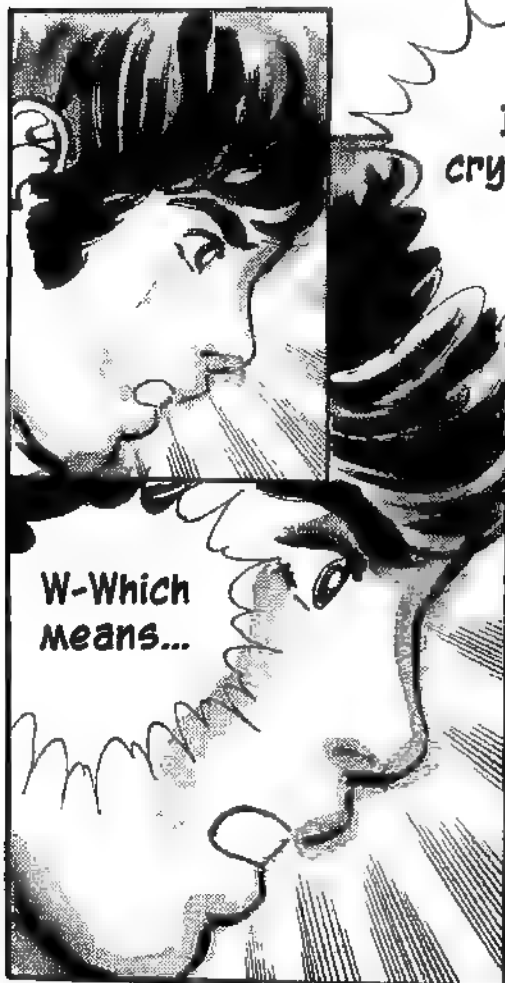

Suddenly, the ter-
rifying cold air
stopped, and it
felt like the sharp
fangs that had
bitten into me had
been taken out.

When I opened
my eyes, my
frozen eye-
lashes made a
crackling
sound...

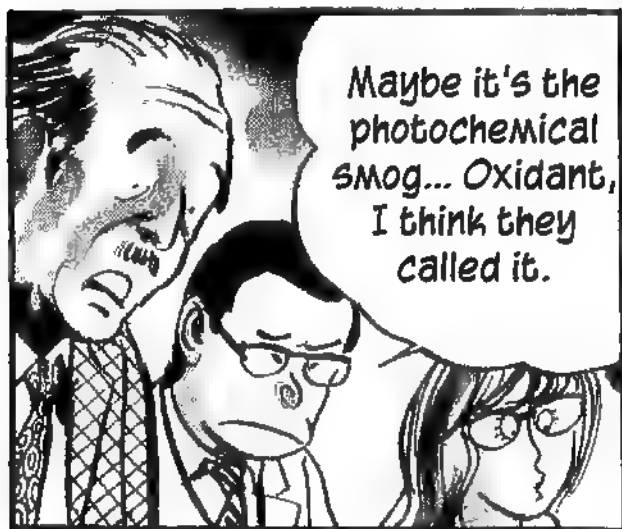

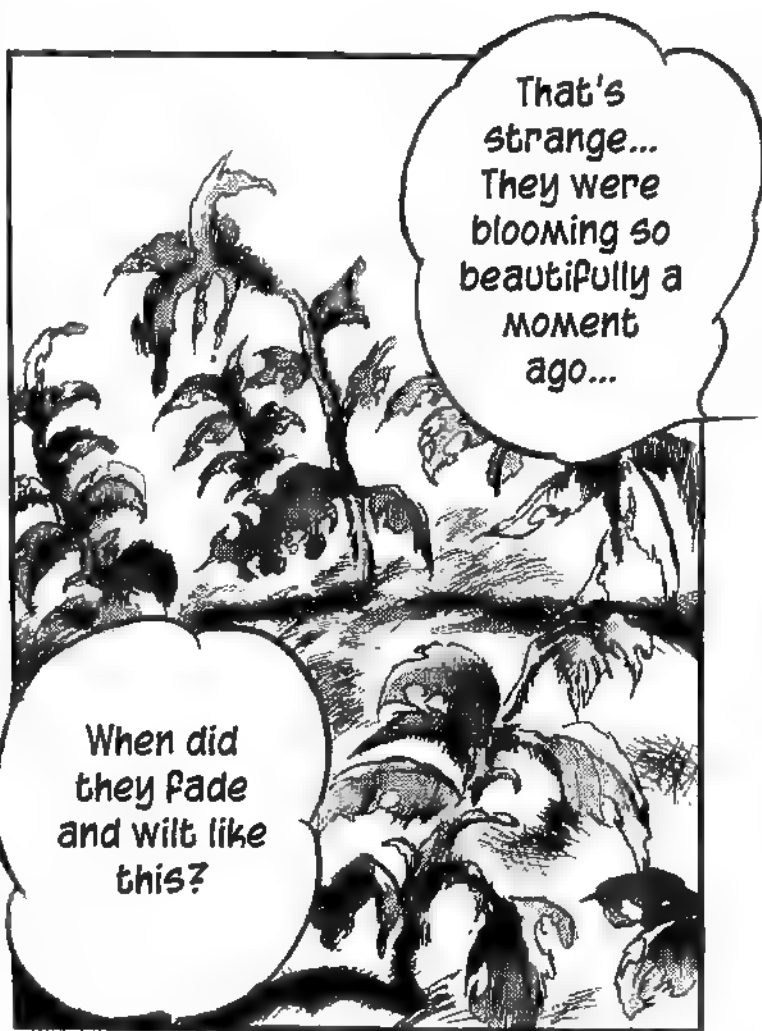

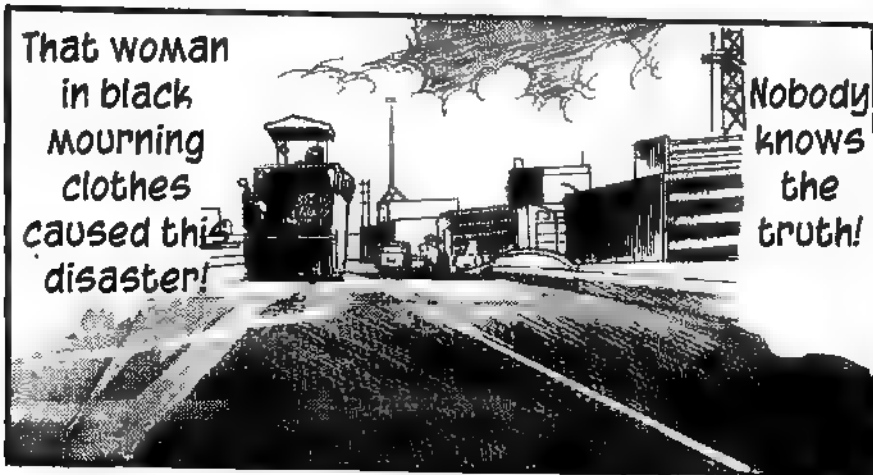

Ice crystals!

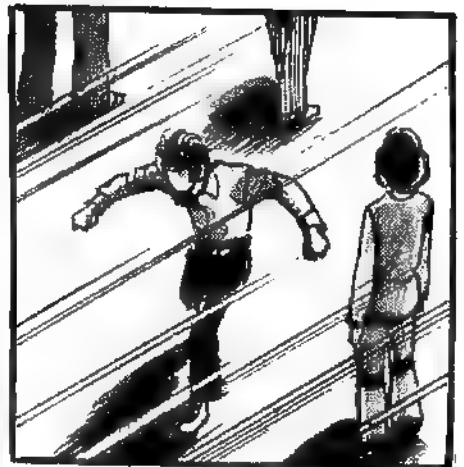

That woman
in black
mourning
clothes
caused this
disaster!

Nobody
knows
the
truth!

I could see it
because of
my super-
powers!

I saw it! I saw a
woman in a black
mourning dress wield
unimaginable magic...!

I'll call her
the Woman
of Winter...

A woman in
mourning clothes
who brings the
winter of the
north pole...

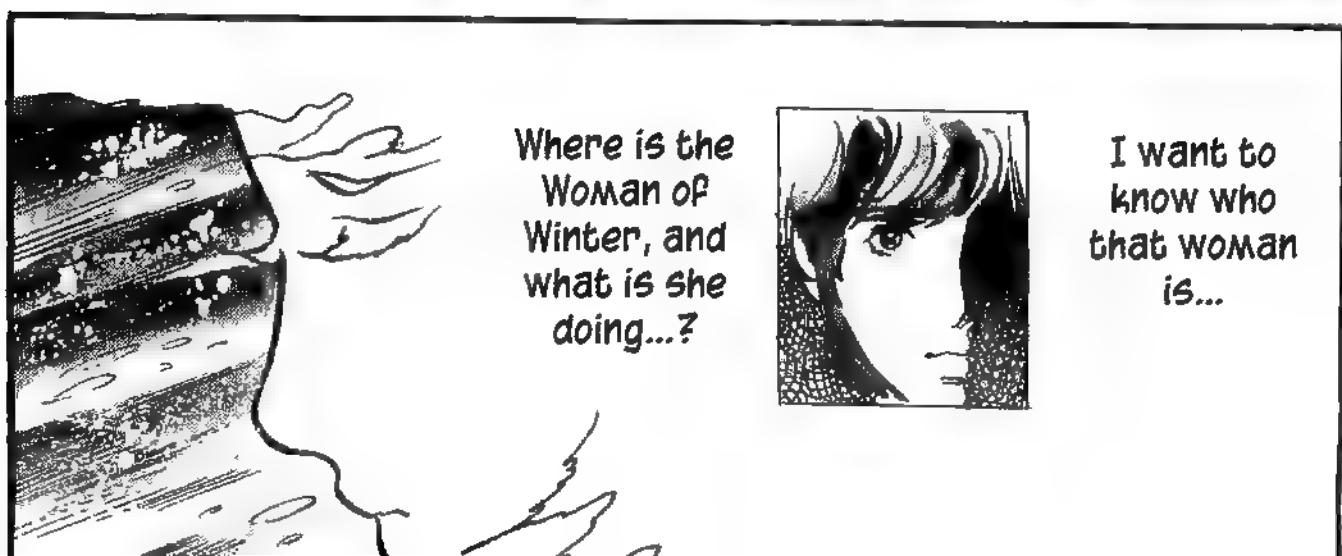

She's just as
real as I, the
superhero
Spider-Man,
am!

That was
no halluci-
nation...
The Woman
of Winter
is real!

And what's
the source
of her di-
sastrous
power?

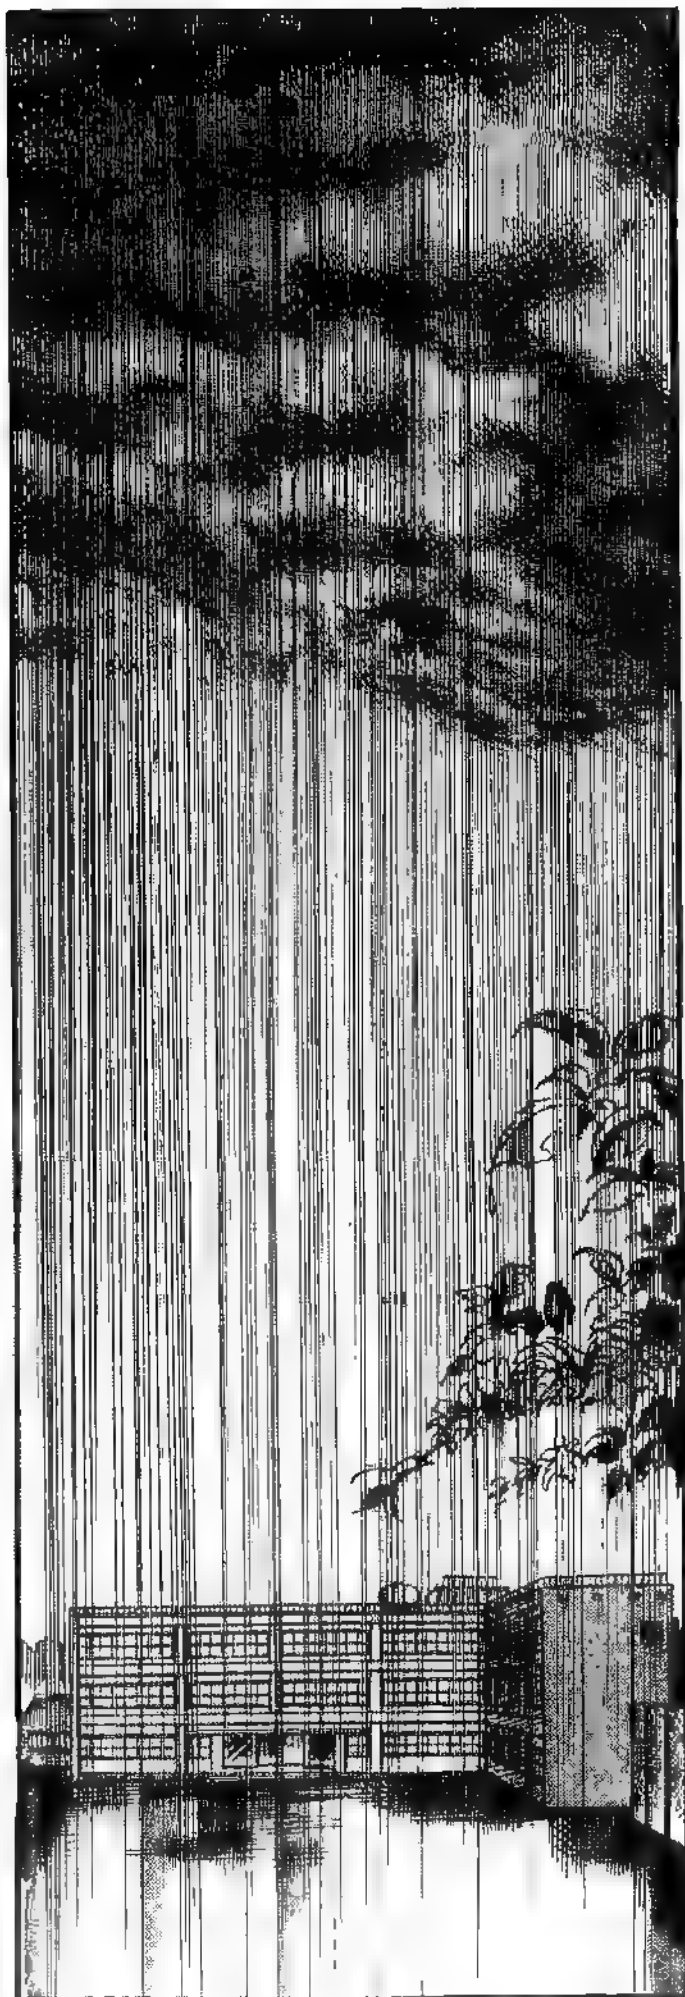

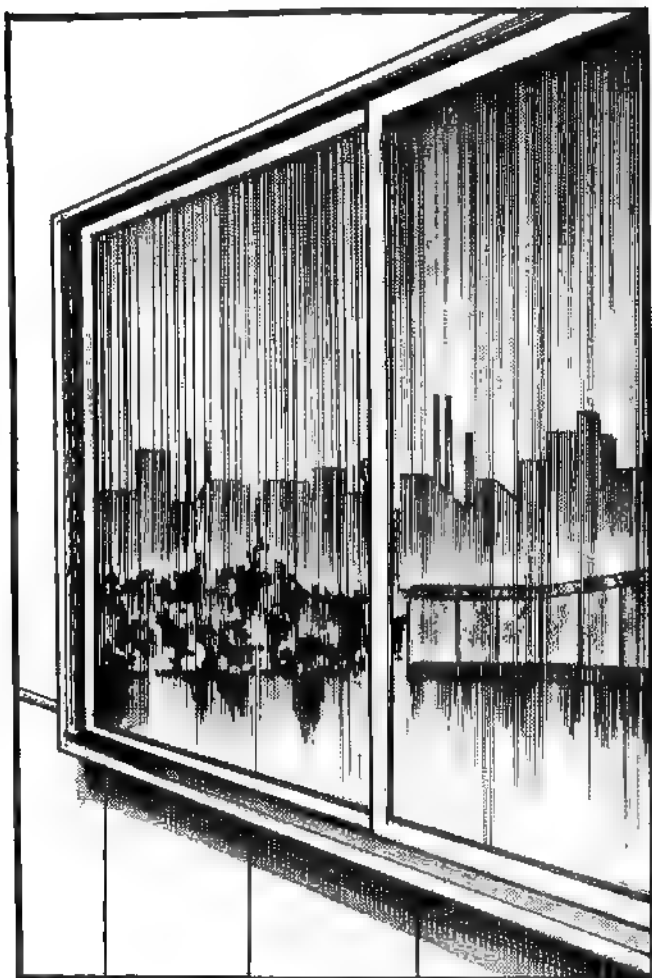

But who
is that
woman?

Where is the
Woman of
Winter, and
what is she
doing...?

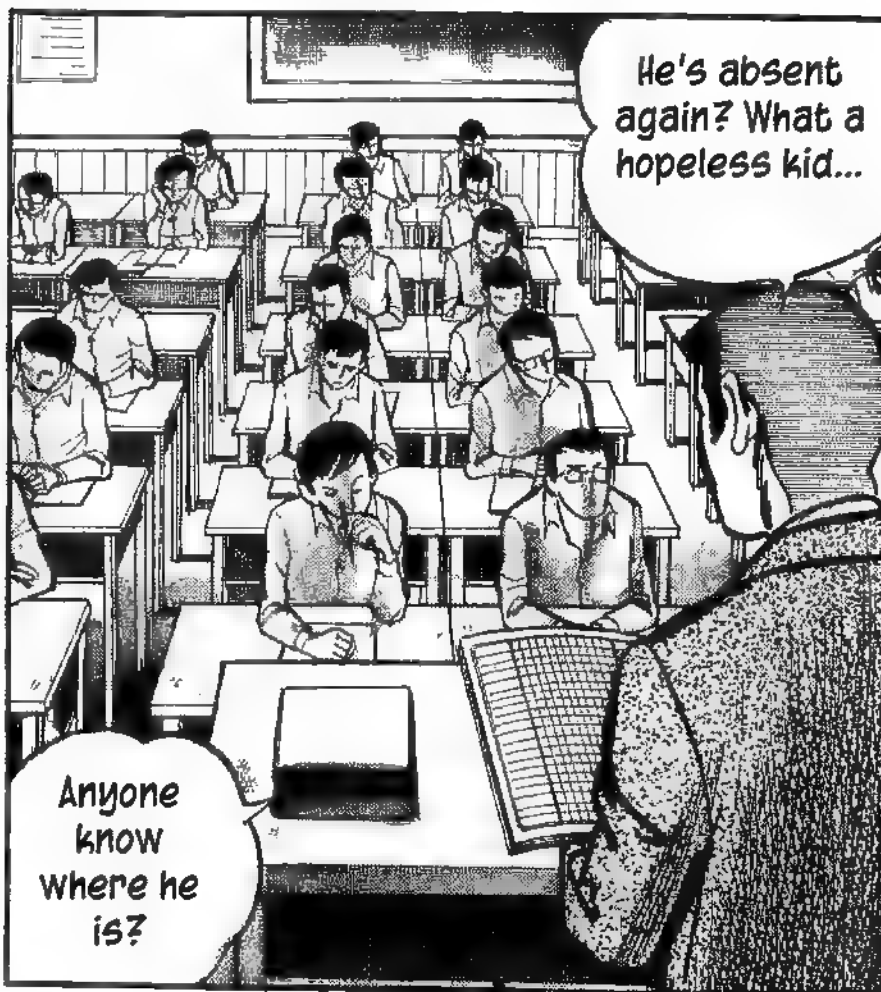

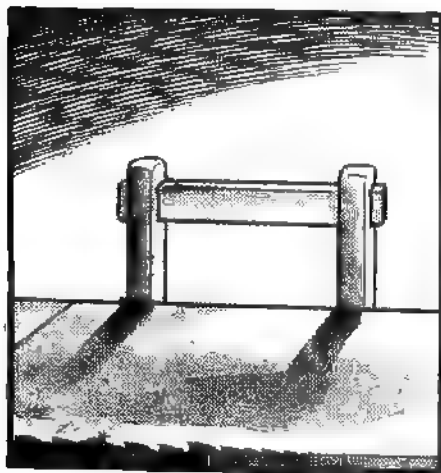

I want to
know who
that woman
is...

Anyone
know why
he's
truant...

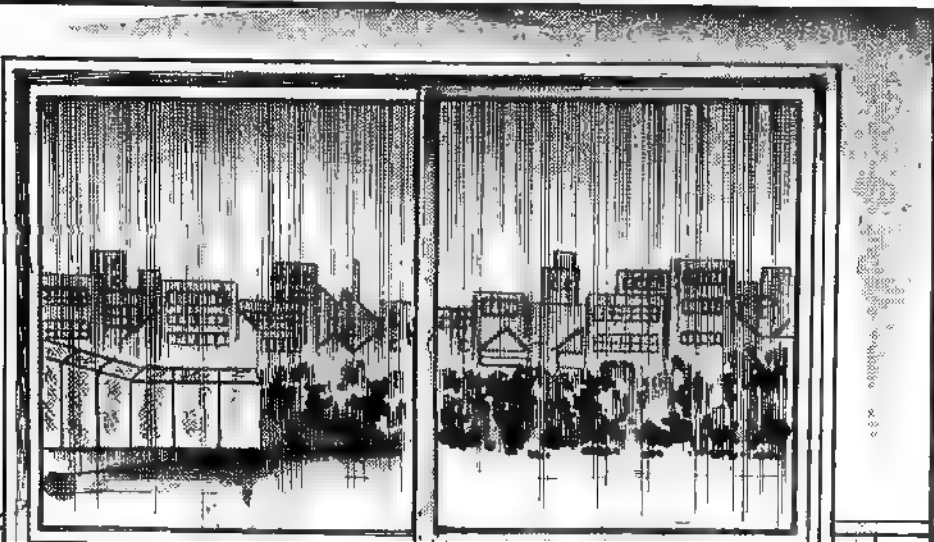

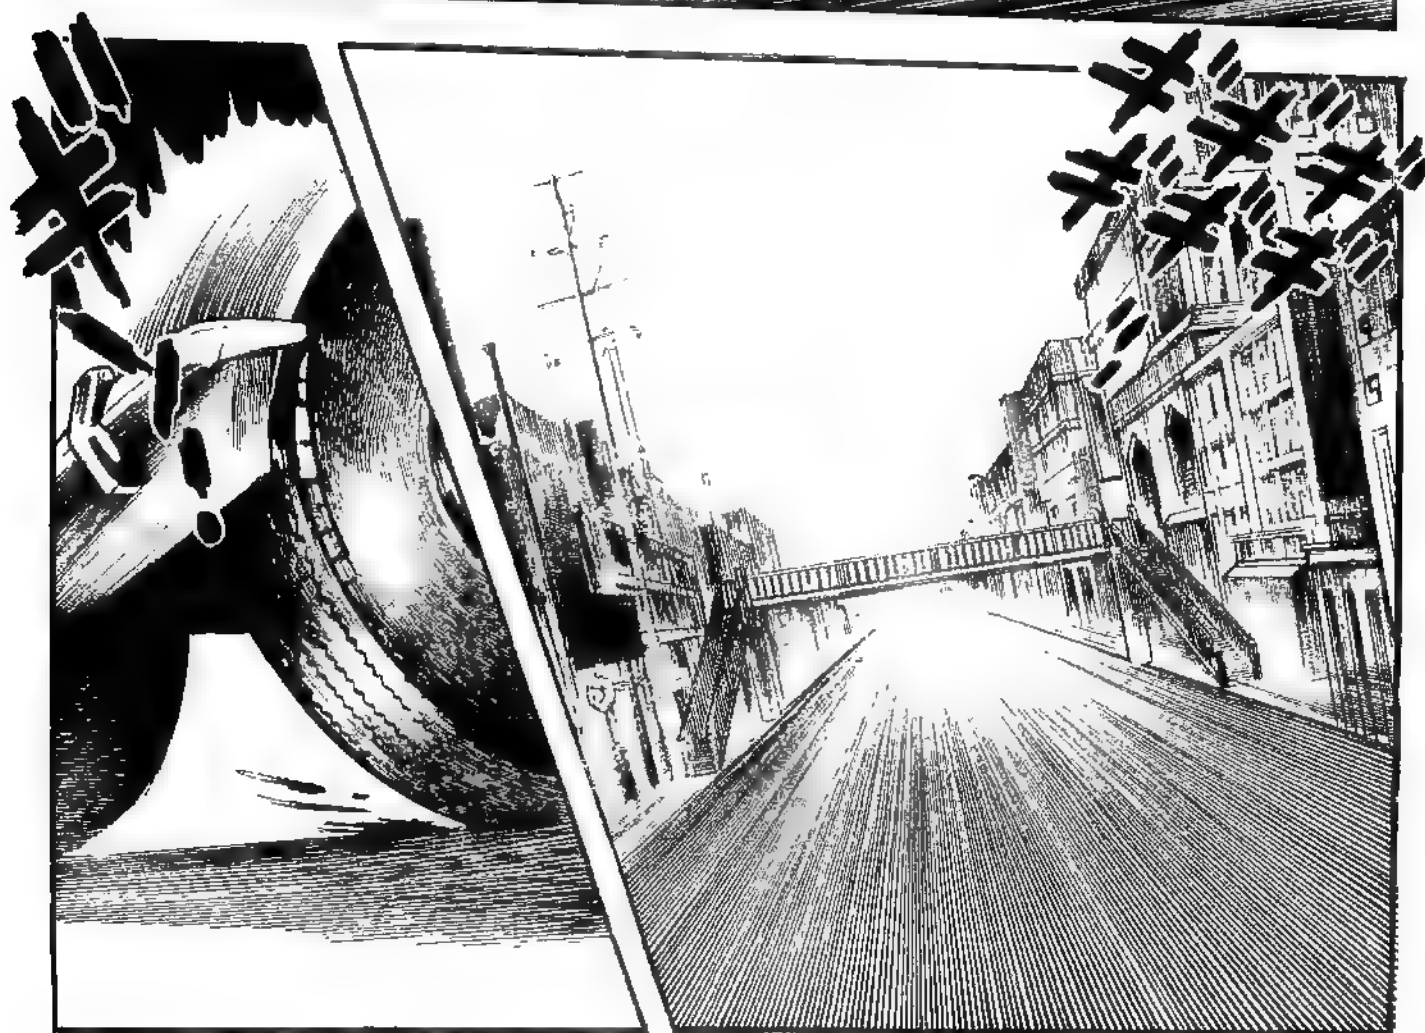

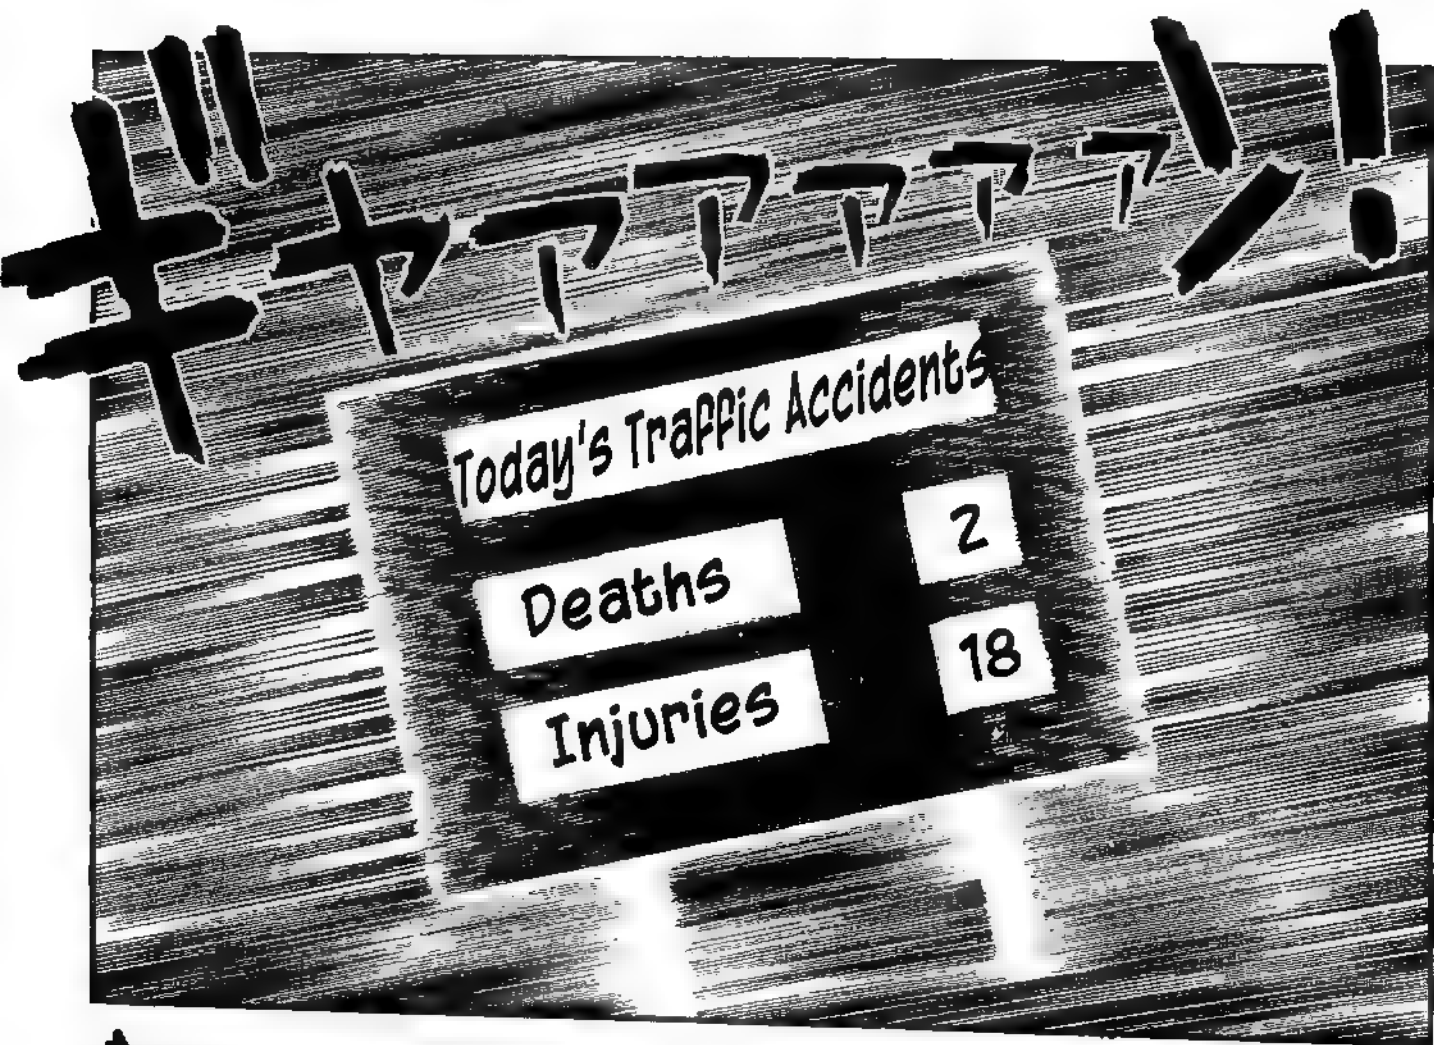

He's absent
again? What a
hopeless kid...

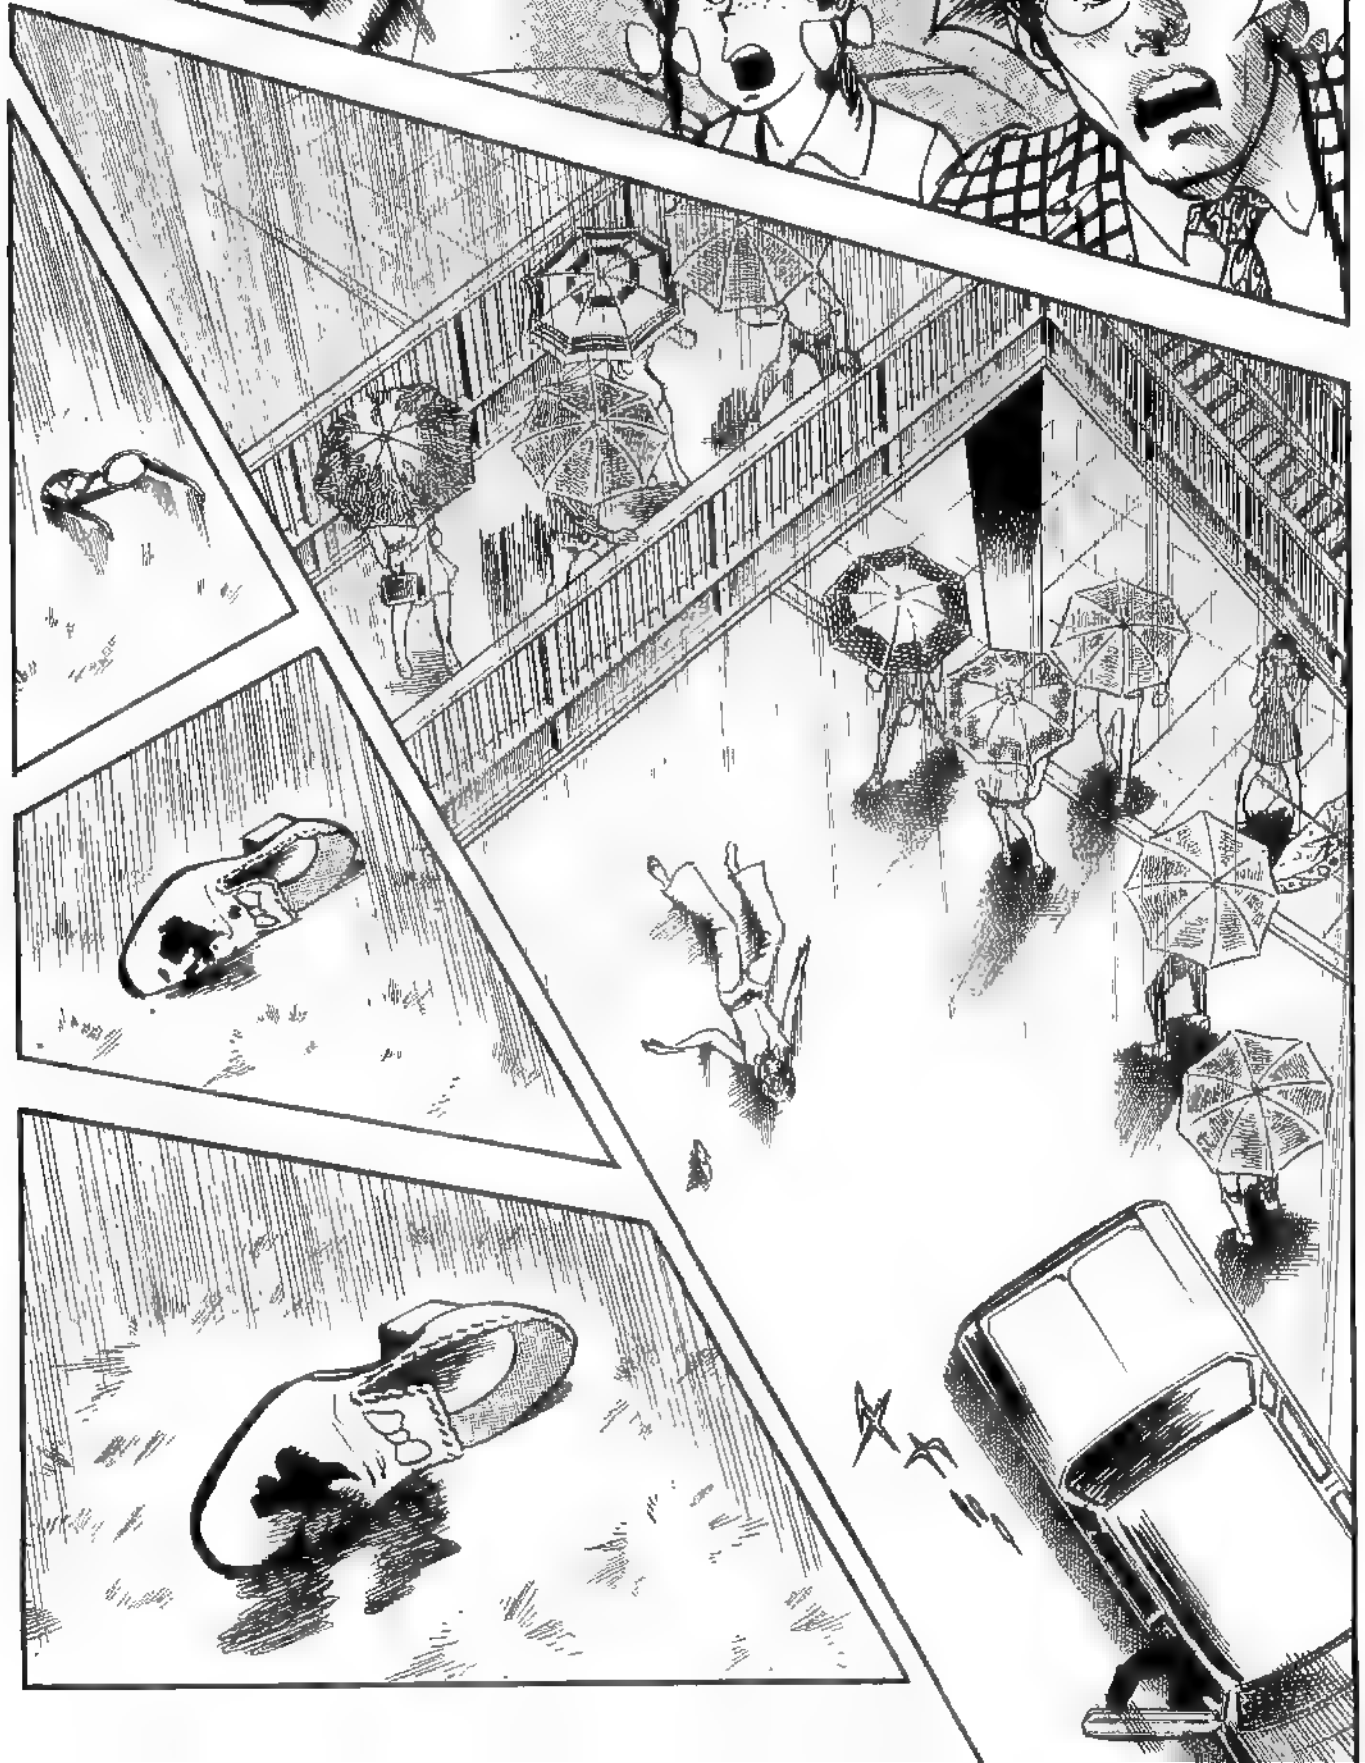

Anyone
know
where he
is?

I'll have to
bring this up at
the next staff
meeting...

She's
already
dead!

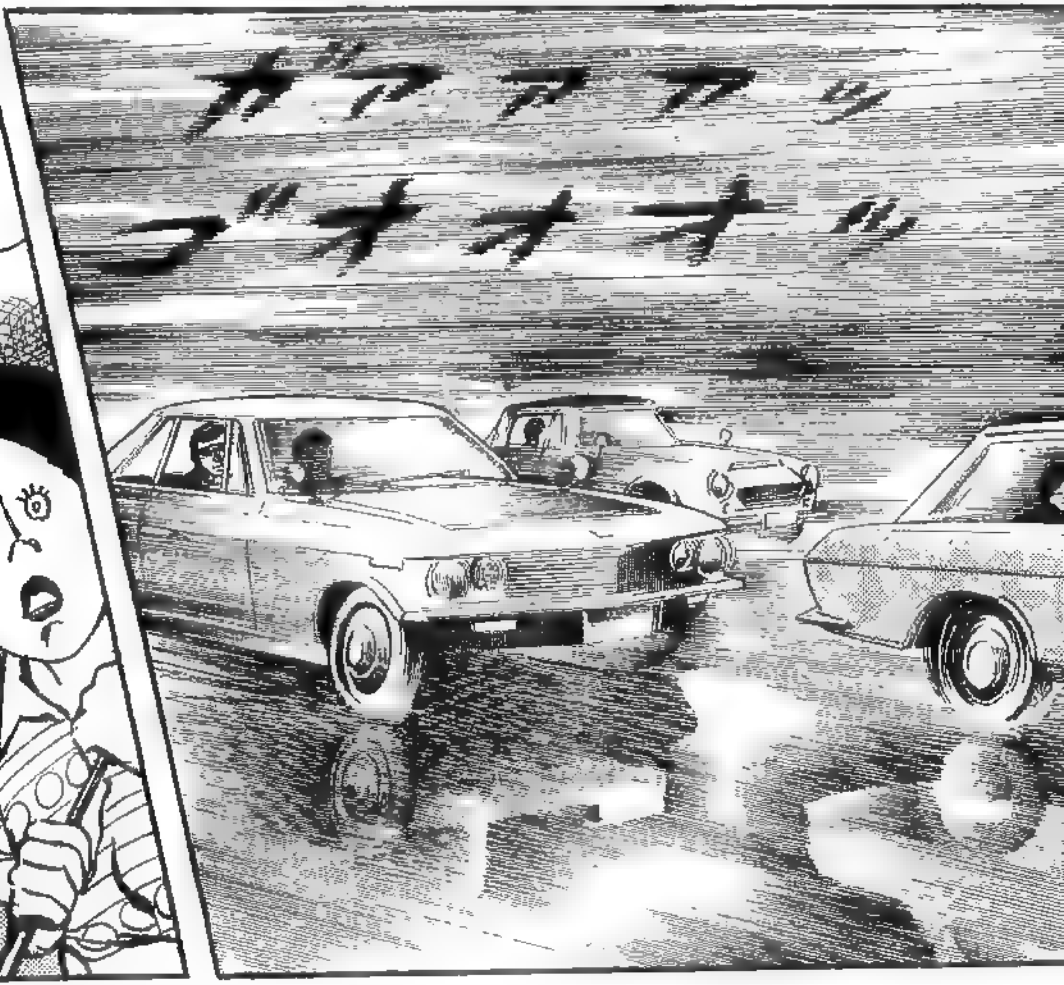

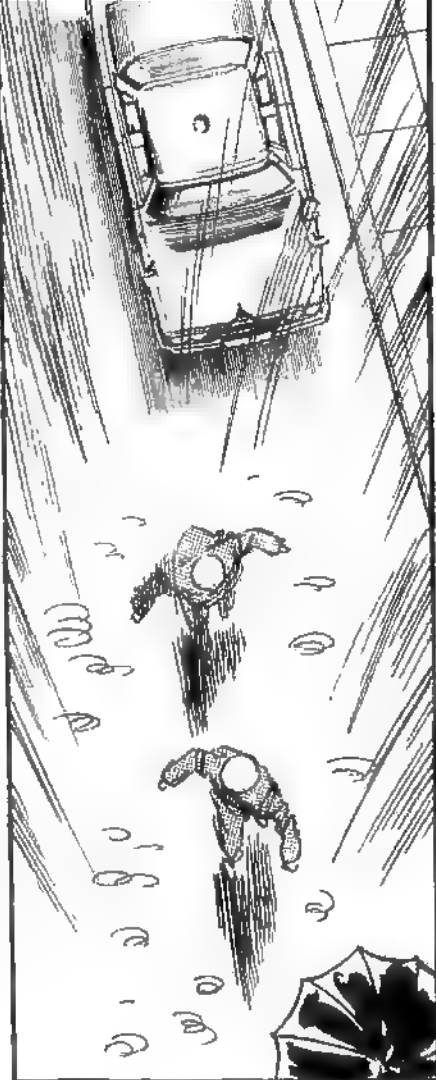

And on top of
that, the rain
made the road
wet, and the
car slipped...

She just jumped
onto the road
to cross, and
got hit in the
blink of an eye!

Where
are the
police!?

Hurry and
call them!

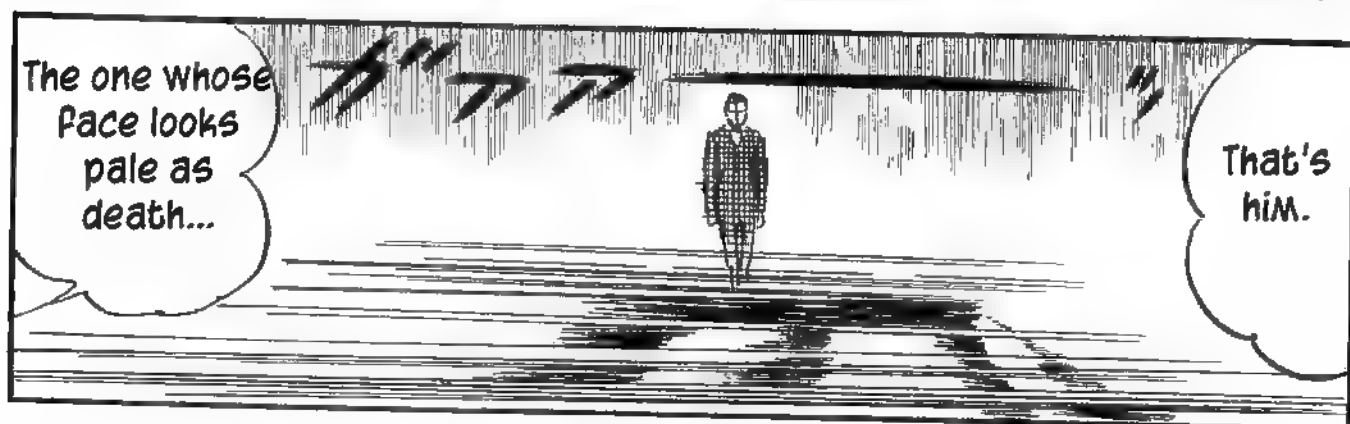

Ambulance!
Call an ambu-
lance!

Apparently,
her boyfriend
was on the
other side...
See?

There was a pedestrian bridge right by her, but... she seemed to be in a bit of a hurry.

The one whose
face looks
pale as
death...

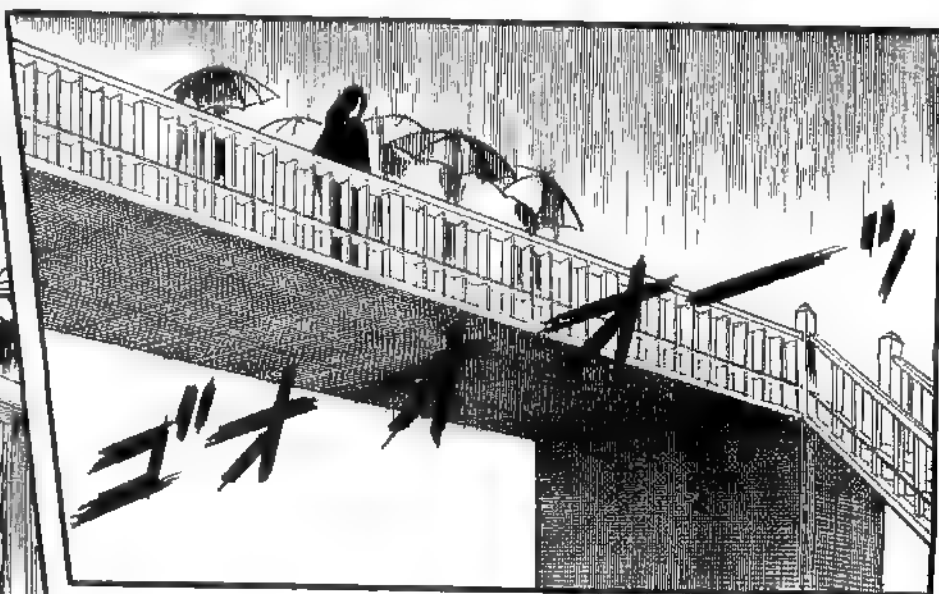

That's
him.

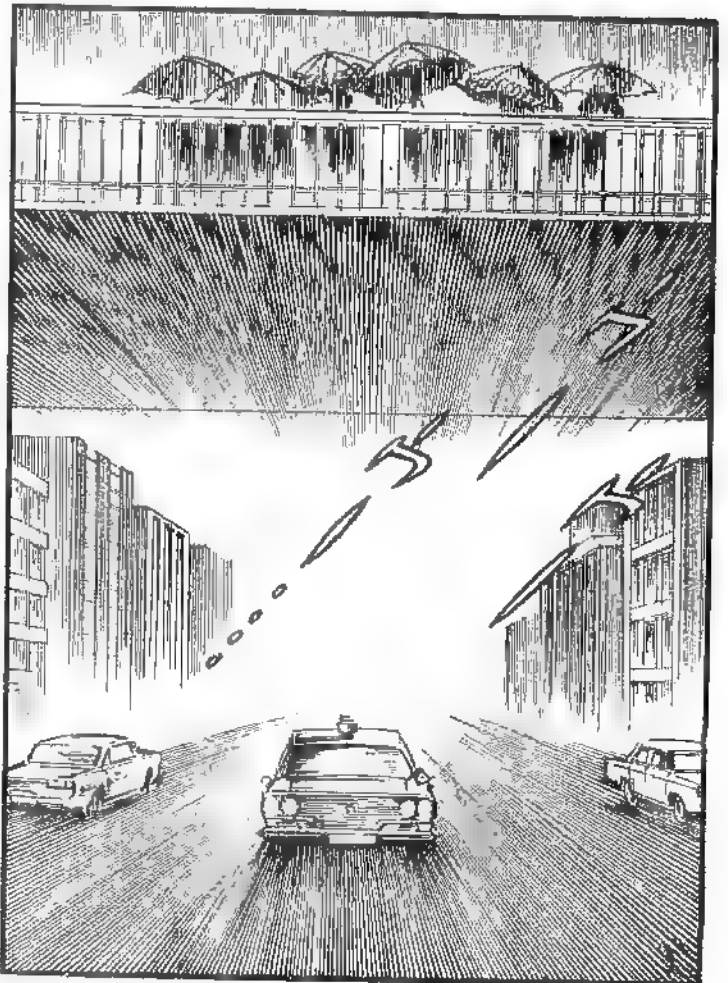

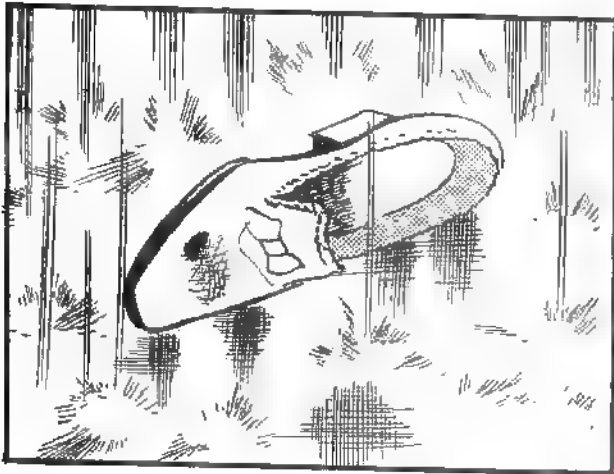

This wouldn't
have happened
if she'd taken
the pedestrian
bridge...

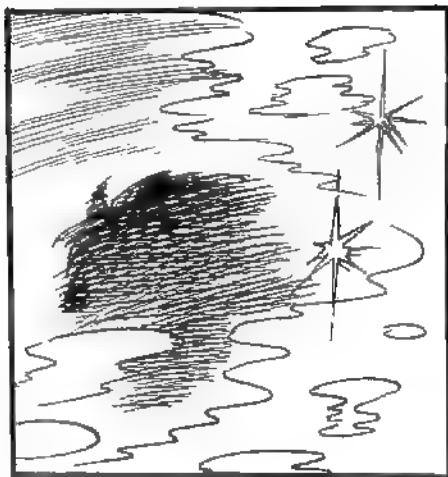

He looks like
he could col-
lapse any
second.

It must be
really hard
to see your
girlfriend
die before
your eyes...

I want to know why that woman brings the winter!

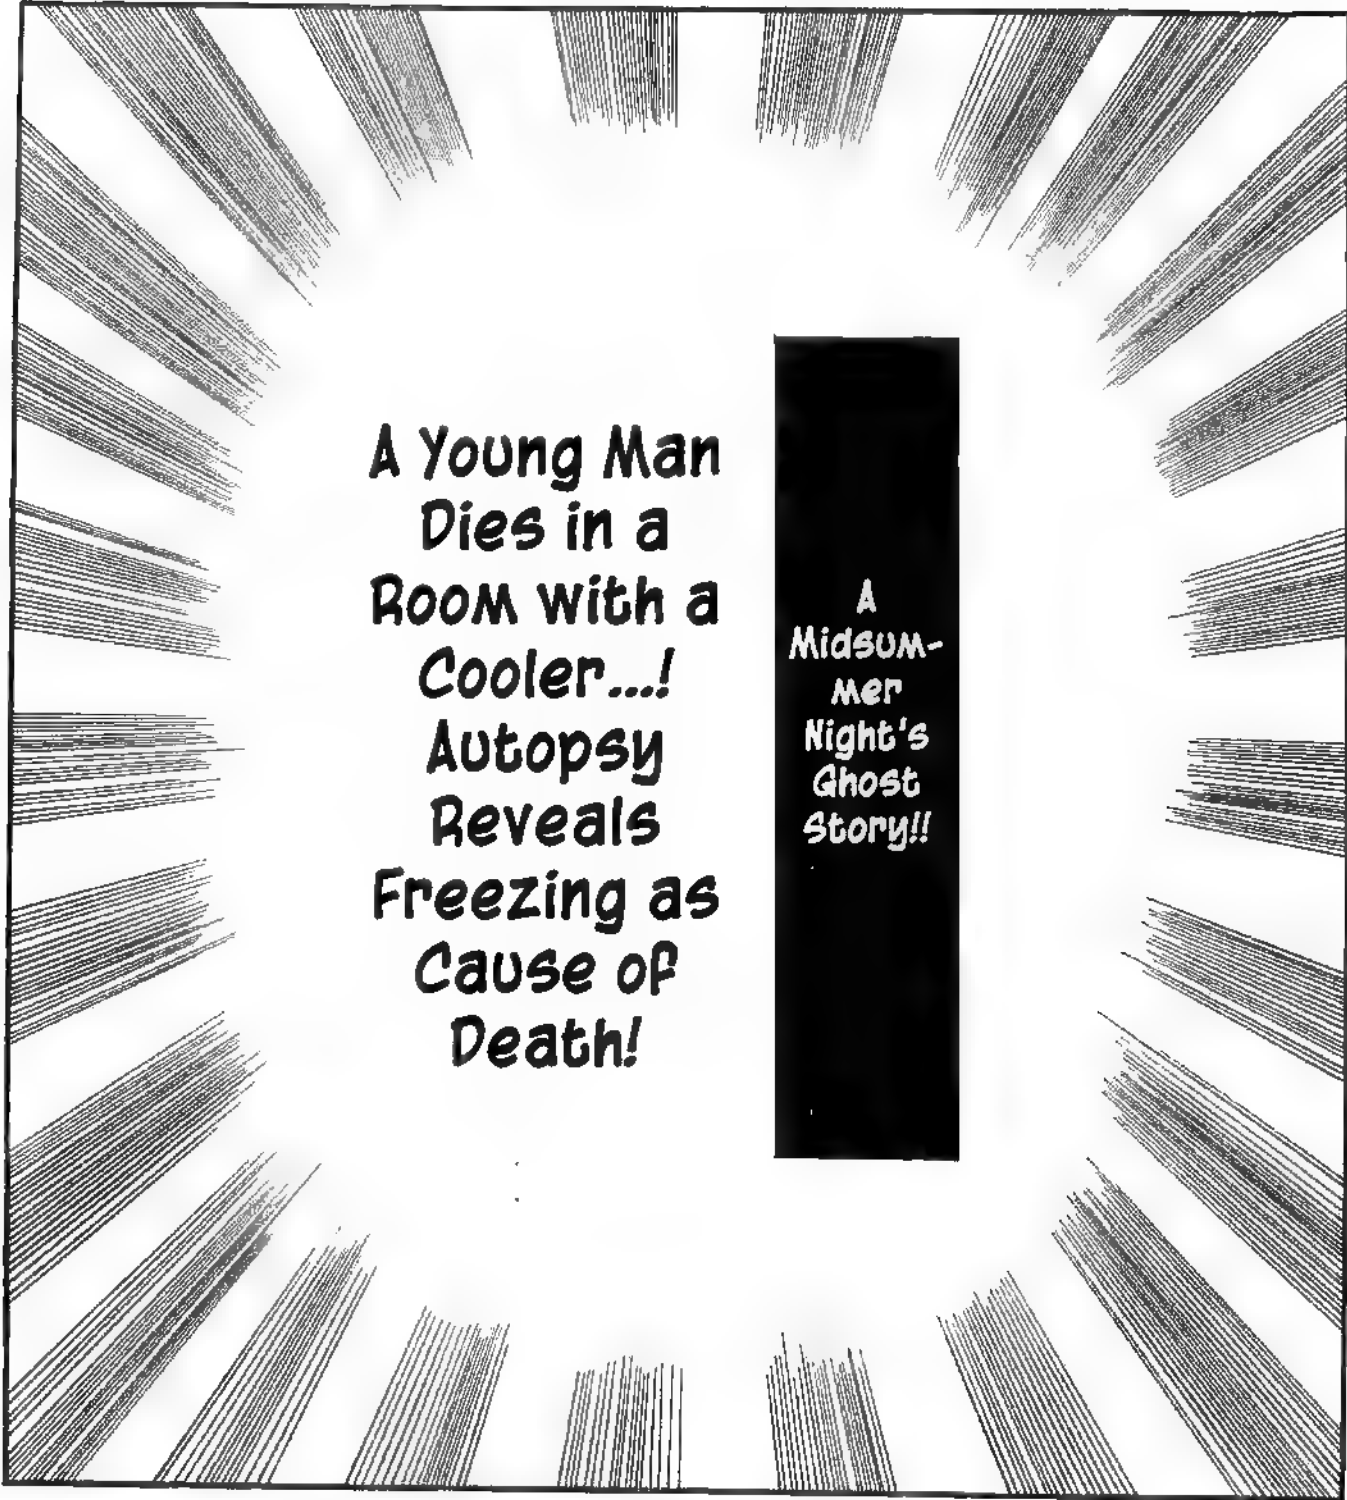

Please, Spider-sense! Let me meet the Woman of Winter again!

The
Woman of
Winter
did this!

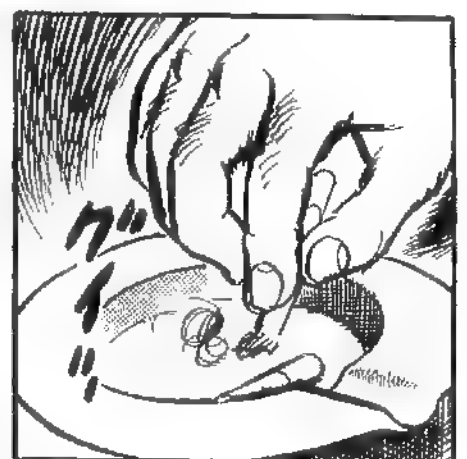

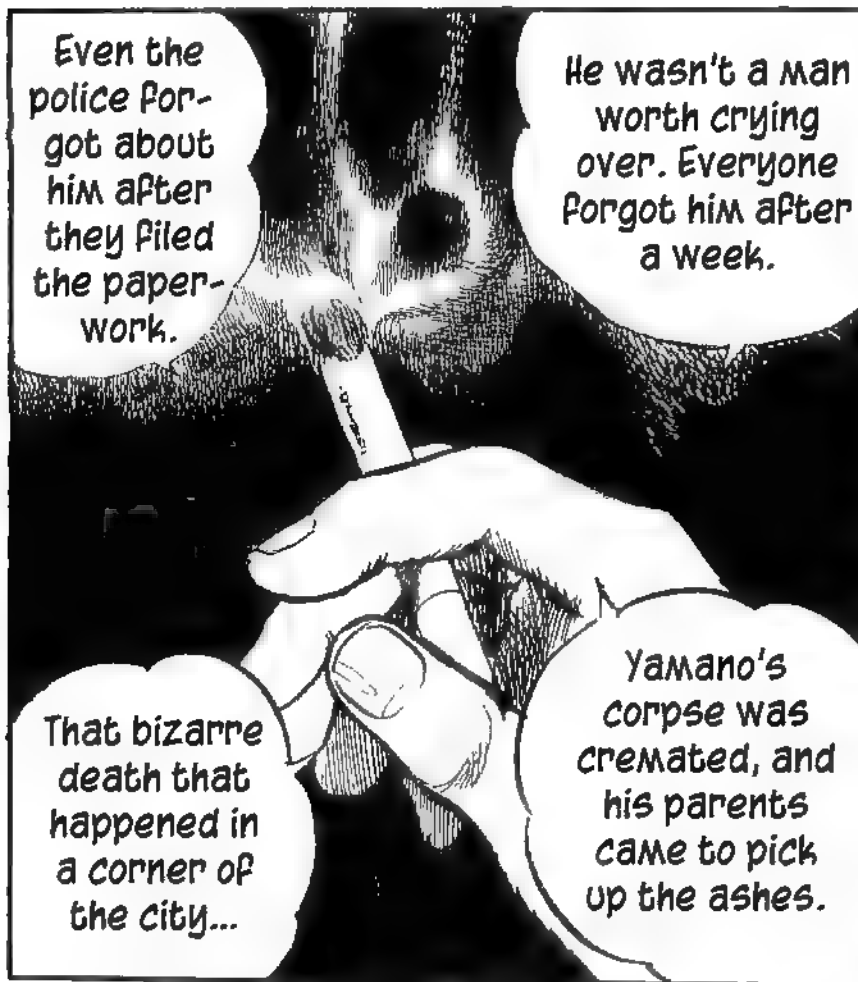

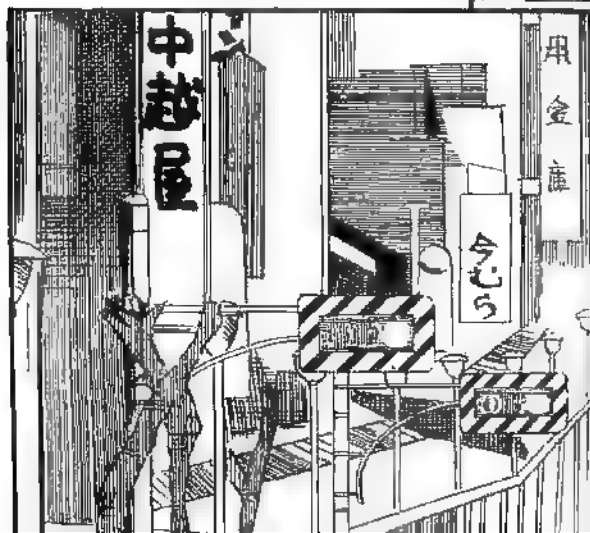

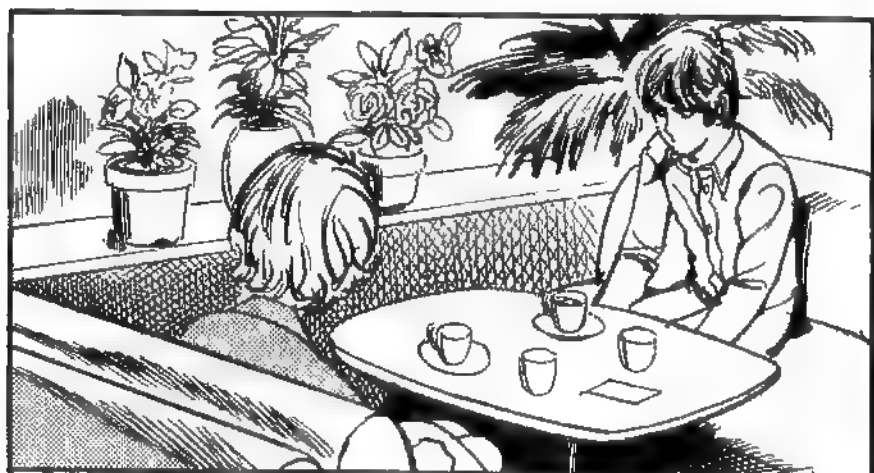

Sign: Editor's Room

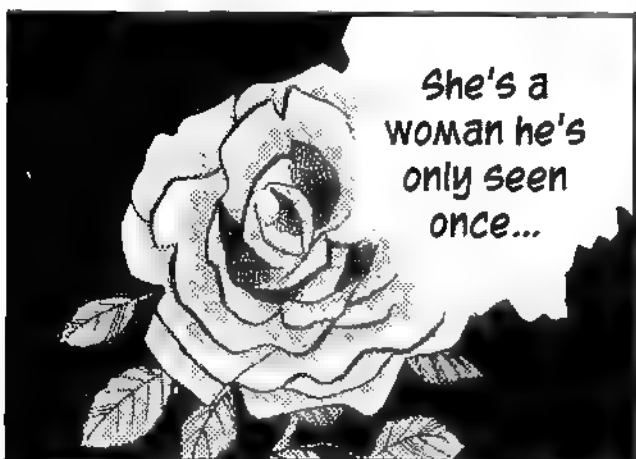

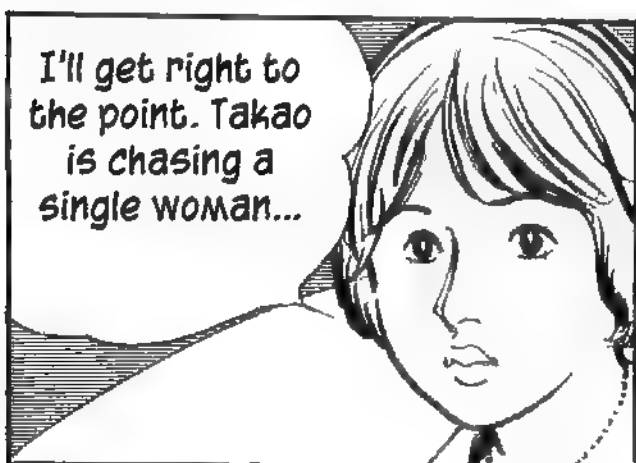

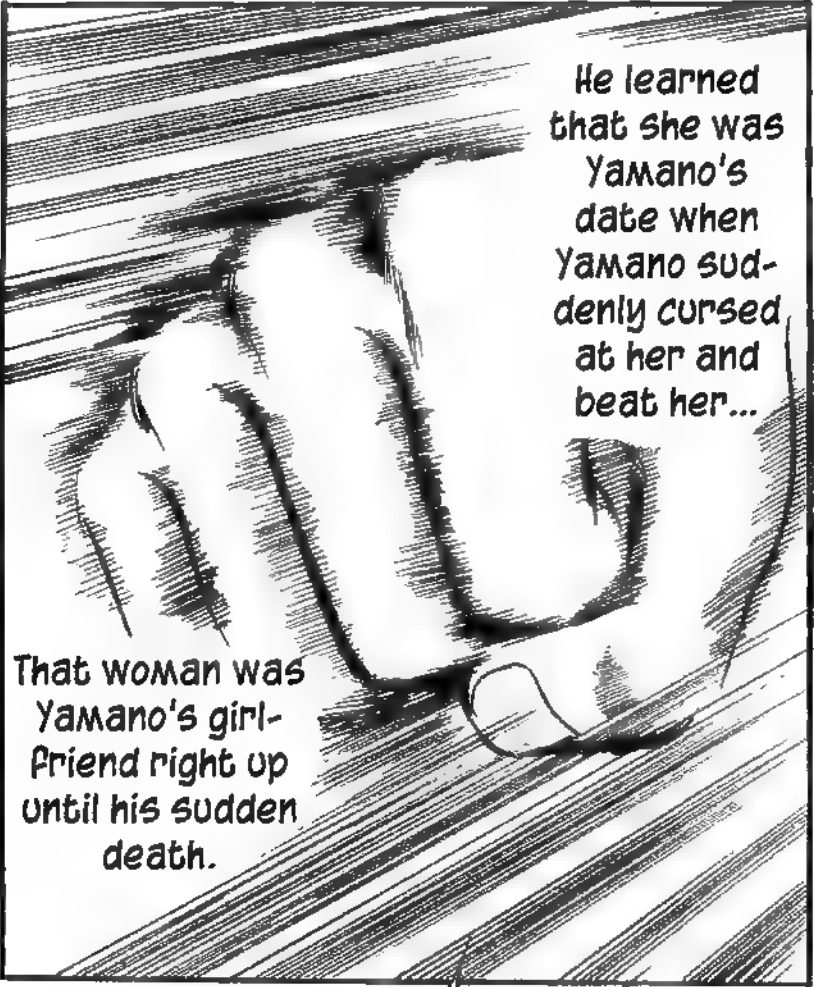

Sign: Bomba

He learned
that she was
Yamano's
date when
Yamano sud-
denly cursed
at her and
beat her...

That woman was
Yamano's girl-
friend right up
until his sudden
death.

BAM!

He saw that woman
at a snack bar he
happened upon, on a
muggy summer
night.

A beautiful
woman with a
sad face...

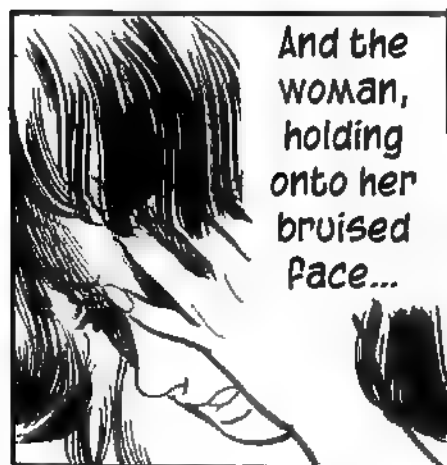

Almost like
a demon
baring its
wicked-
ness...

At that
moment,
Yamano's
handsome
face was
twisted
with
hatred
...

Get lost!
I never want
to see your
face again!

And the
woman,
holding
onto her
bruised
face...

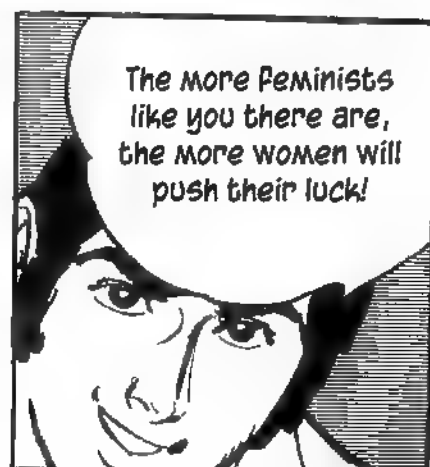

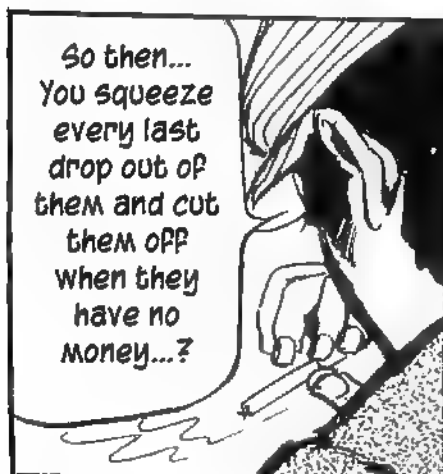

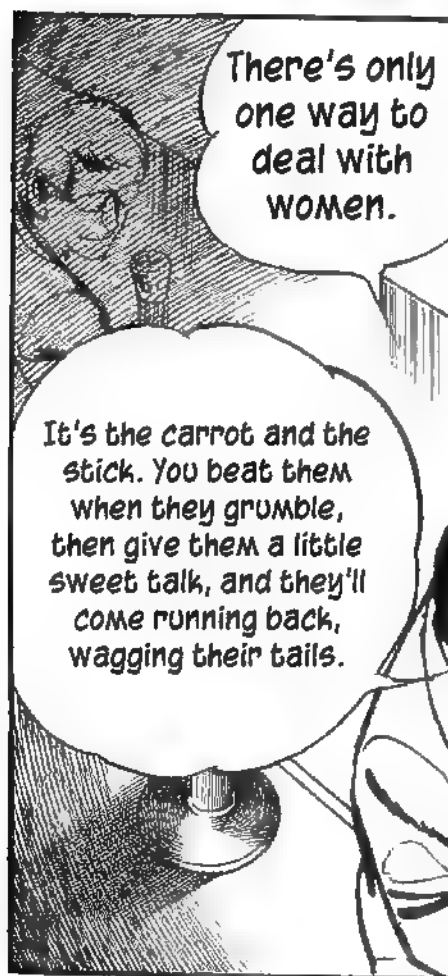

She's not a
single woman!
Why the hell does
she get so puffed
up when I go a
little easy on
her!?

That bitch
got what
she de-
served!

got up
slowly
and
left
the
store

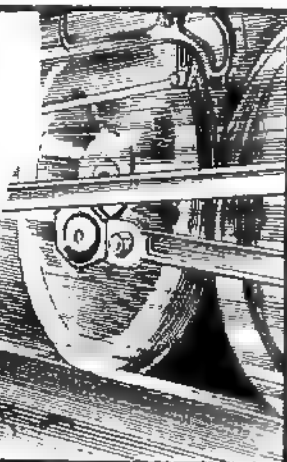

He tried to ask Yamano's parents, who came to Tokyo to pick up the ashes, what the woman's name and address were...

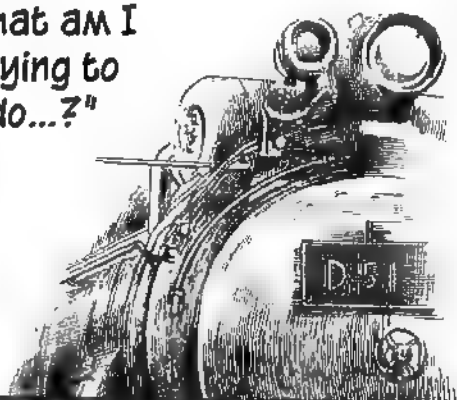

Takao told me a little bit more.

"What good will finding that woman do?"

He thought "What am I trying to do...?"

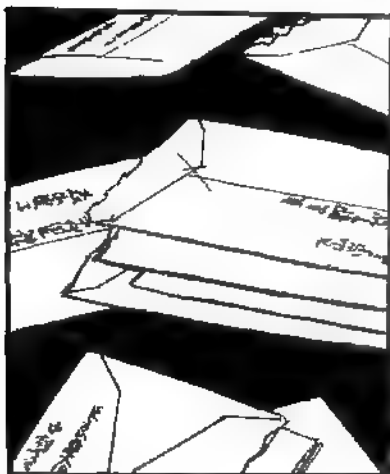

But when he saw the parents, with shoulders slumped in despair, he was filled with an indescribable sense of futility...

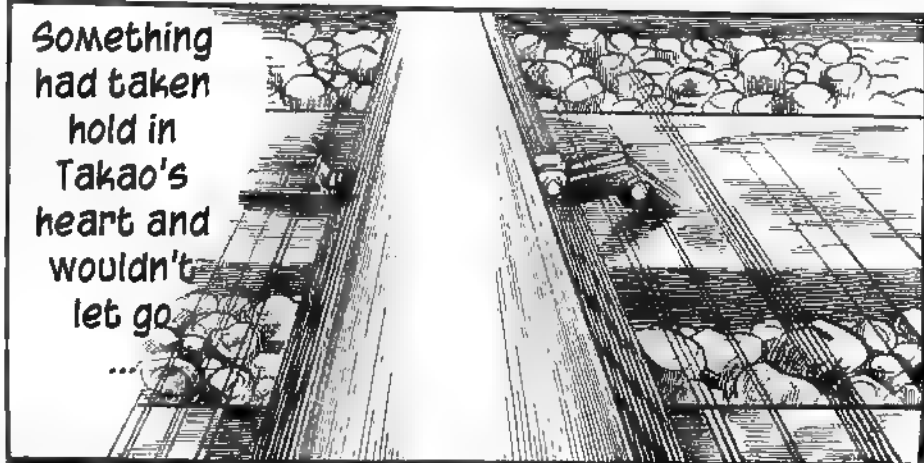

But ...

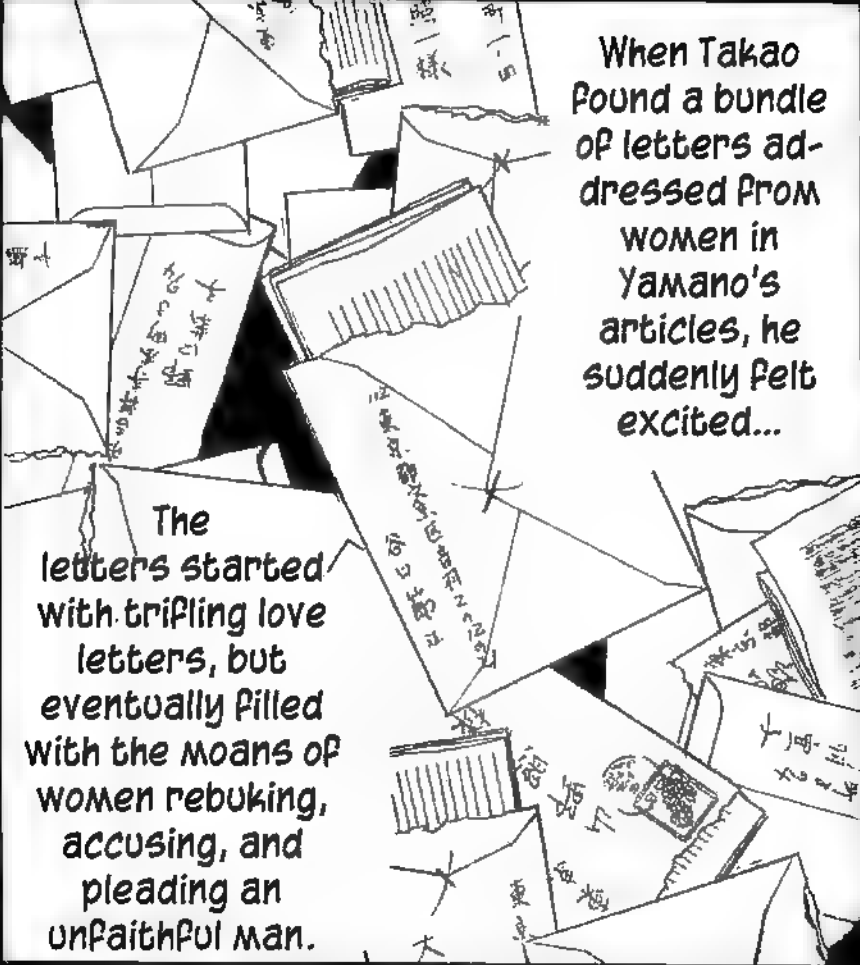

Takao couldn't even understand himself...

Something had taken hold in Takao's heart and wouldn't let go...

When Takao
Found a bundle
of letters ad-
dressed from
women in
Yamano's
articles, he
suddenly felt
excited...

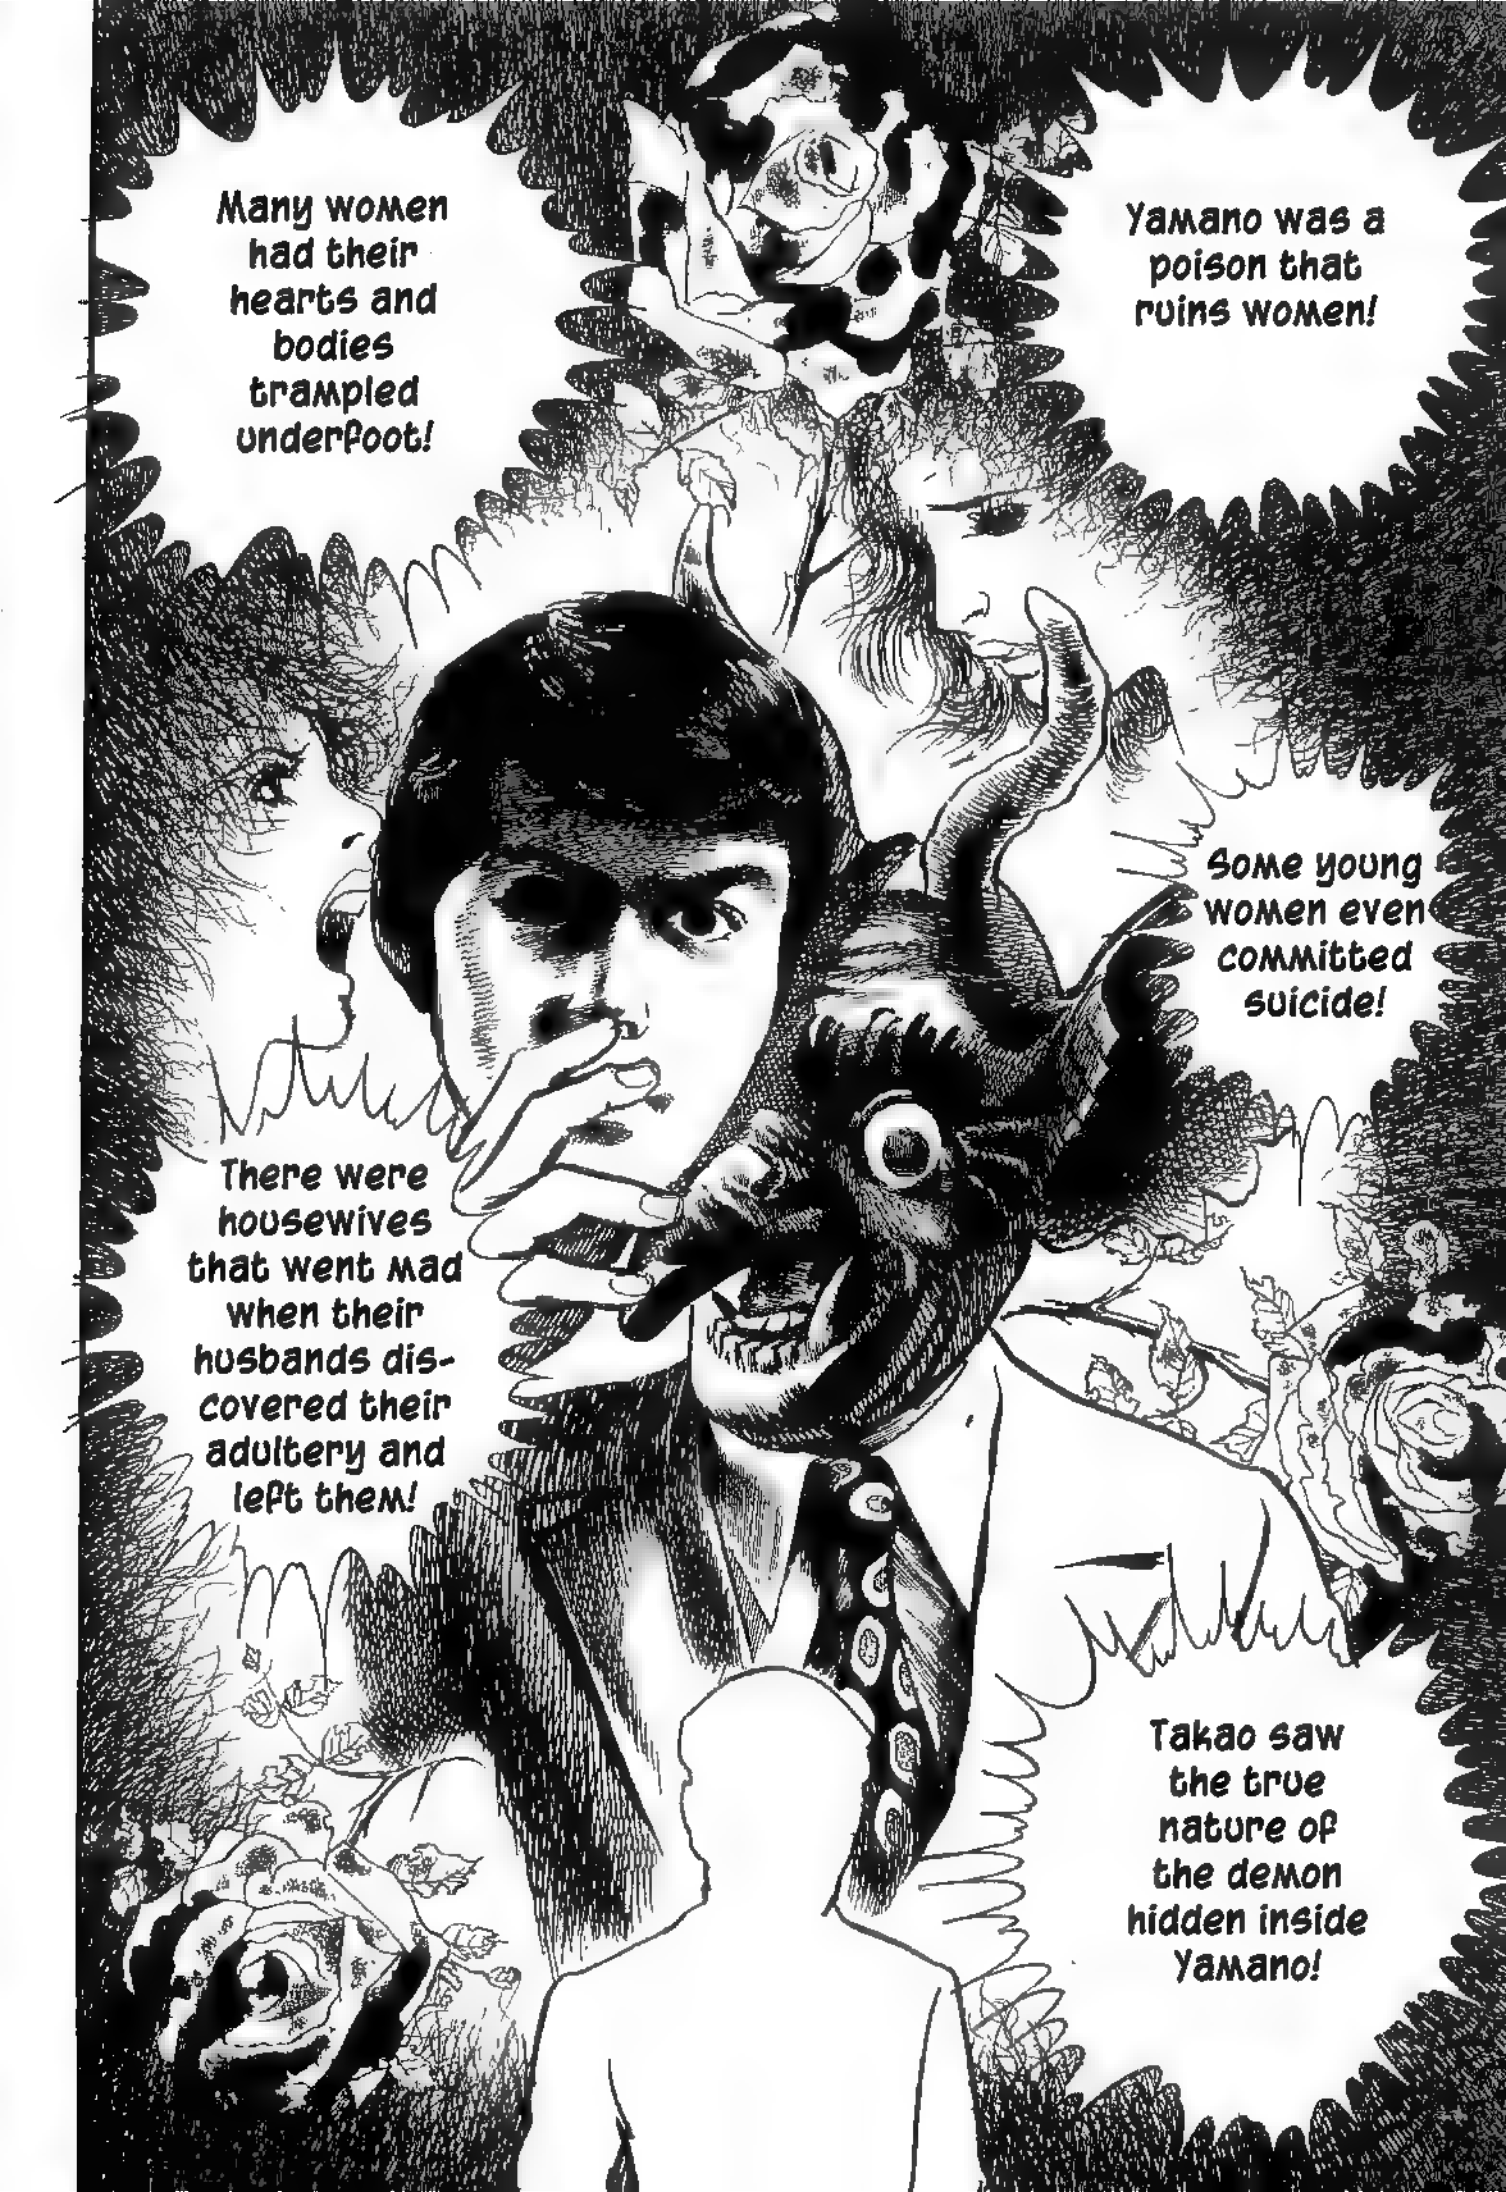

The
letters started
with tripling love
letters, but
eventually filled
with the moans of
women rebuking,
accusing, and
pleading an
unfaithful man.

It was a record of
the selfishness and
cruelty of Yamano!

After that, Takao
met with ten-odd
women and learned
how cruel Yamano
treated the women...

Many women
had their
hearts and
bodies
trampled
underfoot!

Yamano was a
poison that
ruins women!

Some young
women even
committed
suicide!

There were
housewives
that went mad
when their
husbands dis-
covered their
adultery and
left them!

Takao saw
the true
nature of
the demon
hidden inside
Yamano!

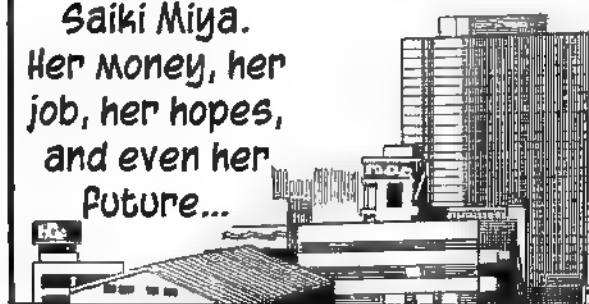

Like the
other
women,
she lost
everything
because
of
Yamano.

That's
the
name
of the
woman
Takao
was
search-
ing for.

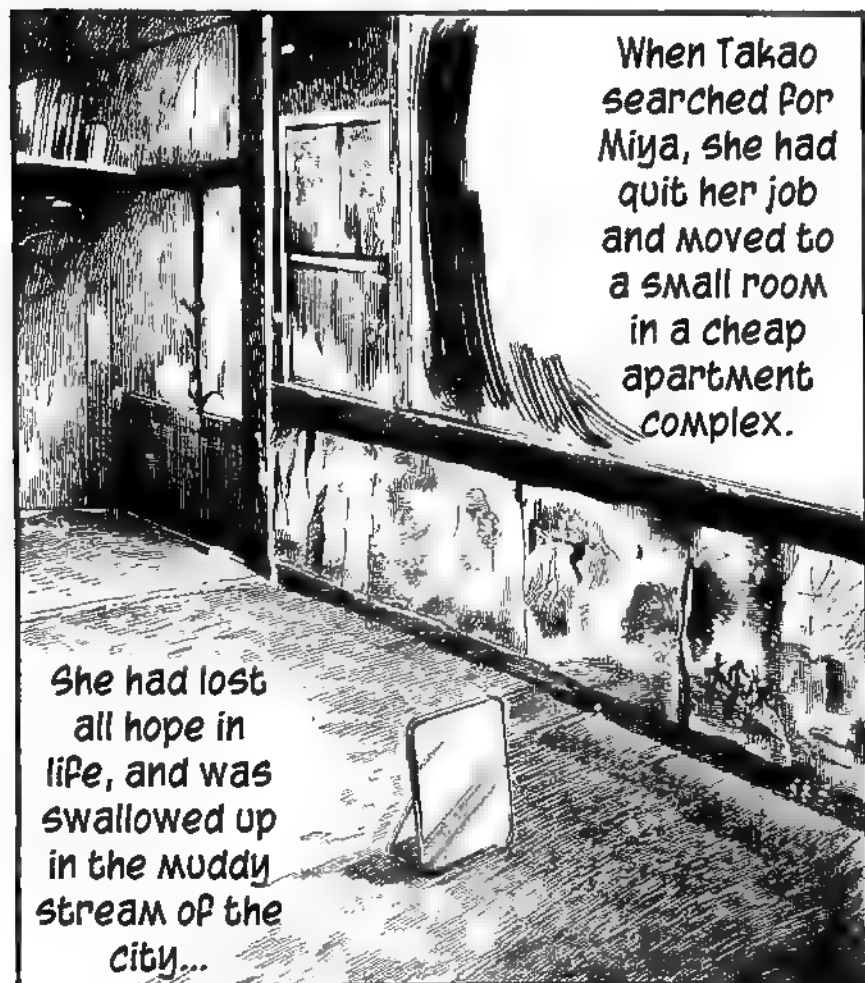

Yamano took
everything
from
Saiki Miya.
Her money, her
job, her hopes,
and even her
future...

She was an
executive
secretary of
a first-rate
corporation,
single, 25
years old,
with no
family...

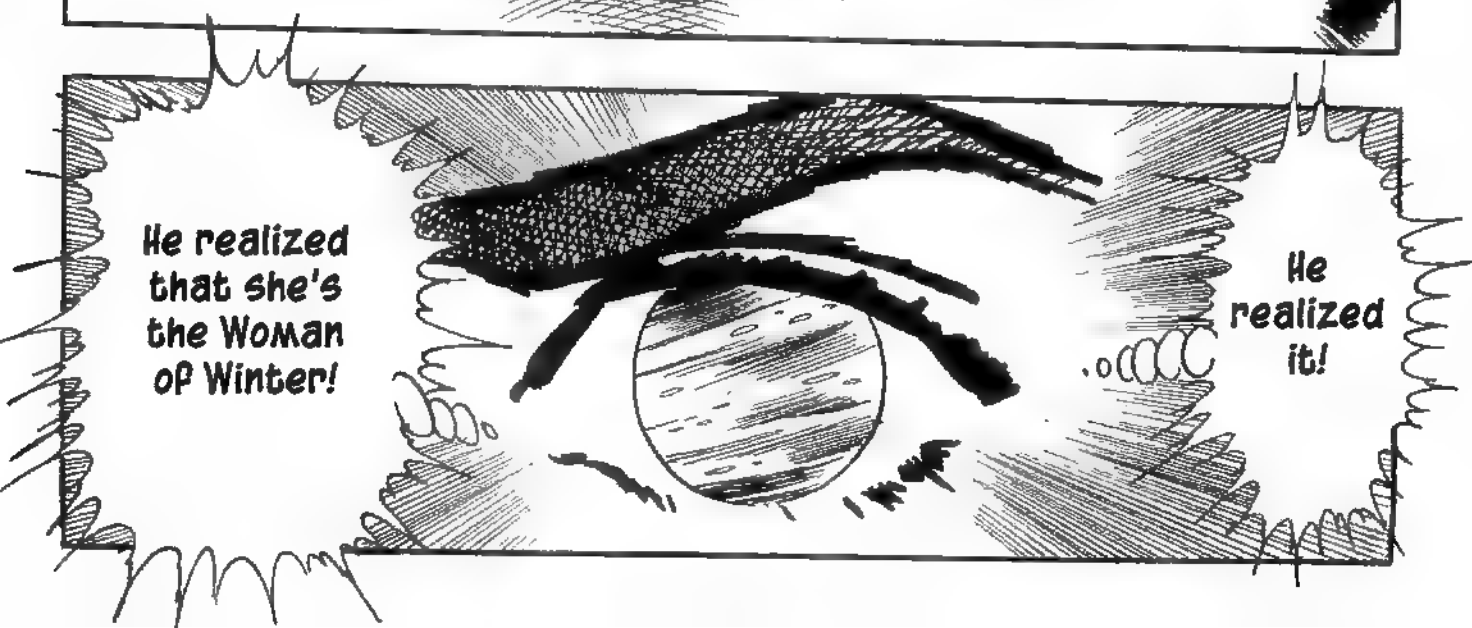

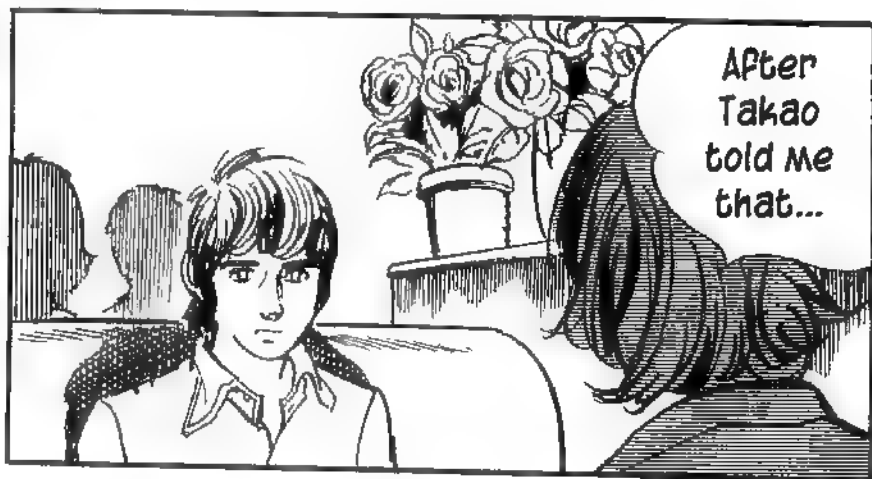

When Takao
searched for
Miya, she had
quit her job
and moved to
a small room
in a cheap
apartment
complex.

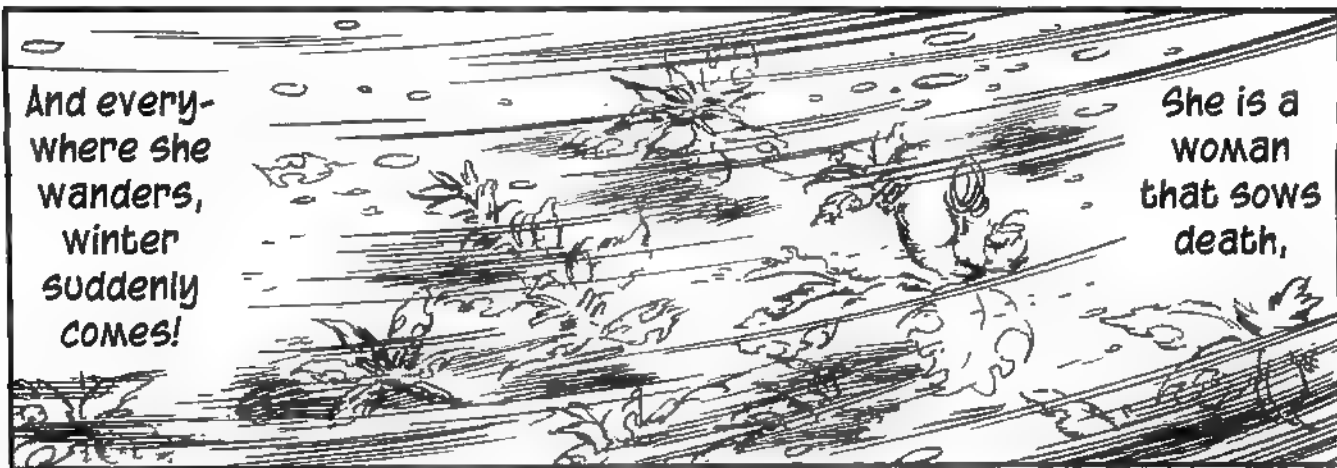

She had lost
all hope in
life, and was
swallowed up
in the muddy
stream of the
city...

Saiki
Miya...

And every-
where she
wanders,
winter
suddenly
comes!

She is a
woman
that sows
death,

はは

はは...はは

I under-
stand the
secret
behind her
sorrowful
expres-
sion....!

Now
I
get
it!

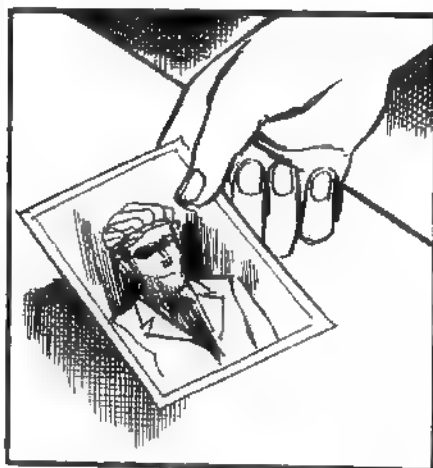

The creepy
sound of the
blizzard is her
cries of pain!

The dark,
melancholy
freezing
winter is an
image of
what's inside
her heart!

But how
could
something
so surreal
...

But...

They are dying. They
are all dying. If I wish
it, people die, and so
do dogs, birds,
insects, trees,
and flowers.

I sow the
seeds of
death.

All that has life that crosses my
path are touched by the death I
scatter, and hang their heads and
shatter...

After my
wind of
death
passes,
all that
remains is
ruins and
rubble.

Whether you
are waiting for
your lover, or
sitting down on
a bench...

One day, I will
pass by you,
who knows
nothing...

I am the winter,
the season that
brings death to
all. Within my
eyes lurks the
Grim Reaper, who
swings his great
scythe and reaps
all life...

My Spider-sense, my strange superhuman senses, have led me to her!

I've finally caught up to her...

The line of dead, bare trees ...

These roads covered in sleet and hail ...

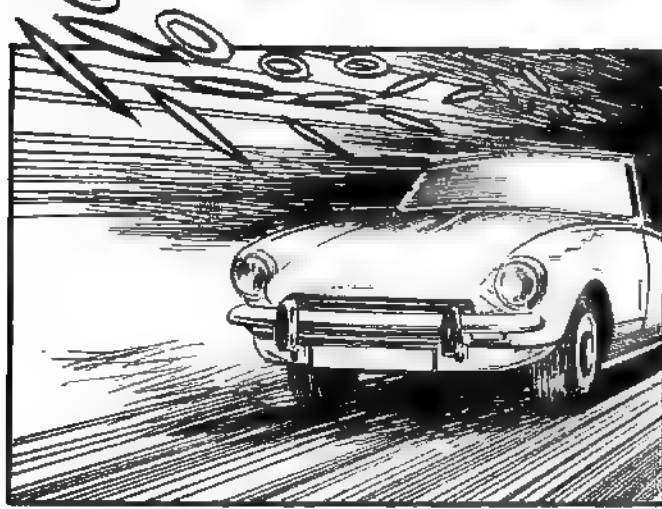

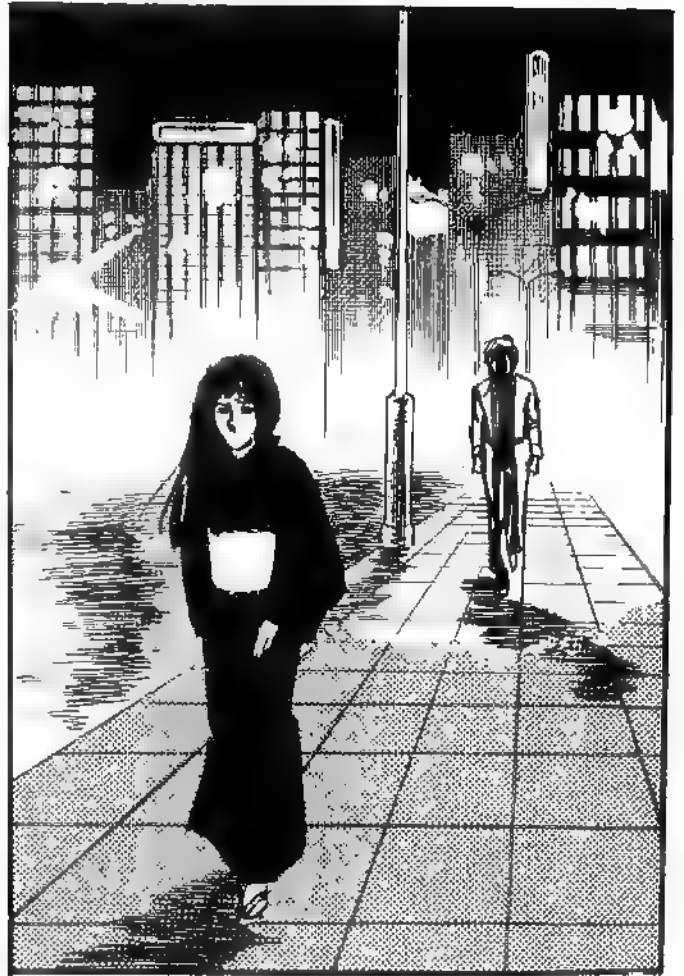

The street had suddenly transformed ...

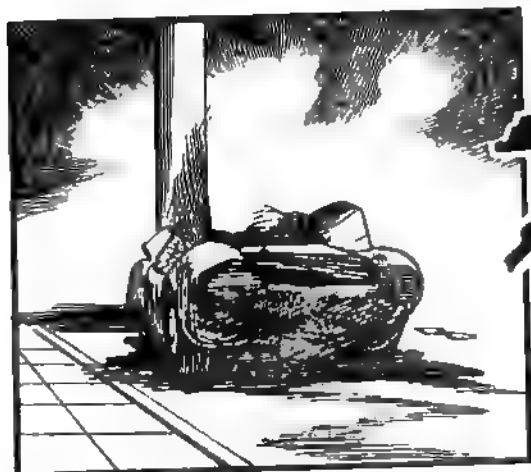

I am looking inside that woman's heart...

This is that woman's imaginary world! I am seeing the plains of death through her eyes!

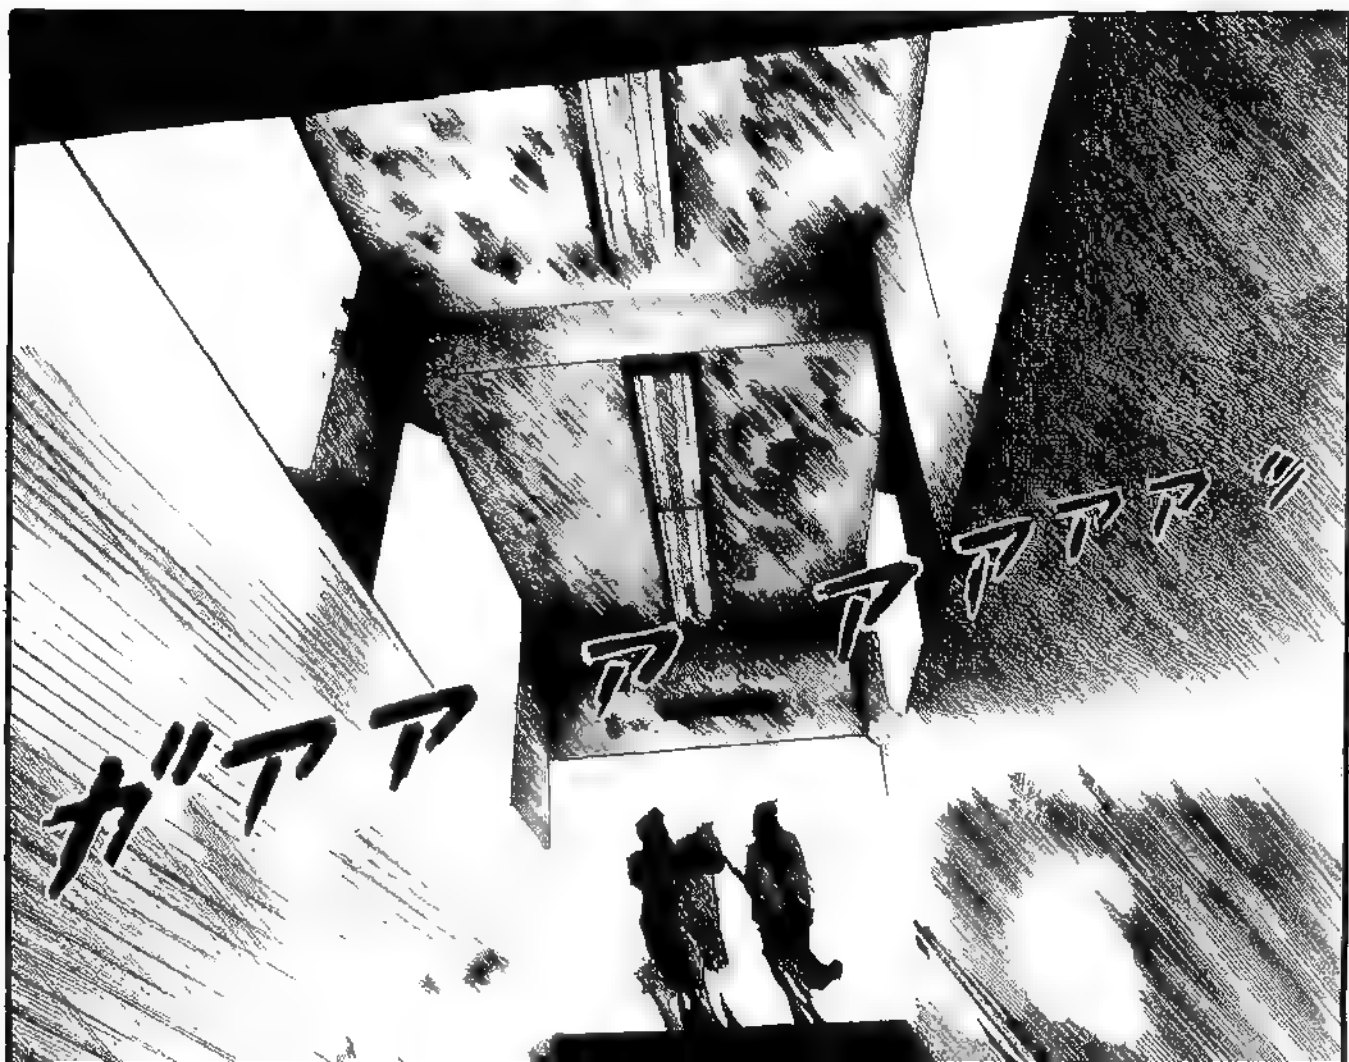

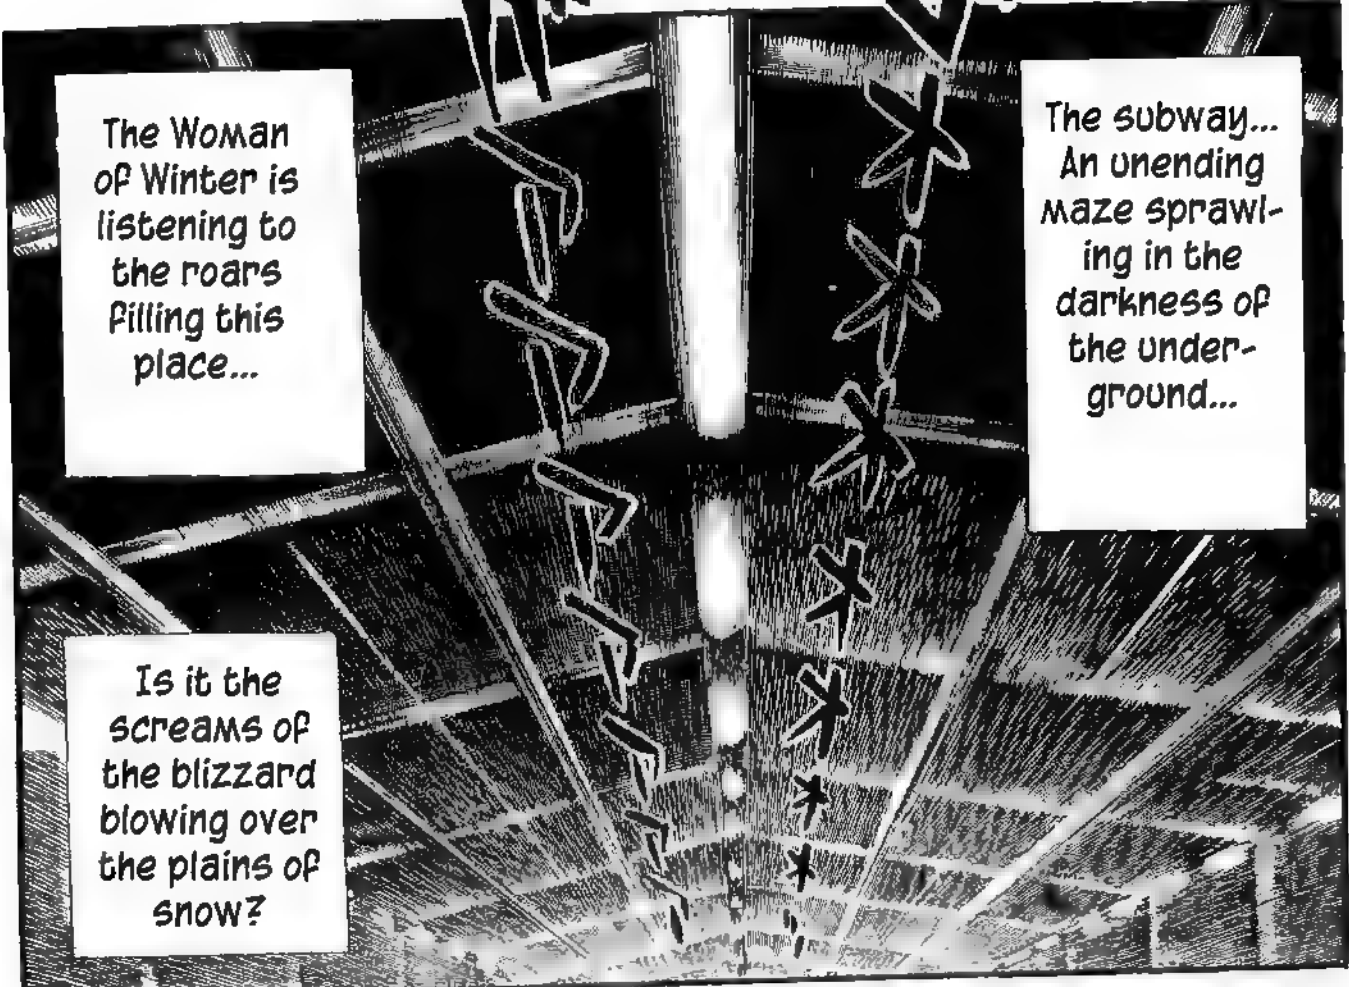

Of course, no
one would
believe this
surreal reality!
But...

A murderer with
no bloodlust!
She commits
murder without
even touching
them...!

Where is
she
going,
anyway
?

But if she
is left on
the loose
...!

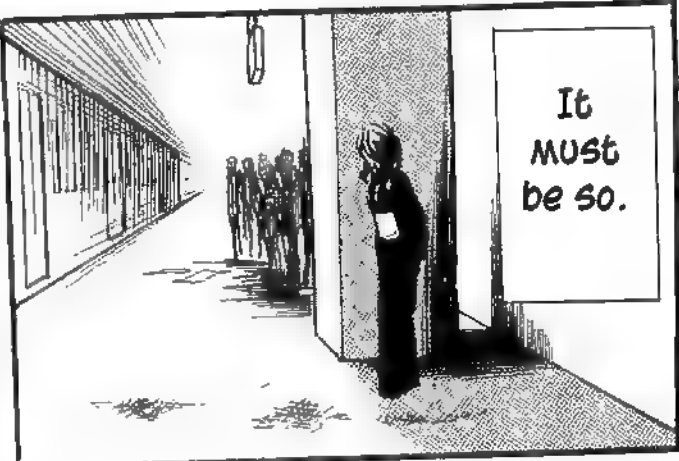

The Woman
of Winter is
listening to
the roars
filling this
place...

The subway...
An unending
maze sprawl-
ing in the
darkness of
the under-
ground...

Is it the
screams of
the blizzard
blowing over
the plains of
snow?

That
woman is
listening
to the
roars of
the ice and
snow.

It
must
be so.

Hehehe
...

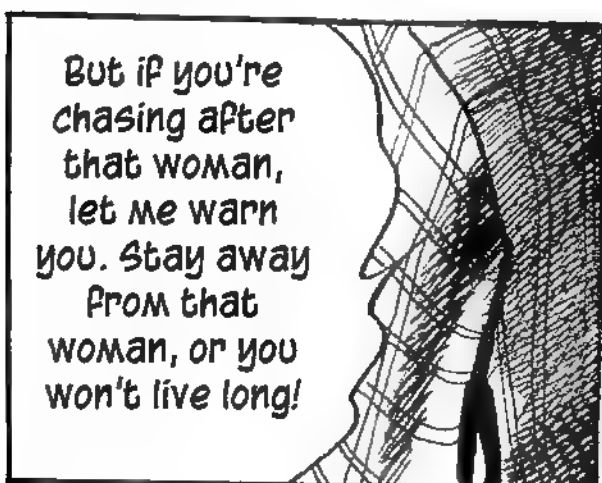

Aahh-
hhh...

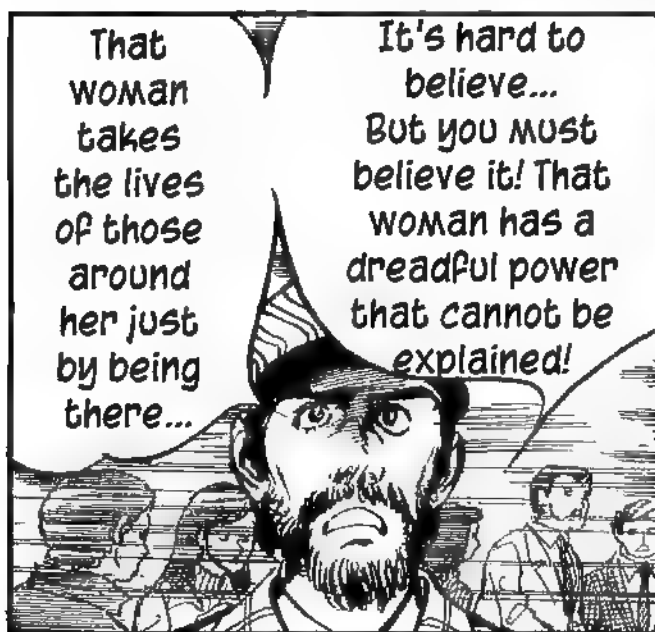

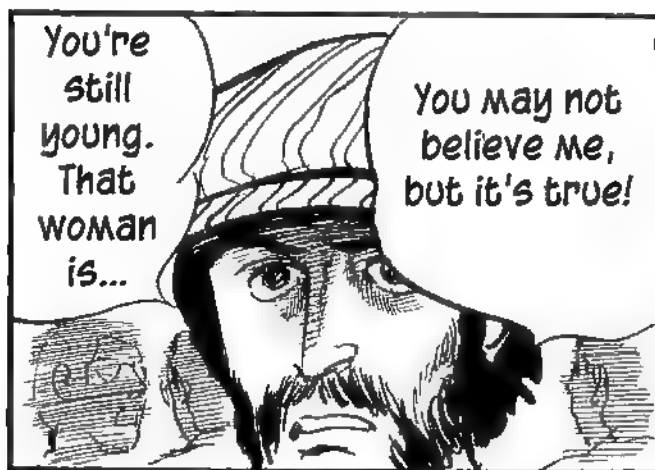

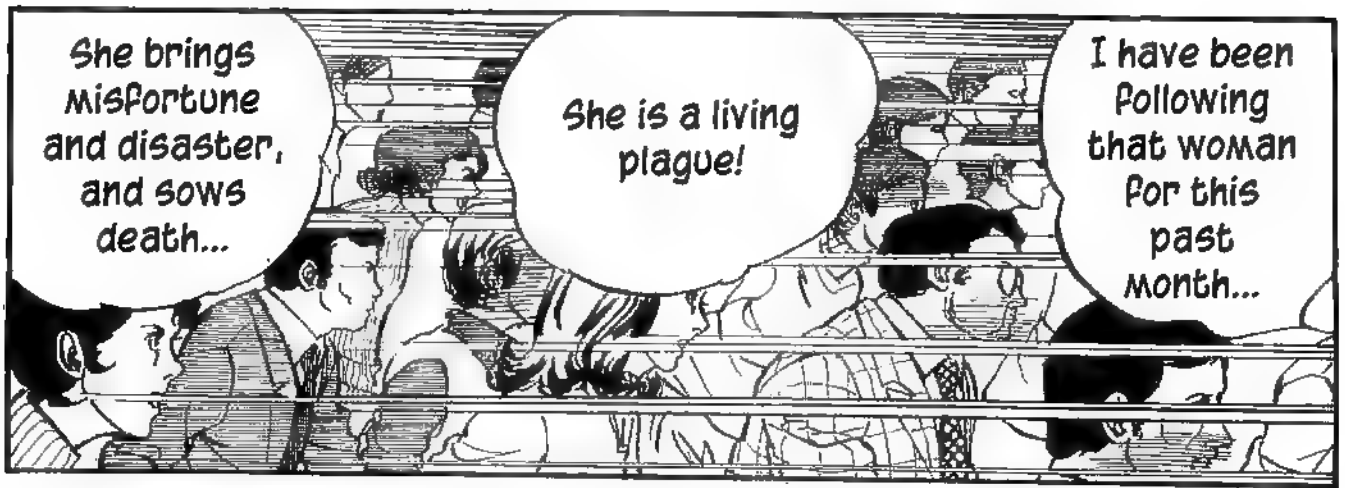

W
a
a
a
u
g
h
!

It was her
superpower
that did it!

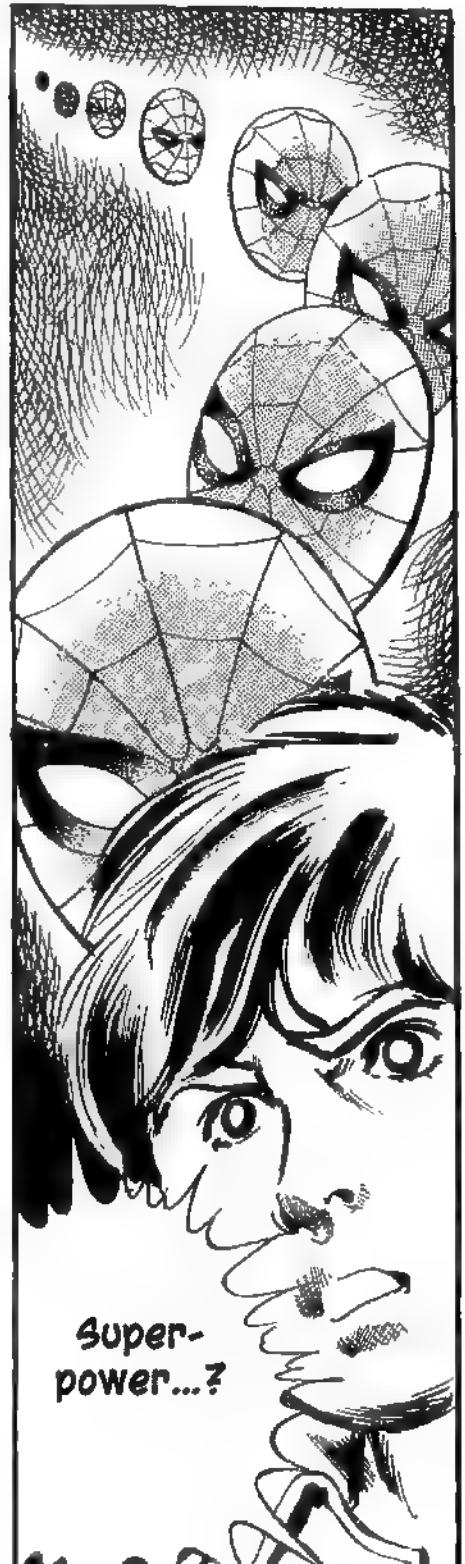

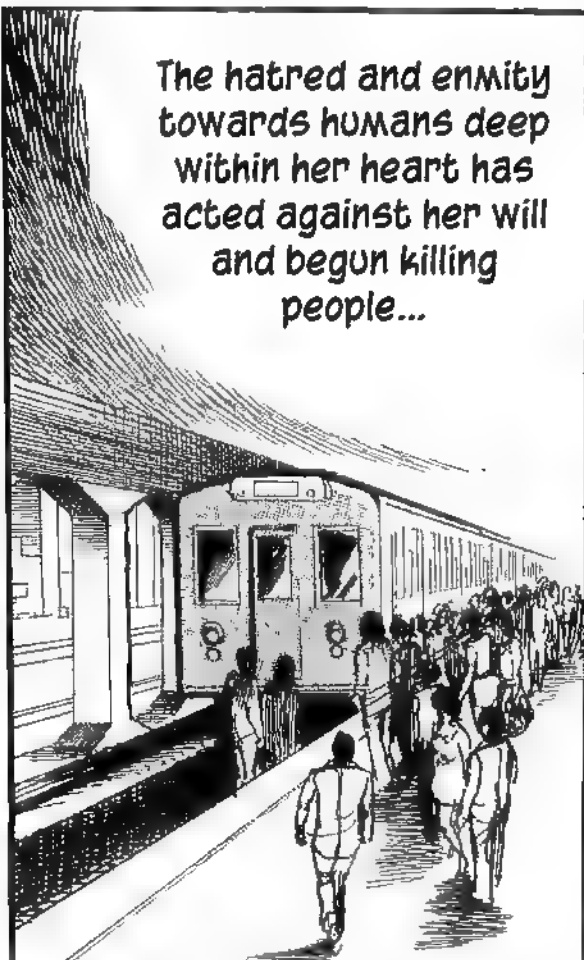

She did
not kill
that
drunkard!

I fear her super-
power has grown so
large she cannot
control it...

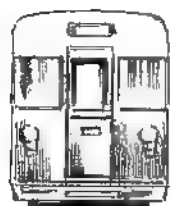

The hatred and enmity
towards humans deep
within her heart has
acted against her will
and begun killing
people...

Super-
power...?

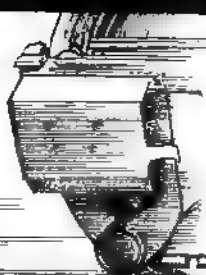

That's
right. In
dreams,
people
carry
out
frenzied
actions

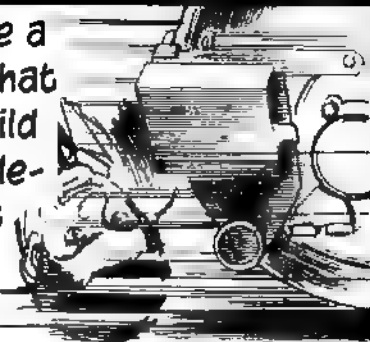

that
they
would
never
do in
real
life.

They
can
even
be-
come
homi-
cides.

It is like a
demon that
runs wild
as its de-
sires
will...

A
subcon-
scious
monster
...

Think about it.
If thoughts of
hatred could
kill, this world
would be a
mound of
corpses...

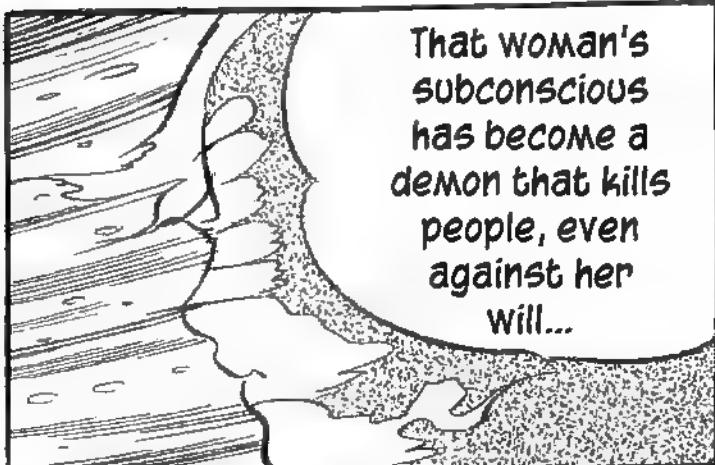

In other words,
all humans
subconsciously
carry the desire
to destroy and
kill!

The subconscious
is a hellish
swamp boiling
with hatred,
jealousy, and ill
will!

Not even the
most rational
person can
control their
subconscious!

That woman's
subconscious
has become a
demon that kills
people, even
against her
will...

I
don't
know
...

What do
we do
...?

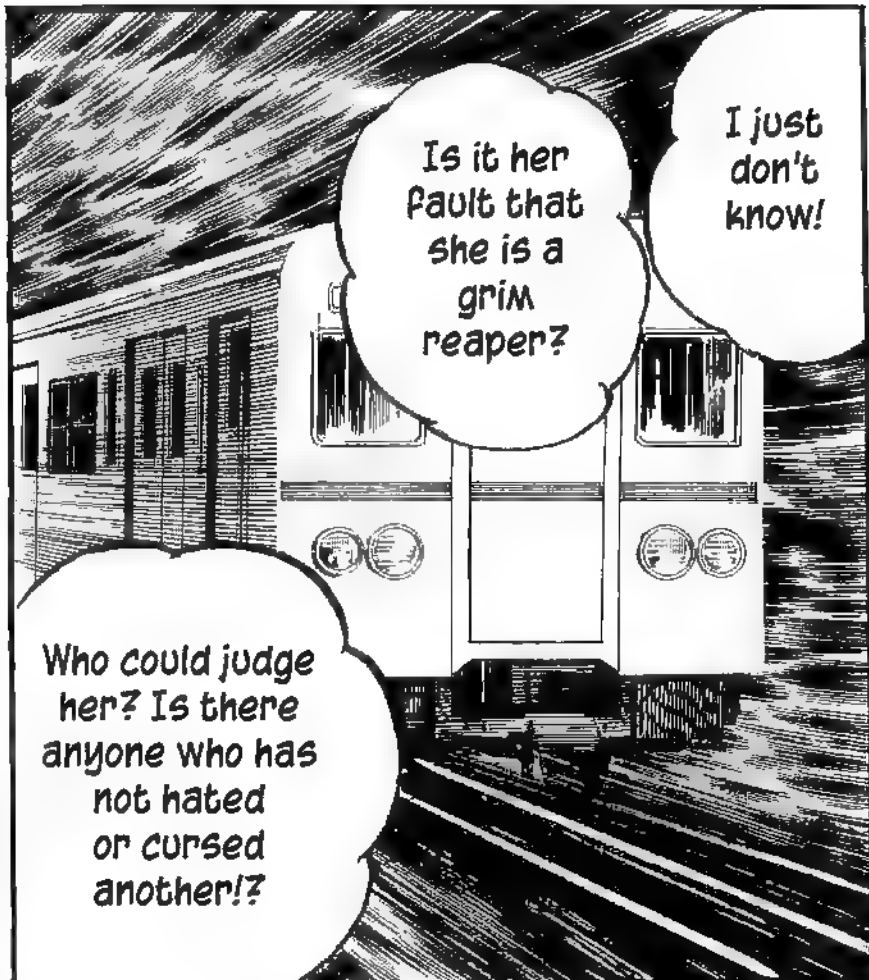

But
...

A
murderer
who has
killed
innocent
people
...

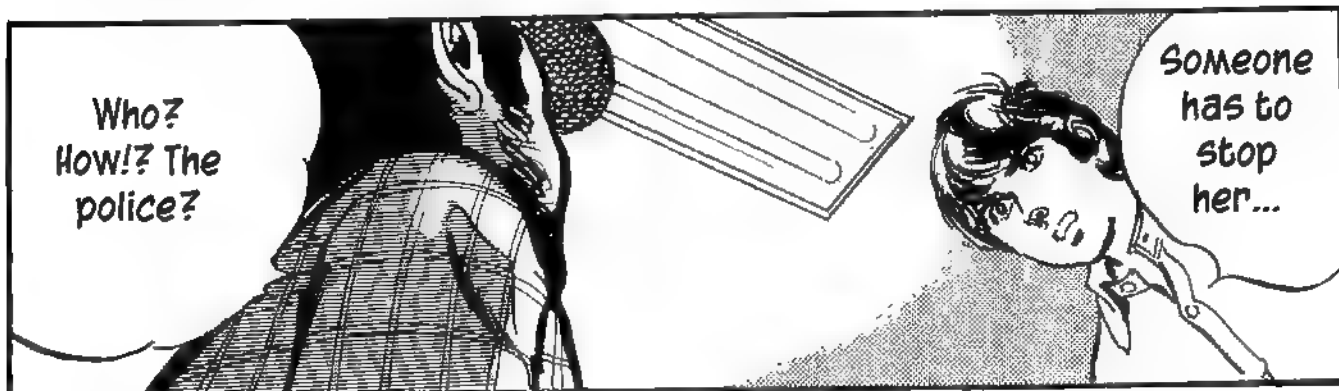

Yes.
She is
a mur-
derer.

Is it her
fault that
she is a
grim
reaper?

I just
don't
know!

Who could judge
her? Is there
anyone who has
not hated
or cursed
another!?

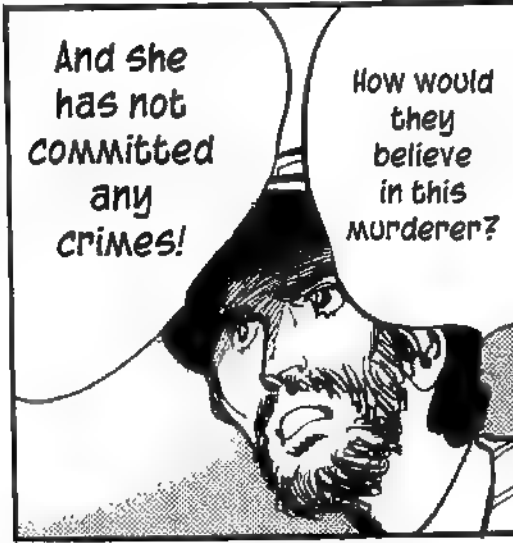

Who?
How!? The
police?

Someone
has to
stop
her...

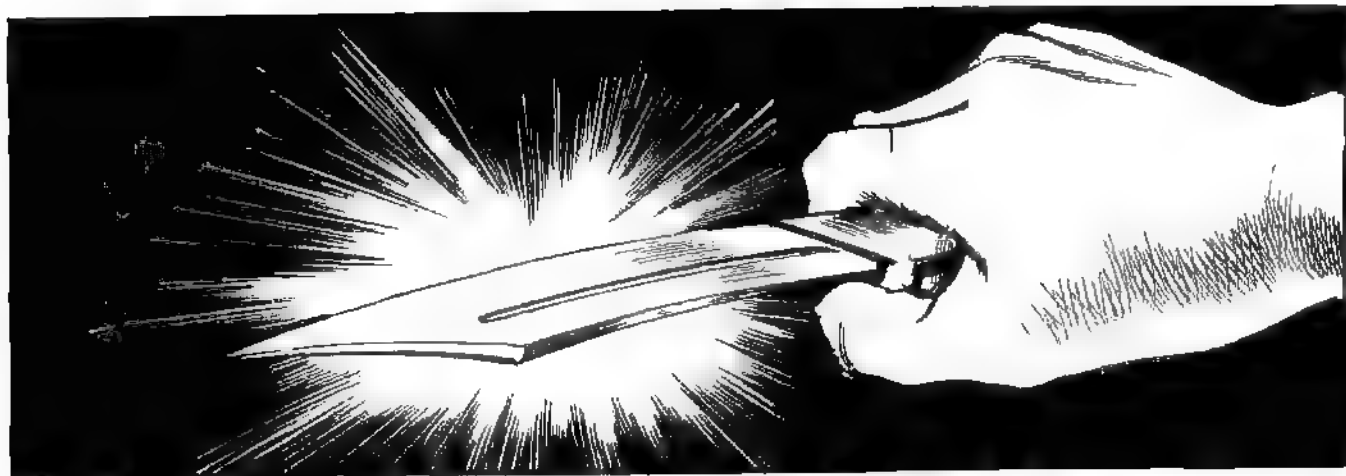

There is
only one
way to
stop
her...

And she
has not
committed
any
crimes!

How would
they
believe
in this
murderer?

I would do anything to save her from this living hell...

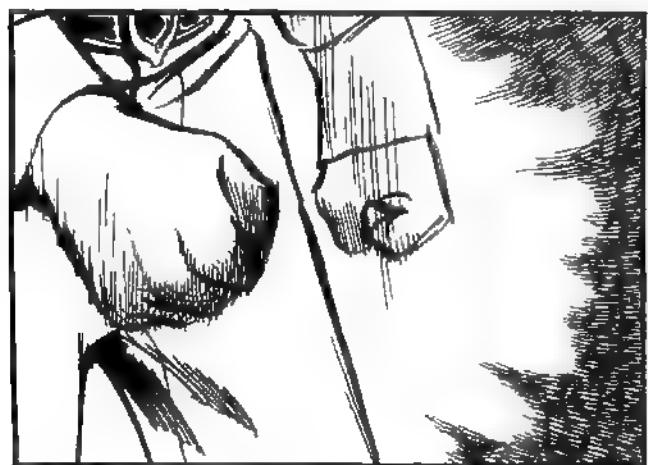

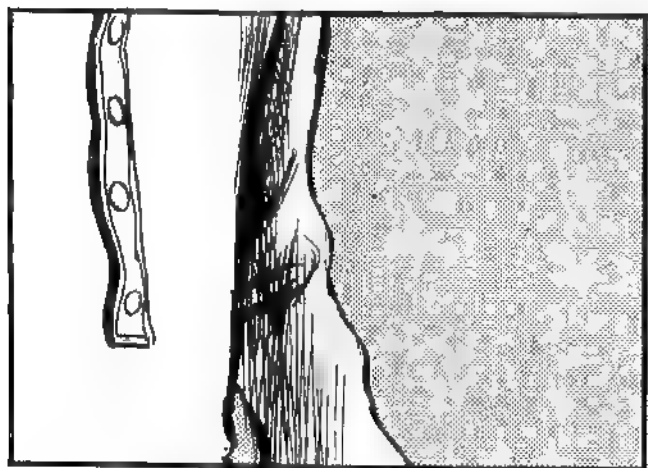

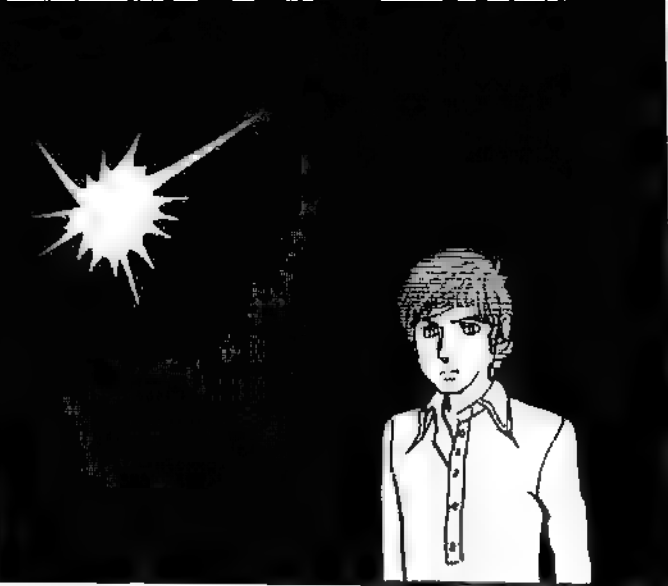

I cannot keep watching her add to her sins.

She must die.

-There is no other way...

Death is her only salvation!

Would you understand what a hopeless suffering feels like?

There was a large, ugly scar on his throat, and the knife he held in his right hand was covered in blood...

...The man had collapsed on the roadside.

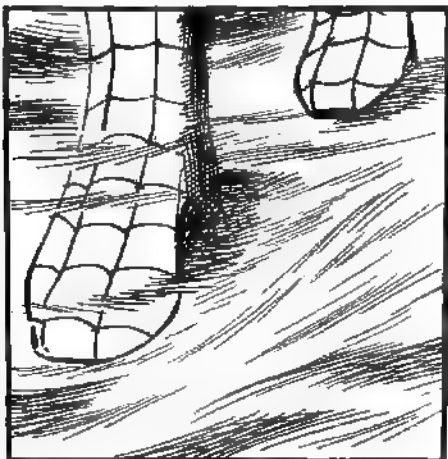

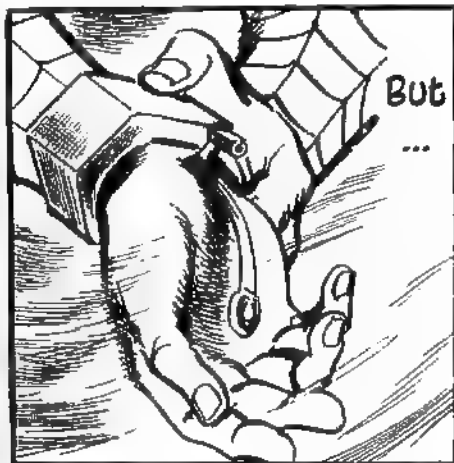

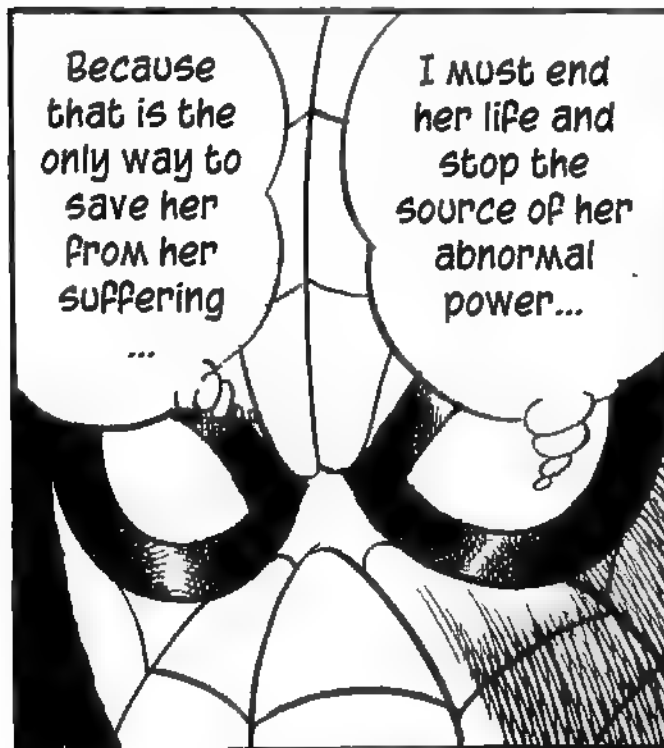

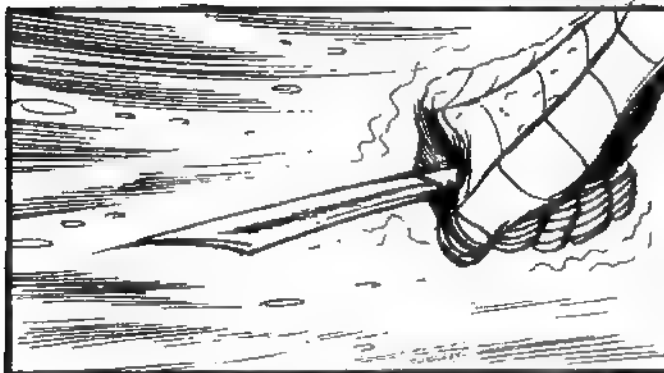

Who
can
judge
her?

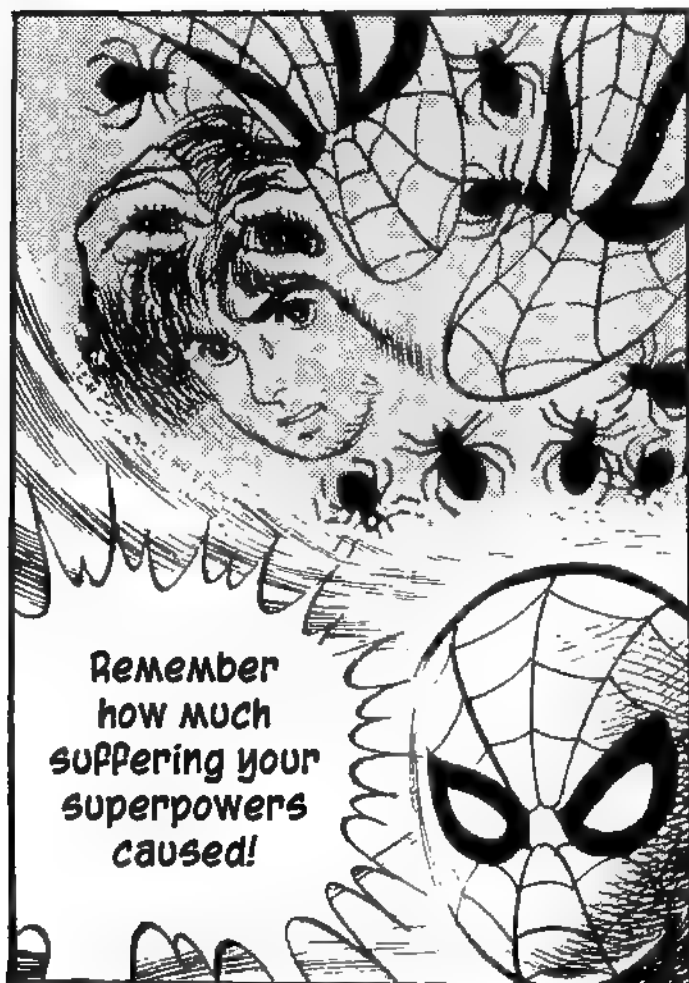

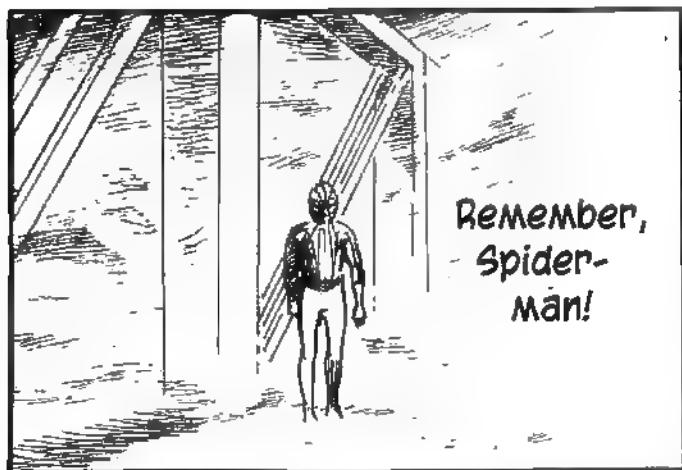

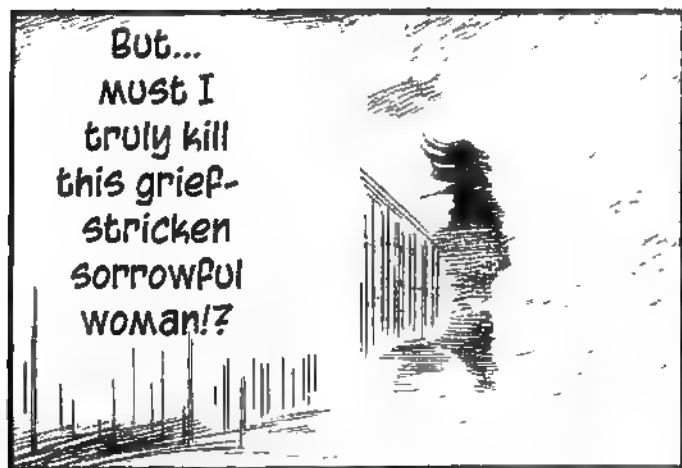

Who can
convict
her!?

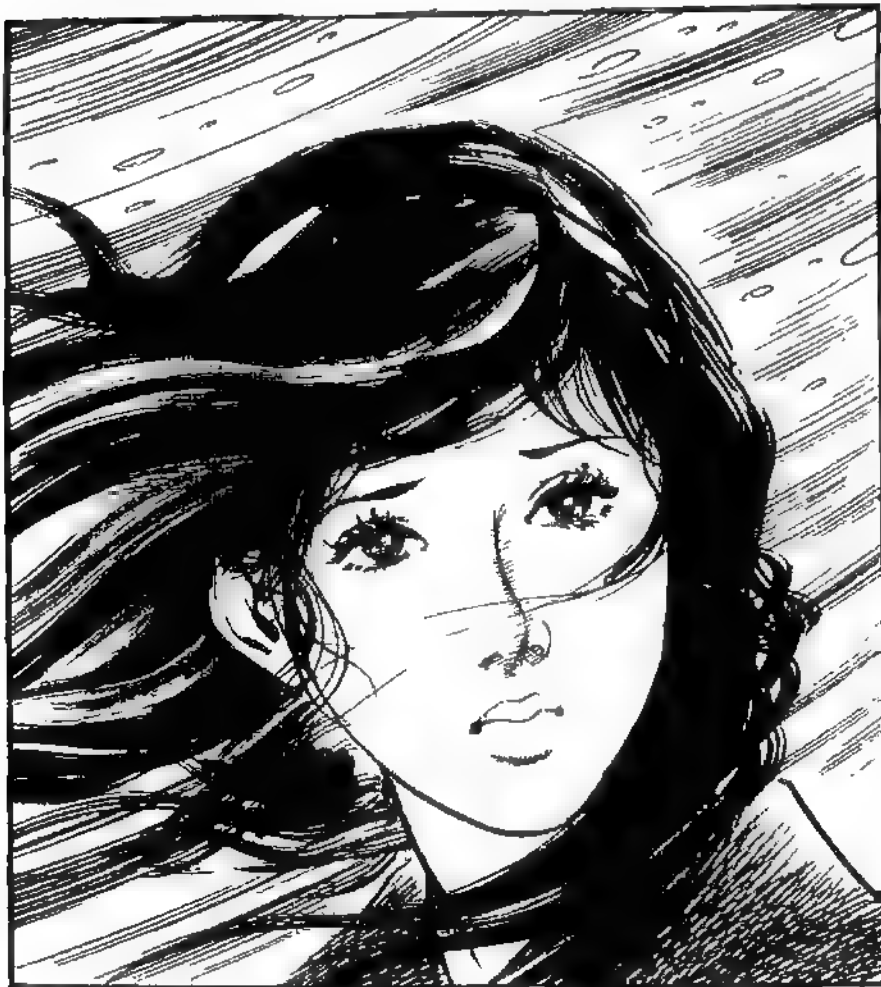

If she is a
criminal, then
all people are
undeniably
criminals!

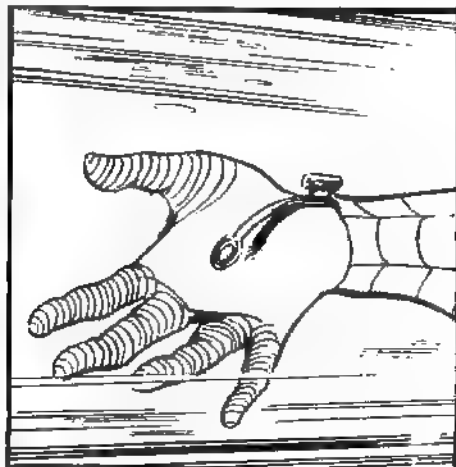

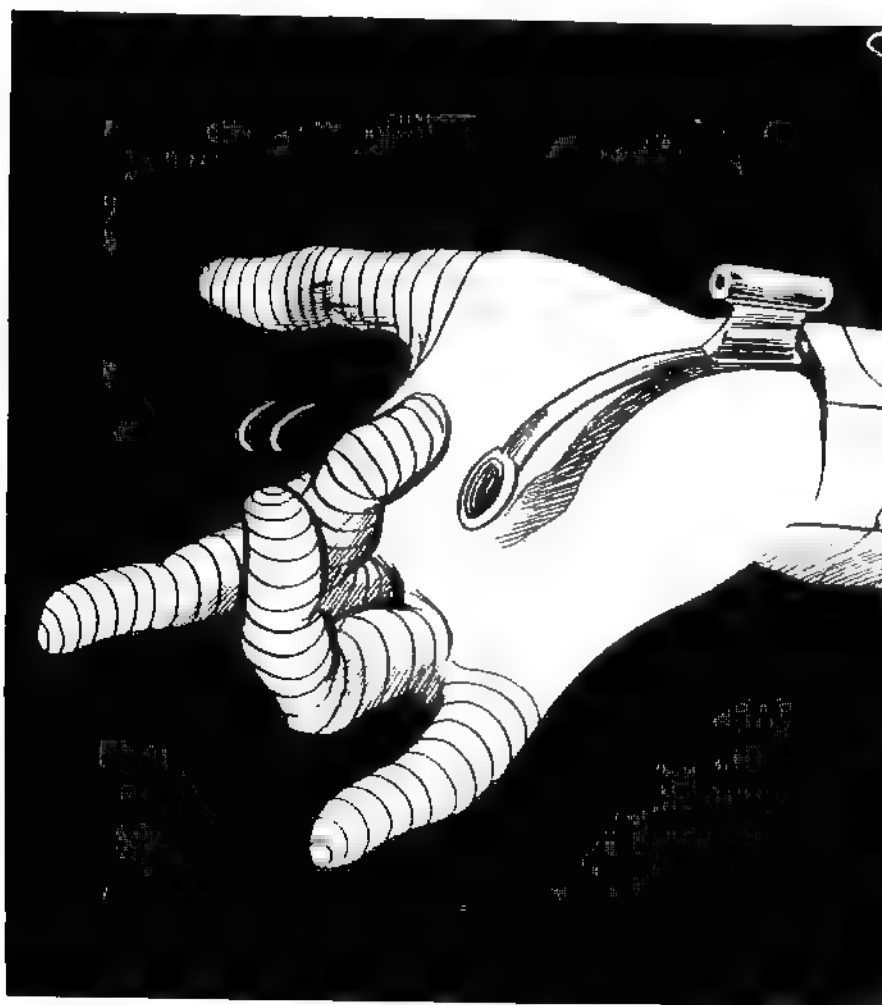

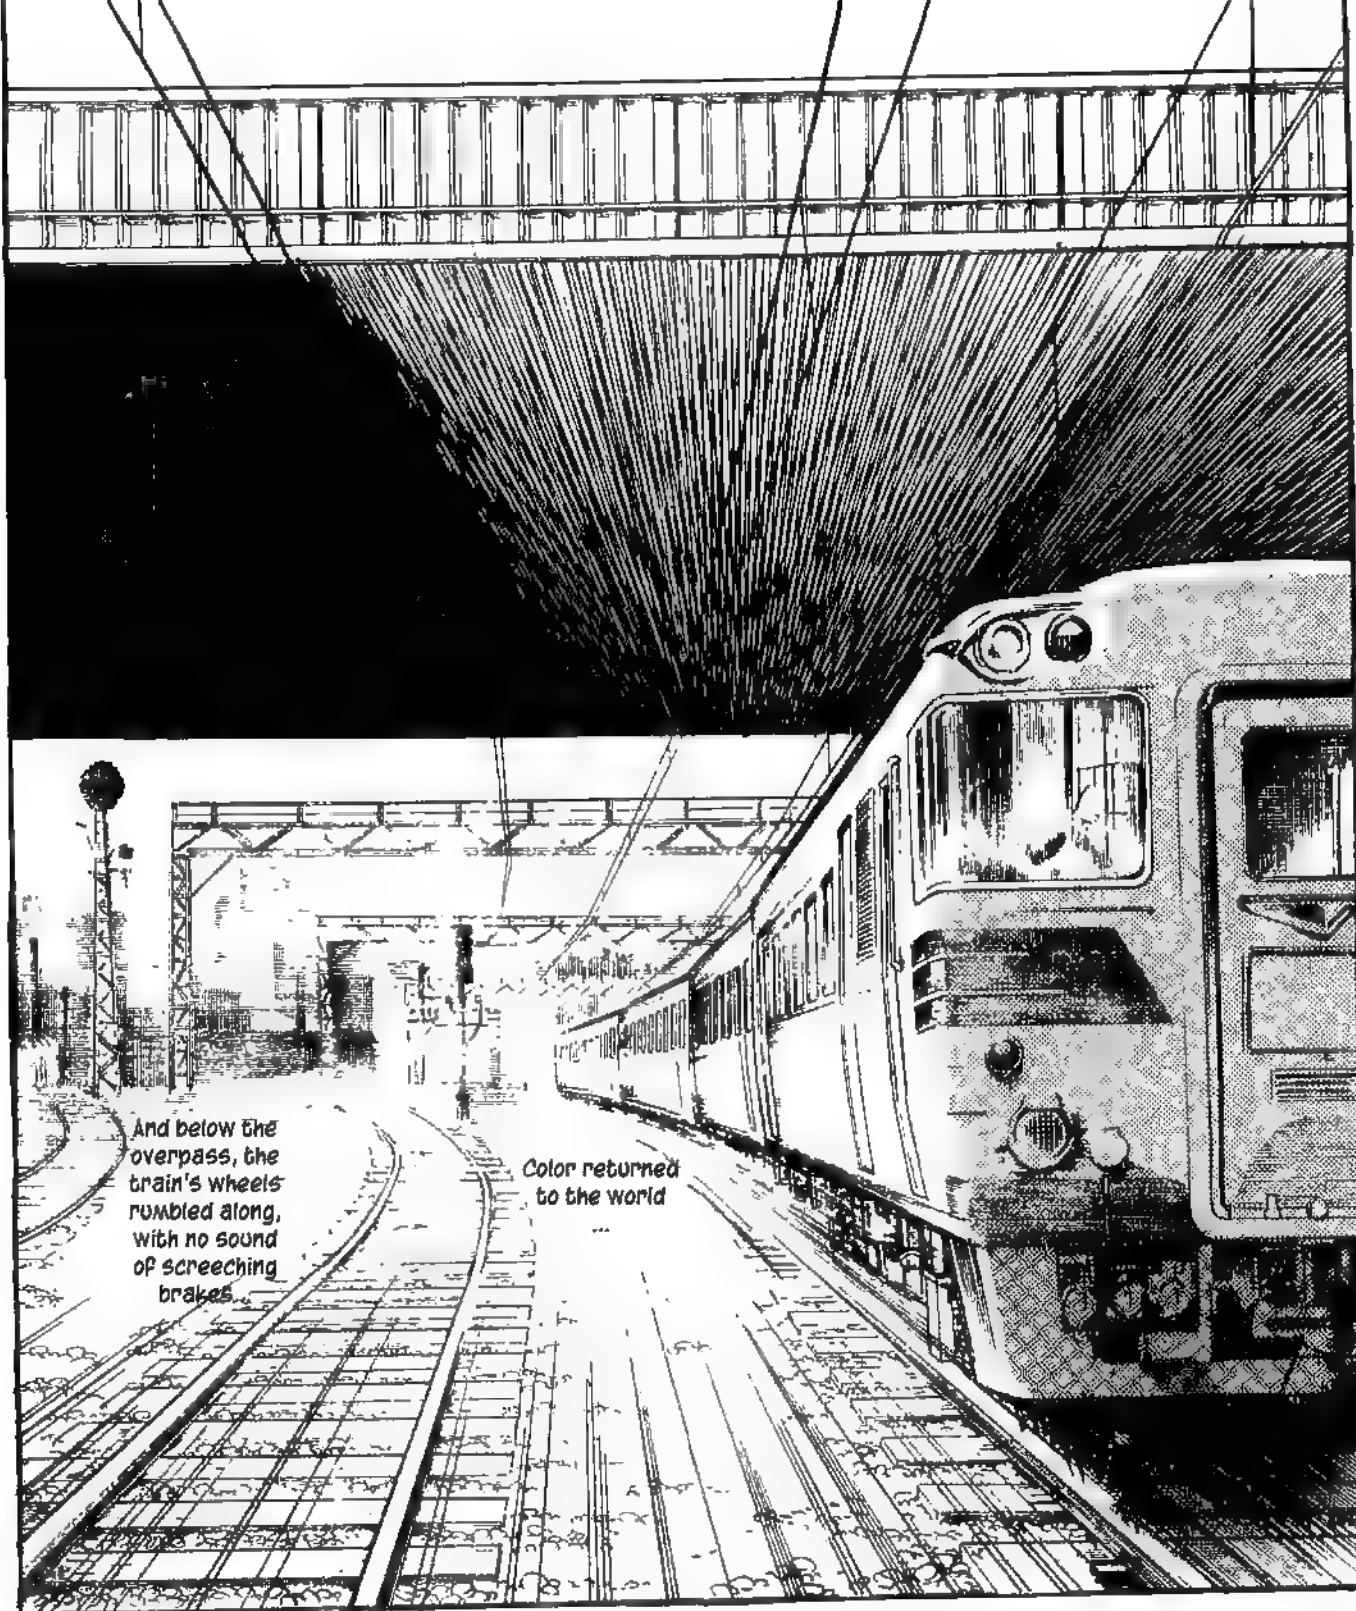

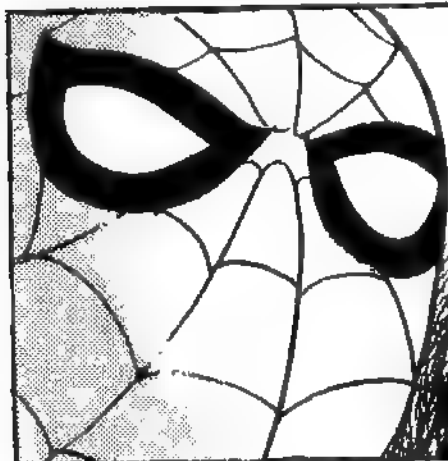

And below the
overpass, the
train's wheels
rumbled along,
with no sound
of screeching
brakes.

Color returned
to the world
...

It
is
...

But I can
still hear
the lament
of the
sorrowful
blizzard
...
